4. Business Session. Chris Gray, pastor and messenger of Kings Grove Baptist Church, Central, introduced the following motion: “President Fred Stone appoints a South Carolina Great Commission Resurgence (GCR) Task Force to study the Southern Baptist Great Commission Resurgence recommendations adopted at the Southern Baptist Convention’s annual meeting in June, to develop a plan on how South Carolina Baptist Convention will

respond to the Great Commission Resurgence Task Force recommendations and present their own plan and recommendations to next year's South Carolina Baptist Convention annual meeting in Columbia."

Alex Henderson, pastor and messenger from Mills Creek Baptist Church, Saluda Association, made the motion that any money in excess of the 2010/2011 Annual Budget be kept in the State of South Carolina and disbursed equally among our South Carolina Baptist institutions.

5. Multi-Site Study Committee Report. Micah Lane, chairman of Multi-Site Study Committee. Report is on page R92-R93. Multi sites have worked well for churches with overcrowding or trying to reach unreached people for the purposes of meeting and worshiping. Multi-site convention, where we register, debate, vote, and conduct business is a greater task. In the report there will be six bylaw changes to go to multi-site meetings. Those concerns are enrollment, credentials, elections, procedures and the required quorum. Bylaws require a 25 percent quorum of registered messengers have to be present. Another consideration is the cost. It is the conclusion as a committee without a specific purpose and well defined goals and money we should not pursue any multi-site meetings. This is a report only.

6. Cooperative Program Report. Gary Anderson, director, Cooperative Program & Stewardship Office. God has placed something in each of our hands so that we can serve others. It all depends on whose hands it is in. It is up to us to put our worries, concerns, fears, hopes, dreams, our families, our future and Cooperative Program in God's hands. If we continue to do that then we can continue to impact a lost world for Christ. Thank you, South Carolina Baptists, for your continued support of the Cooperative Program.

7. Executive Board Report. Bill Gaines, Chairman of the Budget, Finance & Audit Committee. Many state conventions, including our own, as well as Baptist agencies and institutions, are being forced to come to terms because of a leaner economy as cooperative giving drops to levels not seen in nearly a decade. Mr. Gaines gave statics from surrounding conventions showing where they are operating at budget levels from previous years and eliminating staff positions.

Our state's 2011 proposed budget is \$29,400,000 or 13.27 percent below 2009 budget of \$33,925,000. We are operating at 2001 giving level. Since November 1, 2009, we have had nine resignations, two retirements, and numerous reassignments. However, we have eliminated only six positions with half of these positions being combined with other positions with no layoffs. Our recommendation for the 2011 South Carolina Convention Experience Kingdom Life budget and all accompanying recommendations are found in the Book of Reports on pages R41 – R43. This year began with a 10.8 percent decrease.

The committee recognized the Cooperative Program needed to be monitored closely as well as expenditures and receipts during 2010. The second meeting took place on July 30th with the presidents of the South Carolina Baptist Convention institutions. Each institution president was asked to give an update on their finances for the year and to share any cost saving measures they had employed in helping their budget management. The three universities and Connie Maxwell Children's Home continued to be outspoken and passionate for increased funding. The universities indicated they needed scholarship money and asked if we would restore the 6 percent money they did not receive last year in their 2011 budget. The committee also reviewed the 2011 budget request from the Executive Board and convention staff. The staff was asked to reduce their request even more. July studies still showed a 6.24 percent decrease in giving. After review, the committee decided the budget had to be below \$30,000,000. Reports indicated the Cooperative Program receipts at \$29,525,000 or a 5.5 percent decrease for 2010. Cooperative gifts for South Carolina Baptist and Southern Baptist causes were below the budget amount and reduced cooperative gifts for South Carolina causes for 2011 from \$150,000 to \$110,000 while the Southern Baptist Convention causes remain at \$30,000. Final decisions on institution budgets would wait until August.

Based on the decrease in the 2011 budget, the committee did not consider a pay increase for convention staff. The committee decided it was time to withdraw funds from the Church Annuity Plan in the amount of \$627,484 and transfer to the budget, leaving \$3,349,000 for future needs. The Church Annuity plan was developed through GuideStone and state conventions to provide benefits for ministers. Through the years the program over performed. Several years ago GuideStone was able to cover the protection benefits earned. During this time GuideStone provided credits to the billing for protection benefit. The money from this account can be used only for the Church Staff Retirement Plan.

In August the budget revision from the staff included a reduction of \$548,642 from the July proposal. White Oak Conference Center reduced their budget \$59,725 or 10 percent. White Oak Conference Center reduced their CP money in 2011 and have budgeted a repayment of \$62,000 to Fund Balance. Because of changes made in 2010, occupancy is up 10 percent. The revised budget from the staff includes not replacing some positions and holds on new positions. Health insurance for 2011 will increase 7.2 percent. In August the Cooperative Program giving was down 5.7 percent from 2009. While giving is less than 2009, it continues to be steady at a rate of \$29,500,000. The budget shown on R41 – R42 in the Book of Reports includes a goal of \$29,400,000 for the Cooperative Program receipts and \$140,000 for Cooperative Program gifts for a grand total of \$29,540,000, a decrease of \$2,600,000 or 9.15 percent below the 2010 budget. We have increased the percentage going to SBC by 41 percent. If the Cooperative Program gifts exceed the 2011 budget amount the funds beyond the goal will be allocated as follows: The Southern Baptist Convention will receive 41 percent; South Carolina Baptist Convention will receive 59 percent. This does not include the Great Commission Resurgence effects. On pages R41 – R43 in the Book of Reports, represents the summary budget for all recommendations for 2011.

As chairman of the Budget, Audit and Finance Committee and on behalf of the Executive Board of the South Carolina Baptist Convention, we recommend that the adoption of the 2011 South Carolina Baptist Convention budget and all recommendations printed in this report.

Mike Gay, pastor and messenger from Greenwood Baptist Church, Florence, offered an amendment to the proposed budget: A motion to freeze the amount sent to SBC at the current 40.44 percent for the 2011 budget year. The Motion was seconded.

Time expired. A motion made by Bill Crane, chairman of the Order of Business Committee extended the time to ten minutes and reminded the messengers of their three minute time limit to speak. The motion carried and time was extended for ten minutes.

A ballot vote was required on this amendment. This item on the report will be on hold until reported back.

WHEREAS, Christians have a duty to bring the Word of God before others, especially those in positions of leadership, and allow it to speak; and

WHEREAS, Christians have a responsibility to bring the gospel to bear on every aspect of culture by applying biblical values and truths to social and political issues; and

WHEREAS, Christians must also use our freedoms to defend traditional marriage, protect the sanctity of human life, and combat the propagation of immoral behavior and deviant lifestyles; and

WHEREAS, these authoritative biblical guidelines are now under persistent and concerted attack by a culture of moral relativism, even within the religious community; and

WHEREAS, some persons and groups have asserted that efforts by Christians to evangelize others are inappropriate in a religiously diverse culture, even describing evangelism as a hate crime; and

WHEREAS, these persons contend that evangelism undermines a peaceful, pluralistic society and may lead to intolerance, bigotry, and violence; and

WHEREAS, scripture condemns any abuse of sexuality, including premarital sex, adultery, rape, incest, pornography, promiscuity, prostitution, and homosexuality (Acts 15:20, Leviticus 18:22, Romans 1:26 – 27, 1 Corinthians 6:9 – 10, and 1 Timothy 1:9 – 10); and

WHEREAS, Southern Baptists and other evangelical Christians have been portrayed by the media as intolerant or dangerous because of our commitment to Christ and our belief in Biblical precepts; and

WHEREAS, God established the family as the primary and most influential social institution of mankind and ordained that each family begin only with the marriage of one man and one woman (Genesis 2:18 – 25; Matthew 19:4 – 6; Mark 10:6 – 8); and

WHEREAS, the viability, strength, and stability of the social order within any nation is more dependent upon the well-being of this traditional family structure than any other social institution or agency; and

WHEREAS, Although God has disclosed himself genuinely in all cultures through the created order and the human conscience, this general revelation has been so perverted by sin as to leave all persons utterly destitute of any hope of salvation outside of personal repentance and faith in Jesus Christ (Romans 1 – 2); therefore, be it

RESOLVED, that we, the messengers to the 190th annual meeting of the South Carolina Baptist Convention meeting in Columbia, SC, on November 16, 2010, call upon Christians to uphold the biblical standard of human sexuality against all onslaughts, celebrating sexuality as a divine gift to be exercised for the marital relationship and for procreation, but wholly within the command and law of the Lord, under whose holy love, redemptive justice, and righteous judgment all humans stand; and be it further

RESOLVED, that we humble ourselves and seek the face of the Lord, that He would become preeminent in our lives, and that the world would see a clear demonstration of His presence in our lives and in our churches; and be it further

RESOLVED, That we encourage South Carolina Baptist leaders to deal honestly and forthrightly with the Word of God teaching the subject of homosexuality in its intended context of sin; and be it finally

RESOLVED, That we encourage all believers to love and show compassion toward homosexuals and transgendered persons, sharing the Gospel of Jesus Christ, Who alone is able to bring true freedom from error and to set free all captives of sin (John 8:34 – 36).

founded in 1911 as Anderson College as a four year woman's college. Anderson's history goes back to 1853 when W.B. Johnson founded Johnson University in the city of Anderson. Rev. Johnson served as president of the South Carolina Baptist Convention for 28 years. He was the first elected president of the Southern Baptist Convention a post he held for six years. Fifty seven years later Johnson University became Anderson College. After raising \$100,000 and 32 acres of land they gave it to the South Carolina Baptist Convention with one stipulation - that it be a Christian College. Founders of Anderson College came from every denomination. Two leading Episcopalians suggested that since more Baptist in the area, it should be a Baptist College. Annie Dudling Mark became the first female college president in South Carolina. By 1990 a historical decision to return to four year status. It became one of the fastest growing colleges in the South. In 2002, a strategic plan was put into motion to develop Anderson substance and identity as one of the leading Christian colleges in the South. University status was established in 2006. Campus acreage quadrupled from 68 to 271, six graduate programs, enrollment increased approximately 56 percent from 1,608 to 2,511. A new library and three residency halls were constructed. We are currently working on a school of nursing. This past October the board approved our first doctoral degree, the Doctoral of Ministry, which will begin next fall. Over the last ten years the institution has advance a level of excellence to national recognition that makes it a leader among Christian colleges and universities. US News and World Report recognized Anderson as one of the top 21 universities of its type in the south. For three consecutive years, the magazine has placed Anderson in its exclusive list of what it calls the sixty eight up and coming universities in America. The Executive Board shall not have authority to control the other boards of corporations sponsored by the Convention, but shall maintain general care and responsibility for the work of these boards in the following manner: study annually their reports, interpret and apply the rules of the Bylaws of the Convention and the Business and Financial Plan of the Executive Board, make recommendations directly to these boards, and also make whatever recommendations to the Convention concerning them it may deem advisable.

2. While the messengers and the members of the Executive Board shall mutually respect the rights which the Articles of Incorporation and the Bylaws vest in the Convention in session and in the Executive Board, the Convention's directives to the Executive Board, not contrary to the Articles of Incorporation and Bylaws of the Convention and not invasive upon the rights of boards of trustees of the sponsored institutions, shall be carried out by the Executive Board.

The Executive Board's decision on appeal shall be communicated to the member or trustee and the secretary of the affected board.

REPORT OF EXECUTIVE BOARD TO SOUTH CAROLINA BAPTIST CONVENTION

Ed Carney, Chairman

**Report of
Executive Director-Treasurer
James W. Austin**

To borrow a line from Charles Dickens book *A Tale of Two Cities*, “these are the best of times and the worst of times.” In the eyes of many, these are the worst of times in that we are in a prolonged economic recession with no end in sight. We are in a time of great denominational flux brought on by the pressing issue of church attendance decline and the GCR report passed at this past year’s annual meeting in Orlando, Florida, which thus far has raised more questions than it has answered. We are a very divided country politically with no foreseeable hope of any unifying person or party on the horizon. In spite of the challenges we face on the economic, political, and even denominational levels, God is doing a great work in South Carolina and other states as well, for which we give Him praise.

In Matthew 16:18, following Peter’s confession that Christ was the Son of the Living God, Jesus said: “*On this rock I will build my church and the gates of Hell will not prevail against it.*” Prevail could be translated: to prove stronger than... gates of Hell will not overpower the church or gates of Hell will not keep the church out. Not only should the church prevail in its local settings but all through the ministries offered by its state convention. Your convention staff continues to see great response through ministries that strengthen and support the local church. We are so grateful for our churches that assist, pray for, and give advice regarding ministries that would be of value and relevance to them. We also appreciate the ministry that we have with our ministry partners here in South Carolina. There are many highlights worthy of noting related to ministries this year.

- This past Palm Sunday and Easter saw several churches giving testimonies of great response in baptisms at the conclusion of the God Plans for Sharing (GPS) emphasis which began in January.
- We are seeing record breaking attendance at youth summer camps and also large crowds at the Big Youth Thing event at Carowinds. The Carowinds event saw many decisions for Christ. However, because of a cloud burst that occurred simultaneous with the invitation, we were not able to get specific numbers; but we know there were a significant number of decisions made for the Lord.
- We are seeing a significant increase in those attending worship summits and also great response to AllState youth choir.
- The weekday preschool training event continues to have very strong attendance.
- The C.H.A.M.P.S. process continues to see incredible response in attendance, effectiveness, and now is seeing a development of a new and exciting option based on a combination of C.H.A.M.P.S., discipleship process training and church planter training.
 - The Aiken Association now has 14 churches going through this process. Three other associations are examining the possibility of embracing such an initiative as well. Millbrook Baptist Church in Aiken is assisting in this process.
- Our Discipleship Training process accelerated at Trinity Church in Easley where Michael Moller is pastor. Trinity serves as our training hub for this process and Trinity filled their June training session and maxed out their September session. Their January option already looks as if will be full as well.
- Collegiate work continues to grow. We thank the Lord for our newest ministry, the BCM at South Carolina State University, where seven students prayed to receive Christ during the first week of the school year. Collegiate workers are reporting record attendances at their weekly services; and we look forward to a great year of harvest and discipleship among students with many students involved in mission partnerships.

- There has been a significant increase in the number of church plants across our state. It appears that we will break last year's mark this year, especially in the areas of ethnic church plants, multiethnic plants, and unique demographic plants.
- We've seen dramatic increases in the use of White Oak Conference Center by South Carolina Baptists with a new record in attendance set in 2010.
- There has been a significant increase in the number of hits on the Web page of the state convention, providing valuable resources to our churches, church leadership, and ministry partners.
- There are new partnerships in missions related to work in Atlanta, Nova Scotia, and London that are growing in participation.
- Apartment Life Ministry continues to see significant increase as now six couples are working in apartment complexes and five are waiting for move in dates. Over 75 churches are working with Apartment Ministries.

These are some of the many highlights that we are seeing this year and anticipate seeing next year. Your staff stands ready to serve you. We give the Lord the praise for all that He is doing. We pray that the increases we are seeing in so many areas of work throughout the state will give indication that revival is just around the corner. We all need to pray and believe to that end knowing that even during the worst of times we can experience God's best!

Office of Public Policy (Joe Mack, Director)

Our goal is to develop and strengthen relationships with legislators, other elected officials, and newly elected representatives. We do this to encourage a relationship with Jesus Christ and to promote and ensure passage of bills to protect South Carolina's family-friendly environment and a positive view of Christian values. We also encourage our pastors and churches to become aware of, and involved in, changing the heart of our culture through promoting a Christian worldview in the public square. It is our desire to help people connect the dots between Christ and the ultimate goal of a Christ-centered culture.

Work as the liaison between SC Baptists and the SC General Assembly

Present the Baptist point of view to our lawmakers

- ***Gambling***: Although we stopped gambling expansion in 2010, we understand that several well-funded lobbying groups are already at work to bring back video poker and other gambling venues in 2011. South Carolina civic clubs will again lobby legislators to allow non-profit organizations (42,353) to hold casino nights and raffles. If groups could host three events per year (conservative estimate), there could be in excess of 127,000 gambling parties/raffles every year!
- ***Education***: We worked to pass the Religious Viewpoints Antidiscrimination Act to allow students to use religious themes and views in their assignments. The law further states students may organize prayer groups, religious clubs, *See You at the Pole* gatherings, or other religious gatherings before, during, and after school to the same extent that students are permitted to organize other non-curricular student activities and groups.
- ***Life Issues***: We worked tirelessly with legislators to pass a law to extend the abortion reflection period from one hour to twenty-four hours. This change means that a woman must receive factual information regarding all aspects of pregnancy, methods and risks of abortion, and information about resources for a free ultrasound. We continue to work for a Born Alive Infants Act to protect babies who survive abortions.
- ***Marriage***: We continue to work with legislators to end common law marriage. The Family Court community sees the need to end this practice but other attorney groups fight against it each year.
- ***Sexual Offenses***: We were successful in strengthening penalties for school personnel having sexual relations with students. We also supported a bill that requires registered sex offenders to provide information regarding any online accounts (curbing online solicitation/stalking).

Host annual legislative appreciation luncheon for members of the General Assembly

Although we invite the legislators and constitutional officers, many of the legislators bring their staff members. This is a time of encouragement and fellowship without talking about pending legislation. Three-hundred and fifty people attended this year.

Provide staff leadership for Christian Life & Public Affairs Committee

This committee studies today's moral, social and cultural trends and brings reports and recommendations to Convention staff. The CLPAC desires to help churches and associations through educational information on today's issues, primarily through emails and the Office of Public Policy web page. The CLPAC drafts and submits most of the proposed resolutions for the SCBC annual meeting.

Recommendation from the Executive Board

1. That the 2011 South Carolina Baptist Convention Experience Kingdom Life Budget of \$29,540,000 along with its recommendations as printed on the following pages, be approved.

**2011 SOUTH CAROLINA BAPTIST CONVENTION
EXPERIENCE KINGDOM LIFE BUDGET**

Recommendation 1: That the Convention commend to the churches the Cooperative Program as the wisest, most effective and efficient plan of giving to support our emphasis of Experience Kingdom Life. The South Carolina Baptist Convention recommends that we continue to honor and affirm the Cooperative Program as the most effective means of mobilizing our churches and extending our outreach and that designated giving to special causes is to be given as a supplement to the Cooperative Program and not as a substitute for Cooperative Program giving.

Recommendation 2: That the 2011 SCBC Experience Kingdom Life budget be \$29,540,000 which includes gifts through the Cooperative Program of \$29,400,000 and Cooperative Gifts of \$140,000, and the gifts be allocated as follows:

(1) Cooperative Gifts includes gifts from South Carolina churches restricted to all Southern Baptist Convention causes or all South Carolina Baptist Convention causes. These gifts are allocated on a pro-rata basis according to Cooperative Program section of the budget.

Recommendation 3: The Budget Committee recommends the suspension of the SC Cooperative Program Advance Plan which covers the period of 2008-2012 until such time as we are able to return to 2008 funding levels. The Advance Plan allocates 50% of all new Cooperative Program budget funds to the work of the Southern Baptist Convention. During this five year plan each increase in Cooperative Program funding will immediately allocate 50% to the SBC and raise the percentage given to the SBC. For 2011 the proposed budget will actually allocate to Southern Baptist Convention 41% and to the South Carolina Baptist Convention 59%.

Recommendation 4: That any budget gifts exceeding the budget requirements be allocated according to the normal Cooperative Program formula. For 2011 the proposed budget will actually allocate to Southern Baptist Convention 41% and to the South Carolina Baptist Convention 59%. This is a change to the recommendation from previous years which was as follows: International Mission Board 55%, North American Mission Board 25% and scholarships for SC participants in mission trips 20%. When the budget goal is exceeded, 80% of the funds will go outside of SC for IMB and NAMB.

Recommendation 5: That the Church Staff Retirement Plan administered by GuideStone Financial Resources of the Southern Baptist Convention be funded jointly from the South Carolina Baptist Convention section of the budget and with credits on deposit for this purpose with GuideStone. The Church Staff Retirement Plan provides retirement contributions to the individual accounts of South Carolina Baptist ministers and provides protection benefits in the area of life and disability. For a church to be eligible for its ministers to participate in the Church Staff Retirement Plan the church must have given in the previous year of the Convention's accounting records \$1,100 for each eligible and participating staff member to the SCBC Budget or \$1,100 for each eligible and participating staff member designated to the Church Staff Retirement Plan. (For example a church with two staff members would have to contribute $\$1,100 \times 2 = \$2,200$). A church experiencing financial difficulties and unable to meet the contribution requirements may request an exception to the policy under a hardship status through the Church Retirement, Insurance & Administration Office.

Recommendation 6: That special offerings for the benevolent institutions be continued, where it is consistent with the financial policy of the local churches, as follows: 1) first Sunday in each month for Connie Maxwell Children's Home; 2) annually on Mother's Day for the South Carolina Baptist Ministries for the Aging.

Recommendation 7: That the Executive Director-Treasurer report on a timely basis through the Baptist Courier cumulative gifts received from the churches and the allocation of the gifts as follows: 1) Total gifts to the South Carolina Baptist Convention Budget Gifts (which includes gifts through the Cooperative Program and Cooperative Gifts) at the end of each quarter; 2) Designations for Southern Baptist Convention and South Carolina Baptist Convention ministries after the conclusion of the calendar year; 3) Weeks of Prayer offering gifts for home and state missions after the conclusion of the calendar year; 4) Lottie Moon offering gifts for foreign missions at the conclusion of the fiscal year for the offering. All gifts will be processed in accordance with the instructions of the contributor without any deduction for expenses.

Recommendation 8: That the Executive Director-Treasurer forward all Southern Baptist Convention funds on a monthly basis to the Executive Committee of the SBC in Nashville, Tennessee.

Report of **Interim Chief Financial Officer** **Pamela S. Carroll**

While 2010 continues to be a period characterized by economic instability in the United States, South Carolina Baptists remain committed to supporting the Cooperative Program through their sacrificial giving. Despite financial markets in disarray, housing foreclosures in record numbers and unemployment at an historic high, during 2009, South Carolina Baptists continued to give, though, at lower levels.

	2009	% Variance from 2008
Total Cooperative Program Gifts	\$31,266,827	(7.07%)
Total Annual Cooperative Program Budget	\$33,925,000	Shortfall of \$2,658,173
Total Mission Giving	\$46,438,575	(7.88%)
Lottie Moon Christmas Offering	\$ 8,389,096	(10.56%)
Annie Armstrong Easter Offering	\$ 3,627,456	(5.44%)
Janie Chapman State Offering	\$ 1,814,913	0.43%
Total for Three Weeks of Prayer Offerings	\$13,831,465	(7.93%)

The 2009 financial records of the South Carolina Baptist Convention were audited by the independent accounting firm of Capin Crouse, LLP. The firm issued an unqualified or “clean” opinion indicating that the Convention records were in compliance with generally accepted accounting principles.

During 2010, key areas of work are:

- Working with staff to develop new financial reporting tools to more effectively evaluate the financial health of the South Carolina Baptist Convention.
- Working with staff to identify cost saving initiatives and expense control.
- Working with vendors to offer preferred pricing on office supplies and equipment to the Convention Ministries, Institutions, Associations and Churches of the South Carolina Baptist Convention.
- Assisting the Budget, Finance & Audit Committee in developing the proposed 2011 South Carolina Convention Experience Kingdom Life budget.
- Working on new Financial Policy and Procedures Manual for the Convention.
- Identifying methods to develop a paperless expense reimbursement system.
- Working with staff to monitor budget spending based on actual Cooperative Program receipts and other sources of income.
- Working with staff to determine guidelines for functional expense reporting.
- Working with staff to implement changes to move toward an accrual basis of accounting. The process began in 2007 to move from a cash basis of accounting to an accrual basis.

Childhood Ministry Group (Cindy Morris, director)

- Attended by 575 people from 74 church weekday education programs, this event sold out all rooms at White Oak. These education programs touch the lives of 6,816 children and their families.

- The workshop targets SC Baptist churches, but also draws participants from other states and other denominations. A participant from Georgia commented, “Your conference was the best, overall, we have ever attended.”
- We work with DSS to get all classes approved for continuing ed. credit, so that participants earn credit hours to meet the DSS licensing requirements for child care centers. This is a tremendous service to our churches, who otherwise would have to piece together teacher training from various sources all through the year to accumulate the required number of training credits.
- The Childhood Ministry Group’s Bible Drill consultant provides resources, training, and support for churches and associations that participate in Children’s Bible Drill.
- 197 children and 37 youth participated in the State Bible Drills after moving up through their church and associational drills.
- There is continued participation in Youth and High School Bible Drill, and at the request of churches, a new component has been added - Adult Bible Drill. Thus, people of all ages are engaged in learning the books of the Bible, developing skills in the use of the Bible, and memorizing Scripture through Bible Drill.
- This is a true multiplier ministry, as the State VBS Clinic trains associational leaders, who then train church leaders to teach and lead in Vacation Bible School:
 - 4 State training events, equipping 132 people, led to...
 - 60 associational events, equipping 2,940 people from 570 churches.
- Research is beginning to indicate a correlation between VBS training and number of salvations through VBS. Therefore, this year we escalated our attention and assistance to associations with a history of having no VBS training. As a result, 42 of our 43 associations held one or more VBS clinics this year.
- Serve as coach mentors through the CoachNet process.
- Equip and resource 21 Childhood Ministry Consultants who lead training events around the state as well as serving in their own churches and associations.

Report of Communications & Mission Development Team Roger Orman, Associate Executive Director

Conveying the message of South Carolina Baptists is the primary task of the team. From stories of churches and ministry partners making a difference for the kingdom of God, assisting with events such as the Great Commission Resurgence (GCR) meeting, the team has strived to provide excellent support to the convention leadership and staff. What a joy it is to serve alongside a team with a heart for the Lord and a desire to do whatever possible to make a difference for South Carolina Baptists. Over the year, I have enjoyed my meetings with the leadership of our convention and providing briefings for associational pastor conferences.

Data Processing Office (Lisa Coley, data processing office assistant)

- Annual Church Profile
 - In May, sent the SCBC leadership data to LifeWay for upload into Southern Baptist Directory Services.
 - For the 2010 ACP:
 - In August we hosted a training meeting in the SCBC building for associational ACP representatives.
 - The survey form, we understood, was due for a major overhaul in 2010 from LifeWay; but this did not come about. We did not adopt any significant changes for South Carolina. A major change has been unveiled by LifeWay for 2011, however.
 - An aggressive phone-calling campaign late in the ACP season was held to greatly increase the percentage of churches reporting. It was church-oriented and all callers were trained. It resulted in a 90 percent final response. This was the best since 2003.
 - Use of ACS Technologies OnDemand, a Web-based product, was discontinued in May.
- Use of Church Information Database (“Cid”) was discontinued in August.
- Customer Relations Management (CRM) software has been purchased and installed as the replacement for Cid. The Data Processing Office, Communications Office, and the Technology Group are working closely with Customer Effective, the hosting group for CRM, to ensure that CRM meets the needs of the SCBC. The majority of the SCBC staff has been trained and is currently using CRM.
- Once again, we obtained a considerable cost reduction from Percept, our present vendor, so we will continue using them for our demographics needs.

Print Services Group (Jason Cashatt, Manager)

- Print Services has purchased new digital press equipment that allows us to design and print full-color short run print jobs in-house.
- The new equipment lowered the cost per printed piece and has allowed us to “print on demand” thereby eliminating overrun waste (printing more than needed, just in case we need them.) Now we can print the exact number needed and do it quickly.
- The digital press has also eliminated some outsourcing of printed work.

- We've made the convention staff aware of our abilities and have brought many previously outsourced jobs in house including:
 - Signage
 - Banner products
 - Booklets
 - Stationery
 - Graphic Design
- Print Services has generated forms, envelopes, and promotional material to promote CP funded events.
- Work designed or printed in-house include materials for WMU Season of Prayer, WMU Annual Meeting, Cooperative Program, 2010-2011 Calendar and Directory, 2010 Annual Meeting Exhibit Guide, support material for summer camps, White Oak promotional materials, Evangelism materials, GCR Conversation , ads for *Baptist Courier*, and *FOCUS Magazine*.
- Print Services also provides maintenance and support for building copiers.

REPORTS OF INSTITUTIONS

Report of Anderson University Evans P. Whitaker, President

Introduction

This is big... really big!

In its Centennial year, U.S. News & World Report ranked Anderson the NUMBER ONE “Up & Coming” university in the nation of its type. The ranking lists the 68 forward-moving institutions in the country that U.S. News says “everyone should be watching” as models of innovation and advancement. On top of that, Anderson advanced four spots to rank among the 21 best institutions of its type in the South.

Anderson again fared extremely well in other national rankings. Here are just a few accolades:

1. Named to the 2011 *America’s Best Christian Colleges*.
2. Named to the 2010 list of *America’s 100 Best College Buys*
3. *Princeton Review* ranked Anderson among the **Southeast’s 133 top colleges and universities**.

All these affirmations confirm that Anderson is on track in its goal of becoming one of the leading Christian universities in America.

Record Enrollment

This year, our enrollment reached an all-time high of 2,511 students, which means that Anderson has grown by over 56 percent since 2002. This year, a total of 610 new students joined our student body making this year’s freshman class the largest ever. Overall FTE enrollment increased 11 percent over fall of 2009. Graduate enrollment increased to 200, which represents a 36 percent increase over last year.

Anderson is 100, and We’ve Never Felt Better!

The only requirement was that it be a Christian college

That’s what H. I. Hester’s history of Anderson says the founders stipulated as they offered \$100,000 and 32 acres of land to the South Carolina Baptist Convention to begin the new school in 1910-11. The founders were civic and religious leaders from the Anderson area led by Dr. J. D. Chapman, pastor of the First Baptist Church of Anderson and Mr. A. M. Carpenter, editor of the *Anderson Daily Mail* newspaper. The group included representatives of several denominations. In fact, the idea that Anderson be a Baptist college came from two Episcopalian gentlemen who helped raise the money. The community wanted a four-year Christian college for women, and South Carolina Baptists accepted the responsibility for its funding and administration.

Those were the same times in which such events as the founding of the *Boy Scouts* and the development of *Crisco Shortening* were announced. Around those days, Mark Twain died, Ronald Reagan was born, the world’s first elevator was installed in London, the first Indy 500 was run, the *Mona Lisa* was stolen from the *Louvre*, and the first transcontinental flight was flown – taking 82 hours from New York to Pasadena.

One hundred years later, Anderson University remains squarely focused on the mission its founders and the Baptist Convention agreed upon. Our covenant with South Carolina Baptists has remained strong and has only strengthened with passing time. That crystalline concept of being a Christian college from birth is both Anderson University’s *heritage* and its *promise*.

The early years were difficult. By 1920, the school boasted an enrollment of 277, but it was burdened with debt. In 1927, a young female faculty member – Dr. Annie Dove Denmark – was appointed president making her the first female college president in the history of South Carolina. She served 25 years, which remains the longest tenure of any Anderson president. From the start, she was a leader who meant business. She pledged \$5,000 (about \$60,000 today) from her own meager resources and in doing so kicked off a successful debt-retirement campaign. During the *Great Depression*, she led the school to retrench to junior college status and become co-educational as a matter of survival. Toward the end of her tenure, she made an impassioned plea that Anderson should never forsake its purpose of being a Christian college, without apology.

The years that followed the Denmark era saw both challenges and accomplishments. The campus was enhanced under each president, academic programs were expanded, and the reputation grew with each passing

year of one accomplishment after another. The story of steady progress that characterizes Anderson's history is a testimony to the saying, "In the building of a university, there is never an occasion for finishing touches. It's always a matter of laying new foundations."

In the late 1980s, the trustees made a historic decision to return the institution to its four-year status, a move that proved daunting but essential. A decade later, the institution began to emerge from the transformation with a new lease on its future. Not only would it become a four-year institution, it would become one of the fastest growing colleges in the South. By 2002, in comparison with other colleges, Anderson was healthy, competitive, and full of promise.

Since 2002, the story of God's blessing upon Anderson is nothing less than remarkable. A strategic plan was set in motion to develop Anderson's substance and identity as one of the leading Christian colleges in the South. It has since expanded its horizon to the entire nation. University status was achieved in 2006, campus acreage quadrupled from 68 to 271, six graduate programs were developed, enrollment increased approximately 56 percent from 1,608 to its present 2,511 students, and a new library and three new residence halls were constructed. Anderson began rising in the national rankings in 2003 and has risen every year since. It is now recognized across the nation for its innovation, advancement, and commitment to its founding purpose of Christian education.

Even so, it would be less than transparent to not report that our endowment severely lags behind that of our competitor institutions, making continued *Cooperative Program* support from South Carolina Baptists essential. Higher education finance experts suggest that a university's endowment should be, at minimum, twice its annual operating budget in order to be in a prudent zone of financial security. Under that formula, our endowment is only one-fourth the size it should be, and that puts the school at great financial risk. We are financially sound for the time being, but we are far from being financially secure. One season of significantly decreased enrollment could be perilous. We will continue to do all we can to prevent such an emergency, but ultimately, we must acknowledge that our under-funded endowment is perhaps our greatest weakness.

The essential financial support South Carolina Baptists provide undergirds Anderson's mission of authentically excellent Christian higher education. Without it, the cost of attendance would no longer be affordable for many students who enroll today precisely because they want a Christian education. Their alternative would likely be a tax-subsidized secular university.

For about \$1.5 million annually, thousands of South Carolina Baptists help finance this wonderful ministry of Christian higher education and enhance our short-term financial security. Through AU, Baptists give students a chance to mature – *really mature* – in their Christian worldview, a chance to explore God's calling under the influence of caring and well-informed Christian faculty and staff mentors, and a chance to prepare for lives of Christian service and leadership. And it all takes place at a *real* Baptist university.

As a Baptist university, Anderson educates and equips future pastors, missionaries, youth pastors, evangelists, worship leaders, church staff, and denominationally committed lay leaders who are essential to carry on the work and priorities of our state and national Southern Baptist denomination. Anderson's distinguished *College of Christian Studies* offers both undergraduate and graduate programs that are distinctively Southern Baptist, Biblically sound, and educationally practical.

Because Anderson is one of America's few remaining evangelical Christian universities, it is a literal mission field for sharing the Gospel with students who come from all walks of life. Here, required Chapel still takes place every week. Christian organizations flourish and Bible studies abound. And each year considerably more than a few surrender their lives to Jesus Christ as Savior and Lord. It happens on a breathtaking campus where administrators, faculty, staff, and fellow students are energized to share the amazing story of who God really is, and His gift of eternal life.

Today, we believe our founders would be ecstatic about the fact that for a century Anderson has remained true to its purpose – a Christian university, without apology. Because you see, at Anderson, while the main thing we do is teach, the *most important thing* we do is bear witness to the saving Grace and unchanging Truth of the Lord Jesus. It's a place where you can get an education to last a lifetime, and gain the *only* thing that lasts *forever*. On our 100th birthday, we have much to celebrate indeed.

Soli de Gloria – Glory to God Alone!

Report of Charleston Southern University Jairy C. Hunter, Jr., President

The Lord continues to bless Charleston Southern University. New undergraduate student enrollment exceeded goal by 5% this fall. Our total enrollment goal is 4,000 students by 2020. Our vision is to be a Christian university nationally recognized for integrating faith in learning, leading and serving. All faculty, staff and coaches are professing Christians.

Christian businessman, Mr. S. Truett Cathy, founder, chairman and CEO of Chick-fil-A, Inc. gave the May, 2010 commencement address. Cathy encouraged graduates to involve God in all decisions.

A new Music and Worship Leadership major was implemented this fall with three core areas of emphasis: music, worship and Christian studies.

Charleston Southern is grateful to South Carolina Baptists for the \$1.9 million received through the Cooperative Program. Cooperative Program funds are essential and used for Baptist student scholarships. CSU provides an additional \$5.9 million for a combined total of \$7.8 million in financial aid to Baptist students.

Quick Facts:

- Over the past year, faculty, staff and students shared Christ across the United States and in 13 countries.
- The university celebrated 451 decisions for Christ on campus this year. At our first Fellowship of Christian Athletes event of the semester, 50 students made commitments to follow Christ. Forty-eight of those attended a discipleship meeting later that week.
- Charleston Southern has been named to the John Templeton Foundation's Honor Roll of Charter Building Colleges and also named one of America's 100 Best College Buys.
- Weekly ministries and Bible studies on campus include Baptist Collegiate Ministries, Elevate, Campus Crusade for Christ, the Fellowship of Christian Athletes, Campus Outreach, Catalyst, Disciple Now Weekend, Prison Fellowship, Praise Band, New Vision and One Accord Gospel Choir. The purpose of campus ministries is to: reach college students with the gospel (Romans 1:16); raise college students in the scripture (2 Timothy 3:16-17); and release college students to change the world (Matthew 28:18-20).
- The CSU family is involved in mission work in the local community through organizations such as Extreme Makeover, Habitat for Humanity, North Charleston Clean Cities Sweep, Souper Bowl of Caring, Crisis Ministries and Convoy of Hope. As a ministry sponsor for this year's "Convoy of Hope," CSU provided money, resources and volunteers to this outreach ministry. Over 5,000 low income people were ministered to and among the items distributed were 3,000 Bibles. The greatest outcome of this event was that 300 people accepted Christ!
- The CSU family teamed up with Baptist Campus Ministries for *Downtown Community*, an Easter celebration in Marion Square Park. The CSU Elevate Band performed live for hundreds of college students and the local community.
- In February, CSU hosted the third annual *Souper Bowl of Caring* with Summit Church. Attendees raised money and collected food items to help *Celebration Station*, a community ministry in North Charleston.
- The University sponsored the Resolution '10 event on campus to minister to the minority community in the Charleston area.
- CSU's One Accord Gospel Choir joined gospel choirs from Morris College, USC and the College of Charleston to fill the Lightsey Chapel Auditorium for an *Extravaganza* concert in April.
- A new ministry, *Solomon's Porch*, helps students find Biblical answers to life's questions.
- Nearly 100 students worked in conjunction with AmeriCorps Campus Compact to organize Sleep-Out for the Homeless, a student-driven service project to simulate homelessness. Students raised funds to benefit the *Celebration Station* homeless center in North Charleston.
- For the second time, Charleston Southern became a sole partner with Habitat for Humanity of Berkeley County to build a home for a needy family. CSU Board of Trustee member, Johnny Ward and his family generously donated the land for the project and provided funding for the house. Ward said, "The Lord's been good to us. We've got to do our part to try to help this world be a better place. CSU students will see this miracle happen."
- The University worked with local service organizations such as Habitat for Humanity, Compassion International, Water Missions International, Convoy of Hope, and Miracle League, as part of the three-day

Love Awakening worship program on campus over the summer. The program gave students the opportunity to explore some of the service and mission opportunities available at CSU. CSU Junior, Koryn VanDyke, commented that CSU freshmen were leaving home for the first time and their first encounters on campus were with “people who have hearts that are ready and willing to serve; people that are changed by His light.”

- CSU sent three interns to Student Leadership University (SLU), a Leadership 101 Conference designed to equip middle and high school students with leadership skills based on a Christian Worldview.
- Charleston Southern hosted LifeWay’s Mission-fuge (M-Fuge) camps for the tenth year. This year saw the participation of 2,539 teenagers from around the nation. These young Christians raised \$24,428 for missions and provided assistance to needy and elderly people in the local area. The work that God continues to do through Fuge is truly a blessing.
- Trinidad native and CSU alumni, Dr. Kirt Caton, was a guest speaker during opening chapel. Caton challenged the CSU family, “keep your faith in God and believe that with God anything is possible.”
- After volunteering through East West Ministries International to teach in East Asia, recent CSU graduate Brittany Beckham e-mailed President, Dr. Jairy C. Hunter, “CSU not only gave me an amazing education, but it helped me grow in my walk with the Lord. I left CSU loving our God more than when I entered CSU.”
- CSU launched a Master of Science Nursing program last fall. This program is offered completely on-line and addresses the shortage of nursing faculty across the country.
- A fundraising campaign is ongoing for the 26,000 sq. ft. Christian Leadership Building. The building is estimated to cost \$5.5 million of which \$2.9 million is on-hand to date. When constructed, the building will house a Conference Center, three Lecture Halls and offices for faculty who are committed to the University’s vision of integrating faith in learning, leading and serving.
- CSU was named a Military Friendly School for 2011 by G.I. Jobs magazine, ranking them in the top 15% of all colleges, universities and trade schools nationwide. This is the second consecutive year the University received this award.

Report of North Greenville University James B. Epting, President

When You Cannot Explain It, You Know It Is God!

This is a difficult time economically. Many universities and colleges are struggling and see no end to the continual economic challenges. Many endowments at most institutions have decreased by 25 percent due to the global economic downturn. Also, students' families are having to do more with less financially and at most schools tuition and fees provide at least half of their revenue. The gifts which make up more than 20 percent of institutions' budgets are at an all time low. In addition most universities and colleges are having to reduce their budgets, reorganize employee responsibilities, eliminate positions, provide more discounts for students, increase the cost of tuition, room and board, discontinue providing health care and retirement benefits, and basically focus on surviving instead of striving.

At North Greenville University we continue to have record enrollments, build new facilities, maintain a lower cost of tuition, room, and board as compared to most universities and colleges, provide more scholarships, receive adequate gifts, hire new staff and faculty, give raises, cover the cost of health and retirement benefits, begin new academic and athletic programs, improve the growth of our endowment, and operate within the budget.

When you cannot explain it, you know it is God.

We have just completed the renovation of the old Tigerville school which houses our Theatre Department and the constructing of a new theater for plays year-round. Our Drama Department will be second to none. Also, the grading has begun for the Craft/Hemphill World Evangelism, Missions, and Christian Worldview Center and the Todd Prayer Chapel. We are anticipating the completion of these two facilities by August, 2011. In the next few months we will construct a 500 seat balcony in Turner Chapel to accommodate our increase in enrollment and our need to have all our students in Chapel every Monday and Wednesday at 10:00 a.m. This academic year brought a significant change to the campus. The middle of campus is now pedestrian friendly. The walkways to the Administration, Chapel, Fine Arts, Library, Dining Hall and Science buildings are brick pavers with no vehicle interference. We now have a beautiful as well as safe area.

Recently I read "A vision without action is a daydream. Action without a vision is a nightmare." At North Greenville University we are executing the vision. In spite of a challenging economic environment, God is performing miracles on our campus each and every day. We are indeed doing what we love most – providing a quality education in a biblically sound, Christ-centered environment.

Campus Ministries

Since June 1, 2010, 152 people have received Christ on the NGU campus. During the eight weeks of Centrifuge, 110 campers received Christ as their Lord and Savior. Since NGU students arrived on campus for the fall term, 40 students have received Christ. We thank God for his continuing work among our students.

This summer we had our highest enrollment for eight weeks of Centrifuge/M-Fuge combination camps on our campus. North Greenville hosts more Centrifuge/M-Fuge campers than any site with the exception of Ridgecrest Conference Center. The M-Fuge campers also impact the greater Greenville community through their ministry and service projects. These camps continue our institutional mission based on the Great Commission of our Lord to reach others for Christ and encourage believers to grow in their faith pilgrimages.

As has been our practice since 1993, NGU hosted a crusade in partnership with the North Greenville Baptist Association to kick off the school year. Dr. Frank Cox of First Metro Church in Atlanta was the speaker on Sunday and Monday evenings. Evangelist Tom Whisnett from Tennessee was the speaker on Tuesday evening. Clayton King of Crossroad Ministries Worldwide closed out the crusade by speaking in chapel on Wednesday morning and the last night of the crusade on Wednesday night. Music was provided by the ministries of local churches and NGU's Joyful Sound for the week. Thirty-three students received Christ during the crusade.

Our nine campus ministries interns and 80 chaplains arrived a week before classes began for training and fellowship. These students are an integral part of our campus ministry team, providing ministry, encouragement, prayer, and support for our students. The interns assist in planning, carrying out, and evaluating every area of

campus ministry. Many of the chaplains lead Bible studies, prayer groups, and accountability teams. These students are selected through an application and interview process.

The fall chapel series is off to a great start. This year we are exploring the theme of “Becoming a Difference Maker.” Our students are again packing out Turner Chapel for these services. Currently we are making plans to expand the chapel once again to accommodate our growth in enrollment. Chapel meets every Monday and Wednesday at 10:00 a.m. throughout the semester. It is required for all full time students. Students share leadership roles through praise bands, choirs, testimonies, drama, and occasionally preaching.

Joyful Sound begins the 33rd year ministry with 3 teams, alternates, and a band involving 52 students. Teams will worship in more than 75 churches and other settings this fall. Churches in the following associations have been scheduled: Waccamaw, Beaverdam, North Greenville, Broad River, Greer, North Spartan, Saluda, Greenville, Piedmont, Lakelands, Spartanburg, Union County, Columbia Metro, Laurens, Chesterfield, Ridge, Pickens-Twelve Mile, Aiken, and Lexington. Joyful Sound will also sing at the West Virginia Baptist Convention Pastor’s Conference and Annual Meeting.

Every Thursday night at 7:00 p.m., BSU conducts a worship experience in Turner Chapel. This provides students an environment where they can fellowship with one another and worship together through music and Biblical teaching. Weekly attendance for the first two meetings has been close to 400. Now the challenge is getting those in attendance plugged in to ministry. The method BSU uses to accomplish that is our Impact Teams. Students are filling out their applications now and the teams are being prayerfully put together.

We are excited to welcome 14 new MKs (missionary kids) to our NGU family. These special students add so much to our campus life and provide us with natural networks through which we can partner for missionary advance. The 14 new MKs join the other MKs already on our campus to give us a number approaching 60! We thank God for sending these students our way, and we are grateful for the missional impact that they have on our campus life.

North Greenville University student mission teams will be traveling the world again this year over Christmas Break, Spring Break and the summer. Teams will be traveling to China, Ecuador, Greece, Honduras, Israel, Thailand, Mexico, New York City, Romania, Uganda, and Washington, DC. They will be involved in a variety of ministries including ESL, sport ministries, youth and collegiate ministry, VBS, worship and discipleship ministries, church planting and medical ministries. Regardless of the platform, our goal is to share the good news of Jesus Christ with as many people as possible, wherever God sends us.

Enrollment News

Among the new students are 53 Honors Program scholars, a record number for the University, even with higher entrance requirements. Since 1996 the program has grown from 19 students to 210 students. The University also welcomed 94 Palmetto Fellows Scholarship recipients, who represent the very best academic students from across South Carolina. In addition, more than 120 students anticipate graduation this December.

Finances

On January 21, the Board of Trustees approved a \$40,246,956 budget with only 5% increase in tuition, room and board. We want to remain the most affordable private, accredited, Christian four-year university in the Southeast while keeping Christ at the head and center of all our thinking and conduct. The cost for the 2010-2011 school year is as follows: tuition per semester - \$6,410, and the room and board per semester - \$3,755.

Report of *The Baptist Courier* Don Kirkland, Editor and President

The Baptist Courier continues to receive strong support and widespread approval for its ministry of information and inspiration.

Established in 1869 and adopted as the official newspaper of the South Carolina Baptist Convention in 1920, the Courier is in the news business, of course. But it also is in the Good News business, telling the story of how South Carolina Baptists are working together to fulfill the mandate of the Great Commission and serving as a tool for assisting church members along their individual journeys of faith as well as the collective faith journey shared by all members of the convention's 2,100-plus churches.

Finances

The financial health of the Courier is good. We are challenged, however, by the rising costs of printing and mailing, accompanied by anticipated loss of revenue due to the decline in circulation experienced by both the Baptist newspapers and the secular media. We continue to be confident with the handling of our long-term investment funds by our UBS investment partners.

Circulation

With more than 61,000 Baptist Courier subscribers (and an estimated extended readership around 180,000) our circulation is robust. The Baptist Courier ranks behind only three state Baptist newspapers – Alabama, Mississippi and Oklahoma – in circulation. Closer to home, the Courier has more subscribers than do the state Baptist papers of North Carolina, Georgia, Tennessee and Florida.

Because the Courier enjoys a budgetary relationship with the South Carolina Baptist Convention, and because our missions are inextricably interwoven and mutually dependent, we are confident that circulation of the Courier will remain strong for years to come.

Nevertheless, we strive to be flexible and responsive in a changing marketplace, and we continue to explore methods for wider distribution of the Courier. A paid circulation model, by definition, excludes those who choose not to participate. Ideally, the Courier would be available free to every South Carolina Baptist. While we cannot afford to do that, we have for some time mailed a complimentary subscription to pastors of nonsubscribing churches. We have expanded the free-distribution list to include key church leaders – Sunday school director, deacon chairman, and WMU director – for churches that don't subscribe. (The number of free copies we are permitted to mail is limited by U.S. Postal Service regulations.) Through this expanded outreach, in addition to fulfilling our mission of informing the largest possible number of South Carolina Baptists (especially key church leaders) of Southern Baptist life and work, we are forming partnerships with churches that might later become paid subscriber relationships.

News by and for South Carolina Baptists

The Baptist Courier continues to emphasize news about and of importance to South Carolina Baptists. The majority of our stories are related to South Carolina Baptists. Through "Showcase" photos featuring ministry efforts and church growth, and through the "Crossing Carolina" briefs about pastoral and staff changes, The Baptist Courier highlights the work of the local church.

When editorials and columns written by South Carolina Baptists are added to the total, the percentage of South Carolina Baptist-related items easily surpasses 75 percent. That means the vast majority of each issue of The Baptist Courier is devoted to news from South Carolina Baptist churches, their associations, the state convention and its universities and benevolent institutions. Much of this content is unique to The Baptist Courier and not available in any other publication.

Growing Online

The methods by which people receive and process information are constantly evolving. More people are choosing to get their news online, a trend that shows no signs of abating. The Baptist Courier is committed to

utilizing the Internet, e-mail, text-messaging and other emerging information technologies to fulfill our mission to make our stories available to every South Carolina Baptist.

We include all the news content of our printed issue in our online daily edition, BaptistCourier.com. In addition, because we are not bound by space limitations online, we regularly post content to our online edition that doesn't appear in our printed version.

BaptistCourier.com continues to post gains in readership. The online edition netted, on average, 14 percent more unique monthly visitors in the first eight months of 2010 (12,102) than in 2009 (10,613). The average visitor viewed 20 pages. The most popular section of the online edition continues to be the classified ads page, which attracted more than 52,000 viewers in the first eight months of 2010. Other popular sections, in declining order, were: home (default) page, news, features, opinion, "Whistling at Snakes," "Crossing Carolina," letters, obituaries and "South Carolina Showcase."

Other Important Facts

- Nearly three of every five South Carolina Baptist churches have a paid subscriber relationship with the Courier. The remaining churches receive complimentary subscriptions for their pastors and key leaders. (If you know of a pastor who is not receiving a paid or complimentary subscription, please contact us at 1-888-667-4693 or subs@baptistcourier.com.)
- More than 80 percent of Courier readers receive the newspaper through the Church Family Plan, which is among the lowest priced subscription plans of our state Baptist papers. Any South Carolina Baptist church, regardless of size, qualifies for our lowest rate by sending the Courier to every active family.
- Through the trial subscription plan, any church can send the Courier free to every family for three months. To sign up, or to request information, visit BaptistCourier.com or call 1-888-667-4693.

A Culture of Cooperative Ministry

The Baptist Courier values its relationship with the South Carolina Baptist Convention and the Southern Baptist Convention. Like them, the Courier wants to reach the world with the life-changing gospel of Jesus Christ and to be an ally of both the SCBC and the SBC in Great Commission ministry. It must always be our aim to inform the minds of our readers, but we also must influence their hearts in the ways that are available to us through Christian publishing.

The Baptist Courier is eager to be an active and helpful partner with other institutions of the South Carolina Baptist Convention. For example, each year the Courier provides journalism scholarships at our three Baptist universities: Anderson, Charleston Southern and North Greenville, and provides opportunities for students to receive academic credit through internships at The Baptist Courier. The Courier also gives its annual Horace Sims Award at North Greenville University to honor the former pastor, convention president, parliamentarian and Courier columnist to recognize academic excellence in the field of Christian studies at the school.

Through news and feature stories, the Courier consistently gives support to the missions endeavors of the South Carolina Baptist Convention and to a variety of other ministries performed by the convention staff in helping SCBC churches achieve success in their own ministries.

The Baptist Courier will continue its best efforts to serve the Lord as a denominational newspaper, remaining true to its role as a Cooperative Program ministry supporting the goals of Experiencing Kingdom Life in South Carolina and Empowering Kingdom Growth throughout the Southern Baptist Convention.

Report of Baptist Foundation of South Carolina Barry B. Edwards, President

“The earth is the LORD’s, and everything in it, the world, and all who live in it...” (Psalm 24:1 NIV)

The Foundation is celebrating sixty years of ministry this year! What a wonderful history we’ve had and what a bright future we’re anticipating! I follow a long line of outstanding Foundation leaders and I certainly have big shoes to fill. Every prior leader of the Foundation incorporated new ideas to enhance the ministry of the Foundation. As I take the reins as the Foundation’s seventh President, we will again embrace some new ideas and strategies. I believe that every phase of the Foundation’s past has been designed by God to grow our ministry and I believe that our future progress is in God’s hands. May He receive all the glory!

I joined the staff of the Baptist Foundation of South Carolina on February 22 of this year. I know that my life will never be the same. Being a lifelong Baptist, I thought I knew almost everything about Baptist ministry. I have found that there is much more ministry taking place in our state, nation, and world than I had realized. I now see God’s hand working in our denomination from a new perspective.

My prior employment history was mainly in fundraising. I worked with large non-profits and helped them raise funds for specific purposes. In the secular world, most often people give THEIR money to support THEIR cause. It’s different at the Baptist Foundation. I’ve found that clients of the Baptist Foundation know what Psalm 24:1 so clearly tells us... *The earth is the LORD’s, and everything in it!*

I’ve always supported my church and I’ve always been a tither. That’s what good Baptists should do. But, as clients of the Foundation have shared their stories of giving, I’m constantly reminded of God’s plan for our blessings. God owns more than a tithe... He owns it all. We’re not the owners. We are simply the managers. The ministry of the Foundation exists to help all experience the blessing of Christian generosity. My prayer is that all Christians will take Psalm 24:1 to heart and remember that we’re here to honor God with our lives and with our blessings.

About Our Ministry

The Baptist Foundation exists to share with each generation the importance of making preparations so that the next generation and generations to come will be able to have the resources to spread the Gospel message of salvation. Many people have never considered the fact that a gift from their estate may be the largest single gift to ministry that they will ever be able to give. When approached with the concept of tithing their estate to provide future funding for their church or other ministry cause, most people are enthusiastic. To realize that they might be able to leave a gift of significance to help others is a blessing. As they consider that an endowed gift will provide a way for them to continue to give annual income to their ministry cause long after they’ve gone to be with the Lord, they are even more enthused!

Because of the provision that many of our friends have made for ministry causes in their estate plans over these 60 years of ministry, the Baptist Foundation of South Carolina has been able to distribute over \$51,000,000 to primarily South Carolina Baptist ministries. Most of our annual distributions are from endowment gifts that will continue to support the Lord’s work until He returns! Because of those that had the foresight to share their resources, either in life or through their will, many ministries are being blessed today.

Leaving a legacy of faith can be accomplished through:

- **Bequests in wills.** A percentage, such as a tithe, designated for a church or other ministry can make a huge impact.
- **Charitable living trusts and gift annuities.** These instruments pay life income to individuals and eventually provide for Baptist causes.
- **Donor Advised Funds.** These funds provide opportunities for giving today and for choosing how to disperse those gifts later.
- **Endowment contributions.** Gifts of any amount can be made in memory or honor of a loved one.

The Foundation also provides low-cost, competitive investment services for South Carolina Baptist churches and ministries. Through prudent investment practices and quality investment instruments, the Foundation is able to help these ministries earn income on their excess savings funds so that they can grow those dollars for future ministry purposes.

Many people are under the impression that all of the funds under management at the Foundation belong to the Foundation to support its ministry. This is far from accurate. The majority of the funds (95%) held by the Foundation are permanently restricted funds earmarked for OTHER ministries to provide those ministries an annual income stream that will strengthen their impact for Christ.

2009-2010 Highlights

The stock market decline that began in 2008 continued until mid-March of 2009. Since that time, the market has experienced some recovery. The economy, however, is still suffering. In spite of this, the Foundation, through prudent investment management practices and sound policies, continues to provide many resources for primarily South Carolina Baptist ministries. During the past fiscal year, the Foundation:

- Distributed \$1,951,024 to primarily South Carolina Baptist charitable beneficiaries.
- Distributed an additional \$892,870 to individual living trust beneficiaries from trust accounts, most of which will eventually become endowments.
- Awarded 16 grants totaling \$43,400 for Kingdom growth projects across our state.
- Awarded \$13,100 in scholarships to 72 students, with the majority of those funds going to students preparing for full-time Christian service.
- Maintained our operating budget with no request for increase from Cooperative Program funding for the year 2010. Since our inception, the Foundation has returned over \$5.76 to primarily Baptist causes for every \$1 allocated to our ministry through the Cooperative Program.
- Hired a new President to replace Weldon F. Fallaw, who served the Foundation faithfully for 28 years.
- Received a clean annual audit with no reportable conditions and maintained membership and good standing with the Evangelical Council for Financial Accountability (ECFA).

As of March 31, 2010, the total fair market value of assets held by the Foundation was \$79,945,408, a 22% increase over the prior year end value. This healthy increase is evidence of a recovering market and we are thankful. Economic recovery has been relatively slow and many individuals and ministries are suffering. We need to continue to be in prayer for those impacted.

Future Plans

In the coming year, our main priority will be to increase the Foundation's visibility so that we can impact more lives through resources provided for ministry partners. Several initiatives are already underway. During our new fiscal year, we will:

- Implement 60th anniversary celebration plans to include events, new programs, and advertising to bring attention to our strong history of service and ministry.
- Redesign our website to provide more information in a more attractive, user-friendly format.
- Provide our trustees with more updates about our ministry and education about its services through monthly communications.
- Establish an "Ambassador" program to appoint volunteers from across our state to share the Foundation's story in their churches and communities.
- Redesign our newsletter to attract more reader interest.
- Actively pursue new opportunities to educate our partner institutions, associations, and churches about ways they can increase funding through planned gifts and other sources.
- Increase our personal contacts to ministries across our state.
- Seek new ways to enhance our scholarship and grant funding programs.
- Maintain a clean audit opinion as well as membership in good standing with the Evangelical Council for Financial Accountability (ECFA).
- Continue to provide superior service to our ministry partners.

The Foundation's ministry is far-reaching. We touch churches in all South Carolina counties as well as missionaries serving around the globe. As we consider Psalm 24:1, let us not forget the last part of the verse... *the world, and all who live in it*. God created us to bless others and bring others to Him. God created everyone in this world, both yesterday, today, and tomorrow, to be His child. His purpose for those of us who know Him is to impact others so that they can know Him.

There is so much untapped potential for sharing Christ if we'd only be willing to use the resources that GOD owns and that He has blessed us with to manage. Through estate giving, we all have an opportunity to be a

blessing to our families and to those who don't know the Lord. It's simple and it's needed. Have you been blessed so that you can bless others? The answer is clear... *"The earth is the LORD's, and everything in it, the world, and all who live in it..."* (Psalm 24:1 NIV) What will you do with the portion that the LORD has provided for you to manage?

Report of Connie Maxwell Children's Home Ben Davis, President

In Acts 1:8, Jesus says we are to be witnesses in Jerusalem (our home area), Judea (our state), Samaria (our nation), and to the ends of the earth (our world). With this in mind, Southern Baptists initiated the Cooperative Program in 1925 to provide ministry support for all these areas. The Cooperative Program (CP) has been, and is, a major benefit to ministries here in our state as well as those in our country and around the world. The fact that this program is now 85 years old certainly does not mean it is outdated or no longer relevant. Just the opposite is true. Because of the CP, literally tens of thousands of ministers have received their education at our colleges and seminaries. Hundreds of thousands of children and seniors have been assisted through children's homes and aging ministries. Numerous other programs and outreach ministries have assisted people from all walks of life. First and foremost, these agencies, institutions, and ministries have, in their own way, been "witnesses" bringing men and women, boys and girls to the saving knowledge of Christ.

We at Connie Maxwell want to thank SC Baptists for their support and partnership with us through CP giving. When individual Baptists give their tithes and gifts to their churches, the churches send a portion of this to the state Convention through the Cooperative Program. From these funds, approximately four cents of each dollar comes to Connie Maxwell. This amounts to almost 12 percent of our operating budget each year. The remaining 88 percent comes primarily from direct church gifts, from individual donors, and from our investment income. We receive very little money from children's families or from the state; therefore, most of our income is a faith-based donation model similar to that of churches. The CP helps to provide scholarships that allow children to get assistance from Connie Maxwell.

We need and depend on Cooperative Program gifts to continue our ministry to boys and girls at the same level Baptists have always expected from us and that children deserve. We trust that, as we all pursue ministry efforts around the world and in pioneer areas of our country, we won't forget or de-emphasize the Jerusalem and Judea ministries gifts. Many of our children come to us with little or no church backgrounds, and our efforts allow us to introduce our Christian faith and be the "witnesses" Christ tells us to be. A large number of the children are baptized as believers here at Connie Maxwell and then take their new-found faith to others in their families. Many parents, grandparents, sisters, and brothers are "led by little children" in this missions effort to reach the lost.

With constant reduction of the already small amount of state money we currently receive, and with fewer donations from individuals because of the dire financial problems many are having, we depend on the CP gifts and our endowment as never before. These endowment funds have come primarily from estate gifts left by caring donors over the years which are invested to provide the necessary funding for children who come with no money resources to assist in their care. Thankfully, it has developed into a large account and must remain so if we are to continue this work that God has ordained. If the endowment corpus is ever depleted, Connie Maxwell will need to reduce its service and cut its ministry drastically. That is another reason CP giving is so important and why we are so thankful to be a part of this needed and important program of united sharing.

In James 1:27, NIV, the Bible says, "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." This mandate is followed daily as Connie Maxwell looks after "orphans," both those who have no parents and those who are "orphans of the living." We also are assisting "widows" since most of the children who come to us are from families where death or abandonment by fathers has caused single-parent homes.

When boys and girls are placed at Connie Maxwell, they are from different backgrounds with widely differing needs. Some have been abused, others basically abandoned, and almost all have been neglected in various ways. In some cases, the children are loved enough by their parent(s) that they are placed with us because the family just cannot take care of them. Whatever the reason, our trained, caring staff takes the children in to share their love

and teach them about families. We, of course, provide proper shelter, food, clothing, medical, and educational needs; but we also offer safety, security, stability, and an opportunity for salvation, as we teach them about their Savior. These children all come with no money stream, but are never turned away because of that. They must have, though, the help of Baptists and others in our state who care about them and want to continue to provide for them through “scholarship” giving.

- Connie Maxwell’s operating budget for 2010-11 is \$8,147,000.
- We expect to receive about 12 percent of that from CP giving through the Convention.
- Sunday School, Vacation Bible School (VBS), and direct church offerings provide about 10 percent;
- Less than six percent comes from state payments for children placed with us;
- Less than one-half percent comes from family members of the children; and
- Most of the remainder comes from individual gifts and investment income.
- Over 1,400 people gave approximately 9,000 hours of volunteer service to us this past year.
- Over 3,000 young people joined Connie Maxwell students at a Christian youth rally on our farm.
- Over 15,000 people visited the Greenwood campus for our special three-day Christmas event.
- Around 600 former students and their family members came “home” this year for the 34th biennial homecoming reunion.
- Our main headquarters and largest campus is in Greenwood, SC, with satellite campuses in Mauldin, Florence, Orangeburg, Chesterfield, and a referral and counseling office in Summerville.
- We will work with over 200 children a year and at any time can have up to 134 in residence at our locations.
- Connie Maxwell has a foster family program where we recruit and train foster families for possible placement of some children in our care.

South Carolina Baptists have been a vital part of our support team since 1892, providing assistance to children in need. Over 16,000 boys and girls have been helped during these years, and thousands of salvation experiences have occurred because people and churches care about the welfare of children.

Please keep our ministry, our students, and our staff in your prayers. We know that God’s leadership and guidance are the most important elements of our ministry, and we appreciate your prayers and your caring support.

Report of South Carolina Baptist Ministries for the Aging, Inc. Tom Turner, President

For more than 50 years, South Carolina Baptists have gracefully served so many godly servants during the senior years of life. As a ministry partner of the South Carolina Baptist Convention, Martha Franks and Bethea Retirement Communities are witnesses of Jesus Christ and a place where ministry and missions work is the core of our activities.

As it has been with many ministries, 2010 has provided many challenges for South Carolina Baptist Ministries for the Aging, Inc. (SCBMA) due to the difficult economic situation. Unfortunately, many senior adults are delaying the decision to move into a retirement community due to real estate and financial portfolio obstacles. Even though the ministry has faced decreased funding and reimbursements, it is more than 90 percent self-sufficient through responsible stewardship and fiscal controls. We give thanks for the 10 percent of the ministry budget SC Baptists faithfully invest in Martha Franks and Bethea through Cooperative Giving. With the 10 percent of SC Baptists support, we are able to maintain two ministry and mission bases that are 100 percent Southern Baptist.

The focus over the past year has been to continue to improve the ministry's operation. With a thoughtful and devoted Board of Trustees, there have been several changes implemented to this end:

- Newly formed Board of Trustee Audit Committee, with successful completion of the 2009 Ministry Audit and recommended action steps.
- Revitalization of Business Office staff and financial policies.
- Rewritten resident policies and practices, with the new addition of a Home Office Director of Clinical Services and Compliance.
- As both of the community's physical plants continue to age, it is becoming more important that there be continued capital improvement efforts to ensure the upgrading of the physical plants. This year we have completed beautification projects in Bethea's Health Care residencies and Martha Franks' Independent Dining Room.

While there continues to be advancements at SCBMA, opportunities still exist. Within the senior living landscape, there are many factors that influence a senior's choice for retirement living options. Among these factors are the physical surroundings of the campus. A combination of deferred community maintenance and the age of the campuses now require the continued need of capital improvements. To meet these needs, the ministry will continue to require financial resources and careful planning with physical plant considerations.

As we live out our mission to give concrete evidence of concern for and commitment to a senior adult population, high quality products and services are priorities. This ever-striving endeavor for operational excellence endeavors will mandate continuous enhancement and monitoring of our new procedures. The future plans are for continued strategic reviews of various operation procedures to determine if revisions are required.

While our communities' quality is important, we must never forget our responsibility to love and minister to people. We celebrate that 25 percent of our population consists of retired pastors, missionaries, and ministry families. Likewise, over 80 percent of our population proclaims to be Southern Baptist. While our ministry does serve as a safe place for believers, we are also on mission for the lost. Today more than ever, our ministry is touching the lives of many seniors through rehabilitation services and outreach. Many of these individuals would have never possibly been able to see the genuine love of a Christian body of believers without this senior ministry. Some may believe we are merely a retirement community. That is an incorrect perception. We are a place where former pastors, pastors' wives, missionaries, missionaries' wives, and Christian laypeople utilize their life experiences to continue their Christian service.

It goes without saying that providing any service in these days can be possibly difficult, but at SCBMA we are privileged each day to provide care to those "now" elderly individuals that gave so much to this country, our denomination, and our Lord.

Our campuses are filled with energetic, excitable, involved, and wise individuals who are doing some mighty work for the Lord.

We thank you for much assistance and support received through prayers, encouragement, and financial measures of the Cooperative Program and the Mother's Day Offering. It is with much Christian love and

appreciation, we partner with SC Baptists to serve and minister to these dear souls of our state to fulfill the biblical mandate to minister to the widows and elderly, disciple believers, evangelize and win lost souls, and serve as a launching pad for Great Commission work.

Report of Christian Life and Public Affairs Committee Skip Owens, Chairman

The Christian Life and Public Affairs Committee (CLPAC) addresses moral, social, and cultural trends/events in today's society. Committee members work closely with the Office of Public Policy to educate the public on current issues and pending legislation that affects our families and churches. The committee meets at least four times each year.

The CLPAC shares a vendor space with the Office of Public Policy at the South Carolina Baptist Convention annual meeting. The booth provides educational materials about how a church can form a team to inform the local congregation about pertinent social and moral issues. Material is also available regarding various cultural topics. We often invite a ministry partner to share our space to provide Baptists a live testimony of the eternal value of an earthly investment into the lives of others.

Hosting an annual Bar-B-Que luncheon for our Senators, House members and Constitutional Officers is a great opportunity to show Christian love and appreciation to the men and women who sacrifice their time to serve in Columbia. To encourage all members of the General Assembly to attend this function, we host this event on the State House grounds.

An annual highlight is the announcement of the annual *E.A. McDowell* Award recipient. This award recognizes an individual who exemplifies Christian action in the public arena – politics, government, or community action. Additionally, the committee recognizes one church in our convention that shows similar commitment in the area of social and moral concerns by conferring the *Impact Your World* award.

The Christian Life and Public Affairs Committee supports and encourages the following like-minded organizations:

- Palmetto Family Council
- Truth Ministry
- SC Citizens for Life
- Local Pregnancy Care Centers

Members of the committee are grateful for the opportunity to serve South Carolina Baptists and look forward to continue making a positive impact in the future.

Report of History Committee Neville Cribb, Chairman

Our Convention has been blessed with a rich heritage that must be preserved for future generations. Your SCBC History Committee works to collect, organize and preserve materials, artifacts and other items which are significant and can be used to tell our story. The committee met and reviewed the tasks of the committee as well as the on-going work in Historical Services. The meeting was productive and included discussion about updating *The Meetinghouses of South Carolina Baptist Convention*.

Progress continues on the cataloging and organization of the Historical Room and Archives in the Convention building. Visitors are encouraged to visit the Historical Room and to use it for research. It contains both South Carolina Baptist history and Southern Baptist Convention history. Copies of the *Baptist Courier* are also available from 1947 to the present as well as numerous South Carolina Baptist church histories. The current display is on Convention leaders from 1866 to 2007.

This committee is especially grateful to Mark Jeffcoat, director of SCBC's Support Services Group, for his encouragement and help with our endeavors as well as Jan Berrian, Support Services assistant. Jane Young Poster, part-time history consultant and Cindy Hale, part-time ministry assistant, work with churches on their history and provide valuable statistical information related to church baptisms, membership, giving and other historical questions.

The "Singing God's Praises Through The Ages" hymn exhibit continues to be popular and used by a number of churches as part of their Homecoming/Anniversary celebrations. A new travelling exhibit "Testimonies of God's Faithfulness" will soon be available. This exhibit will add personal stories to the South Carolina Baptist Timeline and teach our history through testimonies of South Carolina Baptist leaders and laypeople. There is a new booklet titled "Called to Serve" which highlights the ministry of four key leaders during the reconstruction period following the Civil War. It is available at the Historical Services display in the exhibit area.

We continue to add material to the on-line Historical Services website. You will find articles on our history, articles about church histories and a list of pastors whose obituaries were included in Convention annuals from 1821 – 1947. Churches celebrating anniversaries in 25 year increments are listed. There is also a history resource list to assist churches in getting started on their history. A new article on "Establishing a History Room" was added this year.

We continue to encourage churches to write their histories and send copies for our historical collection. It is even more important that churches preserve their minutes by having them microfilmed. We can assist with resources for this. The History Committee wants to continue to recognize churches that have done work on their history and present certificates during the annual Convention.

Report of Order of Business Committee Bill Crane, Chairman

The Order of Business Committee brings the following recommendations:

1. That the preacher for the 2011 convention annual meeting be Dr. Richard Blackaby, President of Blackaby International and that the alternate preacher be Keith Shorter, Pastor at Mt. Airy Church, Easley.
2. That the 2013 annual meeting be held November 12-13 in Columbia. (In accordance with the action of the 1999 annual meeting of the convention, future state convention annual meetings will be held in Columbia. The Order of Business Committee may from time to time recommend alternate sites.)

Report of *Multi-site* Convention Study Group Micah S. Lane, Chairman

Appointed by our president, Dr. Fred Stone, we, the members of the *Multi-site* Convention study group, along with several staff members of our State Convention, met three times over the course of the year to consider the *feasibility* of organizing and implementing a *multi-site* convention of South Carolina Baptists. The members of the committee examined the issues and discovered the challenges, costs, and other considerations before coming to a conclusion.

Challenges

A *multi-site* convention for South Carolina Baptists presents several challenges

- First, *convention* means “to convene” or “to come together in a body.” Messengers assembled at multiple sites in communication with one another would not (by definition) be a convention but a *network*.
- Second, in order to have a *multi-site* convention, South Carolina Baptists would have to agree upon at least six changes in Bylaws:

Bylaws – Part 1

Article II –E *Messengers to the Convention shall be registered upon presentation of proper credentials. Credentials shall be presented by each messenger, in person, at the Convention Registration desk. Messengers registered in compliance with these provisions shall constitute the convention.*

Notes:

1. Messengers must present credentials and register in person.
2. Absence of credentials (signed messenger card) requires processing by Enrollment & Credentials Committee.

Article IV – A – *Annual Meetings – The convention shall hold its meetings annually at such a time and place as it may choose.*

Note: The convention messengers determine where the annual meeting will be held each year.

Bylaws – Part 2

Article I-E – 2 Elections – *Elections shall be by ballot following nomination from the floor.*

Note: Provisions would need to be in place for ballot casting and counting for each location.

Article I-F – Voting Procedures – *In order to cast a ballot, a messenger must be present in the meeting room(s) at the time a ballot is taken. Voting by proxy is not permitted.*

Notes:

1. For non-ballot votes, will an officer of the Convention need to be in each location to determine the vote?
2. For ballot votes, we would need a process for compiling results from each site and determining ballot results.
3. This article would likely need to be amended to allow for multiple locations and not just meeting room(s).

Article I-I – Quorum – *Twenty-five (25) percent of the registered messengers shall constitute a quorum.*

Note: For multiple locations it will be the responsibility of the officers to determine that a quorum is present for any voting. Remote sites will likely see larger variations in attendance with highest attendance being during business sessions. Drop-in attendance at multiple locations could impact the quorum requirement – i.e.: If a large crowd came to a remote site for a single vote (officer election, budget, hot-topic issue) and then left, they would be counted in the total number of registered messengers with would raise the quorum requirement for all subsequent business.

Article III – B – 2 – Enrollment and Credentials – *This committee shall be available at all times at the convention to address any problems that arise concerning the seating of messengers. The decision of this committee may be appealed to the Convention by any person whose eligibility to be seated as a messenger is questioned.*

Notes:

1. Convention Registration Secretary is a member of this committee and could not be present at each site.
2. Members of the Enrollment & Credentials Committee will need to be at each Convention meeting site to provide credentials to messengers.
3. Provisions would need to be made to allow the entire committee to conference together if a credentials decision had to be made by the full committee.
4. Currently messenger count is maintained on a personal computer program, messenger names are entered into the program. Multiple sites will require a system to be in place to share data to maintain a single source for messenger count by church, and messenger eligibility.

Another challenge is to purchase (or rent) the necessary equipment for communication and transmission between the sites and secure the additional site locations (church or other) around the state. Some of our churches may allow the use of their facilities as satellite locations. However, the committee made no inquiry into that possibility.

Costs

The estimated cost of a multi-site convention in South Carolina is as follows:

- \$13,000 – to purchase equipment for communication between sites (not including any screens or projectors), with additional costs of \$7,000 per satellite location

<i>Example:</i>	13,000 – equipment (Main event)
	7,000 – satellite location 1
	7,000 – satellite location 2
	7,000 – satellite location 3
Total	<u>\$34,000</u>

Option: Rent the equipment – \$27,000 each year

Other Considerations (possible problems)

- Vendors may lose interest in our convention if the number of messengers at the main site begins to decrease.
- The convention could come to a standstill if communication is lost between sites.
- More sites will require officers and technicians to keep everything running smoothly.

Conclusion

It can be done. Should it be done? South Carolina Baptists may choose to have a multi-site convention. Based on the given data, it is the conviction of this committee that a *multi-site* convention is not feasible at this time; therefore, we make no recommendation for a *multi-site* convention.

MINISTERIAL STAFF DIRECTORIES

Most church staff directories appearing on the following pages have been compiled from mailing files rather than from the Annual Church Profile. Unlike the statistical tables, which have historical value, these directories are primarily mailing lists. Inasmuch as the mailing files are updated almost daily, we believe that these directories provide the most accurate and current information available as of March 10, 2011.

Statistical Summary and Tables

Statistics Summary and Tables

Notes:

These statistical and financial tables contain a report from each church and mission in friendly cooperation with South Carolina Baptist Convention. The Convention's constitution does not make a distinction between churches and missions. In the case of missions, whose information also may be reported by the sponsoring church, there is the possibility of duplicate reporting of some statistics.

Except for the first four financial columns (marked with an *), all data is taken from the Annual Church Profile as processed by the Data Processing Office. This information reflects the church year as reported by the churches. The first four financial columns are from the Convention's audited records and reflect the calendar year. There is no duplication of information in these columns. The Budget Gifts amount includes regular Cooperative Program giving (support for the South Carolina Baptist Convention and the Southern Baptist Convention) plus cooperative gifts (support for South Carolina Baptist Convention causes only or Southern Baptist Convention causes only).

The pastor's name listed for each church is that in the SCBC computer system on February 17, 2011. This pastor may not have been the pastor during the reporting period.

Each church is listed in the association in which it was a member during the 2009-2010 church year. Churches that transferred from one association to another during 2010 are typically listed with the association to which they belonged at the beginning of 2010, the change becoming effective at the first of 2011. Following the list of associations is a list of churches that were not affiliated with an association recognized by SCBC. Every effort has been made to footnote changes in association membership that have occurred since the last printing of Convention Annual.

Any church affiliated with the SCBC that did not submit an Annual Church Profile is listed with the notation, "No Annual Church Profile Received," and no statistical information is given.

Summary Financial Reports

To: Members of Churches Affiliated with South Carolina Baptist Convention

From: James W. Austin

Date: March 2011

The attached exhibits are submitted for your convenience. These exhibits have been taken from the annual audited financial statements for the South Carolina Baptist Convention, its institutions, and Woman's Missionary Union, Auxiliary to the South Carolina Baptist Convention.

The exhibits are considered incomplete presentations since they do not contain a complete set of basic financial statements and note disclosures. Some institutions observe different fiscal years; therefore, the dates of their reports vary. However, complete financial statements for each entity along with independent auditor's reports are on file with the South Carolina Baptist Convention.
