There will be lots of Q & A and lots of practical examples. Both student ministers and youth volunteers will enjoy and benefit from the day."

Music Ministry - Worship Toolbox

Mark Powers - Customized teaching to meet your needs and answer your questions about authentic worship and effective music ministry.

Evangelism Ministry

Bobby Jackson - The Power of ONE

There are 3.6 million people in SC not engaged in church, but there are 300,000 Baptists who were in worship. If each of them, built ONE relationship with someone far from God each year for the next 12 years, we would give everyone in the state a repeated opportunity to see, hear, and respond to the gospel. This breakout session will give you tools to help you motivate and mobilize your people to begin taking personal responsibility for individuals far from God.

Stewardship - 1:00-3:00 only

Gary Anderson - Great Commission Generosity
Giving in the scriptures was never presented as a requirement to repay a debt, but as an exercise to help us develop a kind and generous spirit. How can we develop a culture of generosity that fuels the Great Commission. Helpful hints for personal and church contagious generosity.

Women's Ministry - 1:00-3:00 only

Melanie Ratcliff - When you think of Women's Ministry you often think of Beth Moore driven Bible Studies and luncheons. In this session ladies will be given ideas and application to move ministry to women outside the walls of the church in order to be most effective in building relationships with the lost to grow the Kingdom of God.

Adult Sunday School

Tommy Cromer - This conference will deal with the basics of good Adult Bible Study work. Special attention will be placed on helping your group to have a Missional focus. We will look at ideas to help you minister outside your class and your church so that your class can have an impact in your community.

Shifting Sunday School to a Relational Discipleship Ministry

John Watkins - Historically the ministry titles of Sunday School and Discipleship don't cross paths.

We will look into the Biblical foundation of these two areas and see the shift that needs to take place for us to impact the kingdom with maturing disciples.

Reaching Young Adults

Travis Agnew - This workshop will equip with strategies on how to reach young adults, 20 to 40 years old, both single and married,

Missional Impact

Daryl Price - Leveraging the church to make disciples by crossing barriers and starting Mission Outposts
