OCTOBER 21 - 23, 2020

DISCOVER WAYS YOUR CHURCH CAN PARTNER WITH CHURCH PLANTERS & MISSIONARIES IN SALT LAKE CITY

## THE NEED

"Salt Lake City is a city where everyone looks like us speaks like us, and has similar jobs as us, but they are far from God. At 2% evangelical, it is the most unreached metropolitan city in America." -Bobby Wood, NAMB SLC Send Coordinator

## DETAILS

This event is designed for pastors to meet church planters, see their ministries first-hand and visit communities in need of churches while considering potential partnerships.

SCBC will cover airfare and ground transportation. Participants will need to cover hotel stay and some meals.
