

1 in 7 children face hunger every day in South Carolina.

In South Carolina in 2020:

28,567 households were served
79,116 individuals were fed
3 people professed faith in Christ
3 followed Jesus in baptism

This was all made possible by your faithful giving to the Global Hunger Offering. Lets continue working together to share hope and see even more lives changed through your generosity.

In addition to impacting lives in South Carolina, your Global Hunger Offering dollars also serve the food insecure across America and around the world.

To give to the Global Hunger Offering, go to:
