1. Organization of the Convention

President Sonny Holmes called the 191st Annual Meeting of the South Carolina Baptist Convention to order.

Enrollment and Credentials Committee

The Chair recognized Don Bickers, Chairman of the Enrollment and Credentials Committee. Chairman Bickers moved that the 439 messengers and all subsequent messengers constitute the 191st Annual Session of the South Carolina Baptist Convention. The vote was taken, and the motion was adopted.

Order of Business Committee

The Chair recognized Keith Shorter, Chairman of the Order of Business Committee. Chairman Shorter moved that the printed agenda in the Book of Reports on pages R3 – R7 become the official order of business and during the Annual Meeting messengers be limited to three minutes on discussion of any matters of business. The vote was taken, and the motion was adopted.

Order of Business Committee

The Chair recognized Keith Shorter, Chairman of the Order of Business Committee to bring two additional recommendations on behalf of the committee. Chairman Shorter moved that the Convention Preacher for the 2012 Annual Meeting be Pastor Michael Catt of Sherwood Baptist

Church with the alternate preacher being Pastor Don Wilton of Spartanburg First Baptist Church as noted in the Book of Reports on page R117. The vote was taken, and the motion was adopted.

Chairman Shorter moved that the 2014 Annual Meeting of the South Carolina Baptist Convention be held in Columbia, South Carolina on November 11th and 12th as noted in the recommendations on page R117 in the Book of Reports.

As a point of information Chairman Shorter announced that at the 2010 Annual Meeting a motion to amend the bylaws was presented and referred to the Bylaws committee and is to be dealt with during the 2011 Annual Meeting. The Order of Business committee has assigned this matter to Wednesday morning at 10:15 during the Bylaws committee report.

2. Introduction of Annual Meeting – Theme Interpretation

Sonny Holmes introduced the theme for this year's Annual Meeting, *"Immeasurably More."* Sonny spoke regarding the murder of his son on July 18, 2011 stating that only on that day did the theme selection of *"Immeasurably More"* really make sense. God is not surprised by the things that happen in our lives and he prepares us for the things to come. Sonny asked the messengers to please stand and read the theme verses, Ephesians 3:20-21, together. Sonny challenged the messengers by asking, "Why are Baptists doing immeasurably less when we serve a God who can and does do immeasurably more?"

3. Greetings to Messengers

Jamey Graham, Regional Vice President of Baptist Education & Missionary Convention of South Carolina, brought greetings on behalf of Benjamin Snoddy, President.

4. Devotion/Theme Interpretation

Paul Jimenez, pastor, First Baptist Church Taylors, Taylors, was charged by Sonny Holmes to give a word about this year's theme. Paul spoke from Isaiah 49. He spoke regarding the fact that S.C. Baptists are in transition and that his prayer for them is that we would offer ourselves in obedience to Christ and that the will of God would be done, not our own desires or thoughts. He stated that we fail to accomplish when we fail to obey.

5. Worship

The Northwood Baptist Church praise team, led by Matt McCall, led the messengers into a time of worship.

6. Institution Report

Sonny Holmes stated that this year our seven Institutions are providing their reports though a three minute video. All of the videos have been compiled into a DVD, and the messengers are invited to pick up a copy at any one of the Institutions' exhibit.

7. Baptist Foundation Report

Barry Edwards, president and chief executive director, stated that their purpose is to grow God's Kingdom through financial resources. Barry referred to the video adding that many examples were given in the video of how we are expressing Christian generosity.

8. Business Session – Introduction of New Business

Hans Wunch, pastor, Calvary Baptist Church, Ware Shoals, moved that the Executive Board study the effectiveness of the 60/40 split of church staff and laypeople in the Nominating Committee. After studied, then report their findings and any recommendations back to the messengers at the 2012 Annual Meeting.

Bobby Eubanks, messenger, Ridge Baptist Church, Summerville, moved that Dr. Austin and the Executive Board do a cost analysis of the operation of the Baptist Building and take the proper action to reduce the \$600,000 annual operating expenses (in lieu of the current staff reductions and program changes).

9. Committee on Committees Report

Committee member, Jay Hardwick, called attention to the committee's report on pages R112 and R113 of the Book of Reports, and moved that the report be adopted as printed. The vote was taken, and the motion was adopted.

10. Worship

The Northwood Baptist Church praise team, led by Matt McCall, led the messengers into a time of Worship.

11. North Greenville University Report

They reported that through the faithful work of GA's that a marine came to faith in Christ after receiving handmade cards from a local GA group. Acteens participated in BLUME and are happy to report that S.C. had more Acteens at BLUME than any other state. Camp LaVida will be ordering their first set of replacement bunk beds and SC Baptists were thanked for their support. The Baptist Nursing Fellowship went to India and led several medical clinics. As they shared about Christ, 4 Hindu women prayed to receive Him as Savior. WMU's social emphasis is Human Exploitation. They recently held a symposium with national experts giving lectures on subjects

such as bullying and media exploitation. Laurie thanked the messengers for their support and counts it a blessing to walk alongside the SCBC.

15. Messenger Survey

Sonny Holmes recognized Tony Sharpe. Tony asked that the messengers fill out their messenger surveys and gave appreciation to them for doing so.

16. SCBC Cooperative Work

The chair recognized Jim Austin, executive director-treasurer of the South Carolina Baptist Convention.

Jim Austin reported on the wonderful work that God is doing through the South Carolina Baptist Convention, which was emphasized to be through the Convention staff and the messengers as we partner together with the churches and ministry partners. He reported that although resources have been down, we should not be discouraged because God is still doing a great work. He proceeded to report on specific areas of ministry that the South Carolina Baptist Churches have been involved in this past year.

Vacation Bible School – Over 1400 churches participated and more churches are encouraged to get involved in VBS and prayerfully consider instituting this into their annual events. The following statistics were given:

- 1,400 SCBC churches held a VBS in 2010 resulting in 5,600 salvations
- An Average of 4 Professions of faith per VBS
- Approximately 700 churches did not hold VBS

SummerSalt - Record attendance has been set for camp during the last two summers. We are thankful that student's lives are being changed through this wonderful ministry. Students are being discipled and are learning how to share their faith to penetrate the darkness.

White Oak Conference Center – We have been able to reduce the cooperative program subsidy for White Oak due to the fact that more churches are using the conference center. Since upgrading the White Oak facilities, we have seen more events and conferences taking place on the campus. Eventually, we are hoping to see White Oak reduce their cooperative program support to zero due to the fact that so many people are using it.

Camp McCall – We are very proud of Camp McCall and its beautiful campus. God is changing the lives of many young men as they attend the camp and are ministered to.

Intentional Church Multiplication Process (ICMP) –South Carolina Baptists now have an intentional process, whereby, we engage in a partnership with you as a local church for an approximate year period of time and you and your people are trained and equipped. The churches that have begun this process are beginning to see a turn around and the churches are growing. A video message from Tommy Richardson, Montmorenci First Baptist Church, Montmorenci was shown to the messengers, giving a testimony of how the Intentional Church Multiplication Process has worked in his church.

There are 41 churches participating in the Aiken, Allendale-Hampton, Screven, Spartanburg and York Associations now.

Multi-Housing Ministry – We show that 42% of the South Carolina population lives in a multi-housing community and 95% of those don't attend church. A video testimony was given by Lou Ann Orr, member of Crestview Baptist Church in Gaffney, SC, stating that her mother came to a relationship with Christ through a multi-housing ministry and as a result of her mother coming to know Christ, she then came to know Christ as her personal Savior as well.

The SCBC staff is also engaging in a local multi-housing ministry with the apartment complexes near the SCBC building. This initiative will begin this Christmas.

Adopt-A-School Project – We emphasized this project last year and have seen growth in this area. We have seen 241 churches adopt a local school. In 2011 alone, we saw 51 new school partnerships established.

Church Planting – A video message was given by Matt Rogers, pastor of Renewal Church in Greenville, where he emphasized the need to focus on people that are disconnected from Christ and are not integrated in to a local church. He stressed that the focus is not on numbers, but on people. Church planting is seeking to serve and save people, not just to grow churches, but to grow disciples and followers of Christ.

Multi-Ethnic Ministry – We want to be faithful to begin multi-ethnic churches across our state and to also begin ministries through our current local churches to reach the many different ethnicities we are seeing come to our state. The State Convention is partnering with the Spartanburg County Network in regards to a national upcoming summit, Ethnic America Network. This summit has been taking place since 2001 and in 2012 will be coming to Spartanburg, SC on April 19-21. The summit theme is, "Gather the Nations into Community" with a scripture base from Psalm 86:9.

Atlanta Partnership – As we reach out to our Jerusalem (South Carolina) we must also reach out to our Judea (Atlanta). We have begun an Atlanta Partnership led by Jim Haskill, executive director/lead strategist of Urban Atlanta Church Planting. Jim Haskill, through video, gave a testimony on how South Carolina Baptists have already been used to impact the metro-Atlanta area. We have seen 36 church starts and approximately 250 people come to know Christ in the 2 year period that South Carolina Baptists have been involved in this ministry.

Canada Partnership – South Carolina Baptists have also partnered with Derek Jones, Lead Church Start Catalyst with the North American Mission Board, in Canada. In 2010, a formal partnership was formed and since then more than 250 short term missionaries have come from South Carolina to help the Canada churches be strengthened. Many church plants have also begun with the help of South Carolina Baptists.

NAMB Partnership, GPS - Those attending are asked to prayerfully consider being a part of the NAMB evangelistic partnership, God's Plan for Sharing (GPS). They have asked us to consider in 2012 having more evangelistic events in our churches. Examples of Vacation Bible School and showing the *Courageous* film were given.

South Asia Partnership – Jim Austin will be leading a team to South Asia in March and encourages our churches to become involved in this ministry as well. A testimony will given later today from those that have participated in going to this area of the world and have ministered to those with very little gospel witness in the last several decades.

Baptist Collegiate Ministry – Our college campuses are mission fields and your BCM missionaries are doing a phenomenal job. We have eight full-time BCM leaders and about 30 campuses are being impacted by their work. This past year a new record of BCM missionary volunteers was set. Approximately 92 BCM students participated in summer missions work this past summer. This number is up from the high 40's the year prior. We are also seeing an all time high of professions of faith on our campuses and an all time high with weekly bible study attendance. The South Carolina BCM ministries rank as number two among all our state conventions, with Texas being number one. The state BCM workers came on stage and the messengers thanked them for their faithful service.

Cooperative Program – Jim Austin asked, "How do we fund all these wonderful ministries?" With the realization that we are in an economic recession and times are hard financially, we still prayerfully ask that South Carolina Baptist Churches consider giving 1% more to the Cooperative Program in the coming year. So much wonderful work is being done around our state and around the world and in order to continue to see this growth we need to give.

A video was shown giving the 1% Challenge.

Jim Austin drew attention to and explained the "wordless book" and asked the messengers to pick these up on their way out of the session today. He asked that they use this wordless book during their lunch break and share the good news of Christ with someone they come in contact with.

17. Worship

The Northwood Baptist Church praise team, led by Matt McCall, and Rodrigo Rodriguez, Music Evangelist, led the messengers into a time of Worship.

18. President's Sermon

Sonny Holmes, convention president, preached the convention sermon. He referenced Ephesians 3:20-21. Throughout this book we are reading of God's choice for the church to fulfill the mission He has given. Paul reminds us to be single-minded in our mission. The church doesn't have a mission, the mission has a church. The central figure in our mission is Jesus Christ, our Lord. Everything about our mission is found in the person of Jesus Christ. When we think about God we can't help but think about mission. He is a God of mission.

Sonny spoke in regards to the "now" of our God, the "how" of our God, and the "wow" of our God.

In this passage God is described in current terms, a God of right "now". The Jewish people had a great grasp of the God who was, and the God who was to come. However, they didn't grasp the God who is. Paul met the God who is, and Paul worshipped and served him in the present. Paul was a contemporary. Contemporary means what is happening right now, but our culture is misusing this word.

There are two things God is doing right now in our here and now. The first being, there are open doors of mission on our mission fields that have never been open before. There are people groups hearing of Jesus that have never heard of Jesus before and they are responding to the gospel. The second being, God is raising up a generation of people who are not only willing to go, but are eager to go on mission for Christ. These two things are happening side by side at this very time. The obstacle of financial constraint is a very real obstacle, but one that can be overcome. Sonny had several individuals who have attended our Christian Universities give missionary testimonies. Sonny emphasized the importance of funding these Universities so that more can go to the mission field and spread the news of Jesus Christ.

Sonny's second point was looking at the "how" of God. God uses his people. He places His power within each one of us and accomplishes the "how" of His work. God is not intimidated by the obstacles before us. God teaches us about His power and how His power overcomes all. God has given us the ability to live in His power; we must recognize this power and begin living in it.

Sonny's third point is the "wow" of God. Sonny asked Peter Hyatt to come and give a testimony. God is able. We are called to multiply and to take the gospel to the ends of the earth. In doing so, we will be wowed by God.

19. Closing Benediction

Given by Brad Kelley, pastor of Ebenezer Baptist Church, West Union, and Convention 2nd Vice President.

21. Theme Interpretation

Charlie Swain, church planter, Church at Cane Bay, Goose Creek, spoke regarding how the Church at Cane Bay came into existence. It was because God did immeasurably more than he or others could have ever imagined. They were simply a church of people with nowhere to meet and no worship service. However, God took their mission of loving and serving a community and the Church at Cane Bay has now seen many conversions and is ministering to their community in an effective way.

Jody Jennings, BSU Director at North Greenville University & Deacon at Edwards Road Baptist Church, Greenville – Resolution on Protecting Religious Liberty through Public Policy

WHEREAS, America’s founding generation conceived this country on the principle that all people are “created equal, endowed by their Creator with certain unalienable Rights, that among those are Life, Liberty, and the pursuit of Happiness”; and

WHEREAS, The writers of the preamble to the Declaration of Independence allude to biblical references on life (Genesis 1, John 3/17, and Ephesians 2), liberty (Exodus, Leviticus 25/26, Isaiah 42/43/61, and John 8), and happiness (Jeremiah 31, Matthew 5, and Revelation 19); and

WHEREAS, The advocacy of John Leland, James Madison, and others led to the First Amendment and its guarantee of religious liberty; and

WHEREAS, Our government, so organized, ought not confine the exercise of religion to the four walls of a worship building and people of faith rightly exercise their religious liberties at home, at work, and in public places (hospitals, shelters/soup kitchens, sidewalks, schools, etc.); and

WHEREAS, Religious exercise cannot be confined to clergy; it necessarily involves people of faith whose freedom must be accessible to, and in, the business community (including the right of expression through for-profit and non-profit corporations undergirded with Christian convictions); and

WHEREAS, Government has created positive rights and entitlements that are inferior to, and must not trump, our natural and unalienable rights; and

WHEREAS, On August 1, 2011, the Department of Health and Human Services issued and implemented amendments to the Interim Final Rule (the *Rule*) for group health plans and health insurance providers relating to coverage of preventive services under the Patient Protection and Affordable Care Act of 2010; and

WHEREAS, The *Rule* requires health plans to cover contraception, abortifacients, sterilization, and FDA-approved reproductive health counseling and it infringes on the free exercise of religion in that it provides no exemption for individuals of faith; and

WHEREAS, The *Rule*, as written, constitutes an unprecedented government intrusion into religious belief and practice setting a precarious precedent for further intrusions in other areas like the sanctity of marriage and family; therefore, be it

RESOLVED, That we, the messengers to the 191st annual meeting of the South Carolina Baptist Convention gathering in Columbia, SC, on November 15, 2011, call on South Carolina's local, state, and federal elected officials to ensure the complete religious liberty for all Americans, as guaranteed in the First Amendment to the Constitution.

WHEREAS, It is essential that we, as a religious body assembled to transact business intimately connected to and concerned with the glory and the kingdom of God, bear in mind that the wisdom of our decisions, the success of our plans, and our denominational welfare are dependent on the guidance and blessings of God; and

WHEREAS, The Bible testifies that God works powerfully and manifests his presence among his people through authentic repentance and earnest prayer; and

WHEREAS, Ephesians 4 commands us not to grieve the Holy Spirit but to demonstrate compassion and forgiveness for one another; and

WHEREAS, Colossians 3 calls us to a perfect bond of unity and instructs us to allow the peace of Christ to control our hearts; therefore, be it

38. GCR Report

Sonny Holmes welcomed Ralph Carter, Pastor of Brushy Creek Baptist Church, Taylors, who served as the Chairman to the GCR Task Force

The GCR report is as follows:

We recommend that:

1. We increase South Carolina’s contribution to the IMB by 21.95 percent over the next three years.

This will enable the South Carolina Baptist Convention (SCBC) to give as much to the International Mission Board (IMB) as it would if we were splitting the Cooperative Program (CP) with the Southern Baptist Convention (SBC) on a 50/50 basis. When your church sends a dollar to the Baptist Building in Columbia as a CP gift, 59 cents is kept in state. That amount is used to support the work of the Executive Ministries, the WMU, and the seven ministry partners of our state convention. The remaining 41 cents is sent to Nashville and given to the IMB, North American Mission Board (NAMB), Christian Ethics and Religious Liberties Committee, and the Executive Ministries of the SBC. Of the 41 cents sent to Nashville, the IMB receives 20.5 cents. Under this plan, that amount would be increased to 25 cents, which is exactly what it would be if we were dividing all CP dollars 50/50 between the SBC and the SCBC.

2. Church Revitalization, Missions Mobilization/Evangelism, and Church Planting be made the primary focus of the SCBC.

We recommend that the Executive Director, with the approval of the Executive Board, revise the work of the Baptist state convention however necessary in order to reflect our strong commitment to these areas. We recommend that as increased CP funds are made available, and after our commitment to the IMB has been met, that all additional funds over the next five years be made available to this priority as needed.

3. We establish a five year goal of moving the division of Cooperative Program receipts to 50/50 between the SCBC and the SBC.

During the next five years and beyond, any increases in receipts beyond what is needed to meet the budget requirements of the SCBC (with allowances for increased spending in the area of church revitalization, missions mobilization, and church planting) will be given to the SBC until such time as a 50/50 split shall be in place. (Gifts designated to the IMB in the SCBC budget will count toward that 50/50 split.) The goal will ultimately be to take the IMB out of the SCBC budget and a 50/50 split be put in place between the SCBC and the SBC.

4. In order to meet these bold challenges, we reduce funding to the Anderson University, Charleston Southern University, Connie Maxwell Children's Home, Homes for the Aging, North Greenville University, and WMU by 10 percent from 2011 budgeted levels.

This level of funding will be frozen for five years and then re-evaluated. The CEO's of our Ministry Partners have said it would be beneficial in planning for the future to know that they were guaranteed fixed amounts. This plan will make that possible. Because of the urgency of our need to impact darkness, every CEO willingly made the reductions we are recommending.

5. The Executive Ministries portion of the budget be reduced by five percent, to be withdrawn one percent annually for the next five years.

A more gradual reduction was recommended here for two reasons. Deep previous cuts have resulted in a substantial loss of personnel already, and we are recommending that a high priority be placed on Church Revitalization, Missions Mobilization/Evangelism, and Church Planting. To make more substantial reductions at this point would make that impossible, regardless of how much restructuring might occur.

6. Funding to the Foundation be reduced by 20 percent in the coming year and that the remaining balance be reduced by 25 percent per year for the next four years.

Mr. Barry Edwards, CEO of the Foundation, told the GCR Task force that if our churches and ministry partners would place a portion of their funds with the Foundation, they could become self-sustaining.

7. Funding to the Courier be reduced by 10 percent annually for the next three years after which time continued funding will be re-evaluated by those serving as officers of the Executive Committee of the SCBC at that time and the CEO of the Courier and their chairman of trustees. The evaluation will be based upon criteria previously agreed upon by the GCR Task Force and representatives of the Courier.

8. The Nominating process be altered so as to allow the CEO's of our ministry partners to have greater

input into the nomination of its trustees, by way of a process that would result in mutual agreement between ministry partners and the convention.

South Carolina Baptists, the Nominating Committee, and the CEO's will all submit names for consideration as trustees, as they have in the past. The Nominating Committee would be subdivided into groups that would be assigned to work with each of our seven ministry partners. The Nominating Committee sub-group and the CEO of each ministry partner would continue to work together until agreement could be reached as to who the nominees would be. Both the CEO and the sub-group would maintain the right of refusal. Once nominated by the entire Nominating Committee, the Convention would maintain the right to elect or reject any nominee. If a nominee were to be rejected by the Convention, the process would be repeated until the Executive Board, meeting in the absence of the Convention, would elect the trustee of the CEO and Nominating Committees choice. If a name were to be rejected by the Convention, that name could not be re-submitted until the Convention meets again at its next annual meeting.

9. That the ministry partners of our state convention be allowed to have as many as five of their 25 trustees from out of state.

Rationale: Some fear that surrendering some of our control over trustee selection would open the door for our ministry partners distancing themselves from the convention. However, several things need to be remembered:

- a. The convention will always have the final vote on trustee election.
- b. The nominating committee will maintain the right to vet all nominees and ultimately they will not be placed in nomination without committee approval.
- c. Our educational ministry partners attract far more students from out of state than they once did.
- d. Many fine, duly elected trustees have been lost through the years, simply because they moved from one state to another during their term of service. ie. Frank Page, was forced to resign as a trustee at Anderson University when he left our state.
- e. If a man/woman loves the Lord, is committed to Southern Baptist work, has a high view of Scripture, possesses the abilities, skill sets, and resources needed by our ministry partners and is recommended highly by the pastor of a cooperating Southern Baptist church where he or she is actively involved, why would we not want to utilize that person simply because they live outside South Carolina?

10. A plan be put forth to personally approach pastors about increasing their churches giving to the Cooperative Program.

The average church gives a little less than six percent of its undesignated receipts to the CP. If every church were to increase it's giving by as little as one percent, CP receipts would increase by 16.6 percent. That would amount to a \$4,880,400 increase. For years we have all heard pastors make these kinds of comments explaining why they didn't give more to the CP: "I'd give more if they didn't keep so much of our money in the state – I'm all about missions." "The people at the Baptist Building need to spend more on church planting and do something to help our churches that are dying." "We need to make sure that the future of our institutions is secure." The recommendations of the GCR Task Force bring about all those desired results. The task now is to find the money to make that possible. We challenge every SC Baptist church not giving at least 10 percent of its undesignated receipts to raise their giving levels by at least one percent. In an effort to demonstrate good faith, every member of the Task Force has been challenged to go back to their respective churches and ask them to do the same.

The burden for motivating pastors to raise their level of CP support has largely rested on the shoulders of denominational employees and ministry partners. The time has come for pastors to shoulder more of this responsibility. Would you consider securing commitments from at least five churches to raise their level of giving by one percent in 2012? When we meet in November, let's be able to say to our convention that we have commitments in hand that will insure an increase in CP gifts for 2012 of at least \$1,000,000. Make a commitment for you and your people and begin calling pastors and inviting them to join you over a cup of coffee where you talk about the reasons they need to consider raising their level of support as well.

11. The SCBC requests that the Executive Committee of THE SBC consider adjusting the budgets of the seminaries & other SBC entities as a means of increasing funding to the IMB.

- Ralph Carter explained the components of the GCR Task Force Report via video. After the video, Ralph introduced the GCR Task Force Committee to the messengers, explained the process they used over the past year, and spoke to key components of the GCR Report.
- Jimmy Epting, president of North Greenville University, came on behalf of the Institutions to speak in favor of the GCR Task Force Report.
- Ralph Carter made a motion for the adoption of the GCR Task Force Report.
- Alistair Walker led the messengers in prayer.
- Sonny Homes stated that they would consider this motion as a whole, as it has been presented. "The motion is that we approve the GCR recommendation as publicized in August and as printed in the materials."
- Coming from a committee, it did not need a second.
- The floor was opened for discussion - each messenger had 3 minutes
- Wayne Dickard, Pastor of Siloam Baptist Church, Easley, offered an amendment to #8 of the GCR Report. His motion was that the nominating process retain the current nominating system and all the rules that govern it.
- There was a second to the motion, and the floor was opened to speak to the amendment.
- Evans Whitaker, messenger from Concord Church in Anderson and President of Anderson University, spoke in opposition to the amendment.
- James Rodgers, Pastor of Poplar Springs Baptist Church, Iva, spoke in opposition to the amendment.
- Bryant Sims, messenger from First Mount Moriah Baptist Church, Greenwood, spoke in favor of the amendment.
- Tony Beam, messenger from Northwood Baptist Church, Greer, spoke in opposition to the amendment.
- Tim McKnight, Pastor of Lakeview Baptist Church, Hartsville, called for the question
- **There was a vote to call for the question, which would close discussion. 2/3 vote was needed to close debate. Debate was closed.

-Messengers could now vote on the pending amendment. Sonny Holmes stated: a recommendation has been made to amend the GCR proposal and that the nominating process retain the current nominating system and all the rules that govern it.”

** A vote took place and the amendment failed

-Sonny Holmes: “Now we will consider the original motion. The motion has been made that we adopt the GCR Report as presented.”

-The floor was reopened for discussion.

-Robert Williamson, messenger from Big Stevens Creek Baptist Church, North Augusta, spoke in opposition to the GCR Report as presented

-Robert Rivers, messenger from Salem Baptist church, Summerville, spoke in favor of the GCR Report.

-Tim McKnight, Pastor of Lakeview Baptist Church, Hartsville, called for the previous question.

**A vote took place to call for the previous question. The previous question was called and the debate was closed.

**The messengers now voted on the GCR Report. The GCR Report was approved.

45. Convention Sermon

Sonny Holmes announced that there were 1,673 messengers registered for this morning's meeting.

Richard Blackaby, president of Blackaby International Ministries, preached the Convention sermon.

Richard Blackaby spoke to the messengers about what happens when you spend time with Jesus. His main text was John chapter 12. Blackaby pointed out several people who spent time with Jesus as His earthly ministry was coming to an end and the change that took place in their lives. "Martha was serving, which is a good thing, but her heart wasn't right. When she turned her focus towards Jesus, she began to serve and stop complaining. She quit comparing herself to Mary and others, and Jesus took her service to another level." Blackaby posed the question, "What if South Carolina Baptists let Jesus take their service to another level?"

Blackaby pointed out Lazarus who had the spiritual gift of "showing up." "Anytime an event was taking place, Lazarus was there. Our churches are filled with Lazaruses. Blackaby went on to say Lazarus had a life changing experience when he died. Jesus raised Him from the dead and all of a sudden people were lining up to hear about Jesus from Lazarus. "Lazarus had a fresh encounter with Jesus and began sharing his faith at every given opportunity." Blackaby suggested that the people in South Carolina Baptist churches may need a fresh encounter with Jesus and then begin sharing what He is doing in their life.

Blackaby goes on to talk about Jesus and His interaction with His people. In chapter 12, Jesus heads to Bethany to fellowship with believers, even though he could be seized. He enjoyed spending time with other believers. Blackaby explained that the church is all about fellowshiping and sharing Jesus with one another.

"Do people look at your life and say, "look what God has done over the last 5 years in his or her life?" God is calling South Carolina Baptists to go to another level."

46. By-Laws Committee Report

Sonny Holmes stated that in last year's annual session, a proposed By-Law amendment was made by a messenger and it was referred to the By-Laws committee. He then asked Terry Corder to come address the motion.

Terry Corder: "After much consideration, study, and prayer, the committee recommends that the motion in question made at the 2010 South Carolina Baptist Convention Annual Meeting not be adopted. The rationale behind this conclusion includes the following...

- a. We did not want to limit the leadership pool of our State Convention
- b. If someone had an opportunity to serve on the Executive Board early in their career and then years later had an opportunity to come back and serve again, then they would definitely bring more wisdom and experience to the second term.
- c. If someone knew they only had one life time term to serve on the Executive Board, then it could cause good leaders to be selective about when they would serve that one term during their life time.
- d. In order to maintain the conservative integrity of our Convention, we need the ability to call on previous leadership that has fought the fight and led the Convention in its conservative and effective ministry course.
- e. We are going to be bringing a recommendation in a few minutes that will bring a broader representation of our Convention leadership and will enable more South Carolina Baptists an opportunity to serve on our boards and our committees.

Sonny Holmes stated that the motion requires 2/3 vote to prevail. Does anyone wish to speak for the proposal?

- Chuck Sprouse spoke for the proposal
- no one spoke against it
- A vote took place...the motion was denied

Terry Corder approached the platform for additional recommendations, which will be considered at next year's Annual Meeting.

- a. In 2001, the Convention affirmed the Baptist Faith and Message 2000 and a Resolution. We are recommending that we add an article adopting the Baptist Faith and Message 2000 as our Statement of Faith.

- b. Found on Pg 13 of Bylaws in lines 42 and 44 and pg 14 lines 1-5 and pg 15 lines 31-32. Article II A. would read as follows: The President, in consultation with the Vice Presidents and Secretaries, shall appoint at each Convention fifteen (15) persons, **each from different associations**, to act as a Committee on Committees to function from the close of the annual session in which they are appointed through the next annual session. **The fifteen (15) persons shall be made up of no less than one (1) from churches with 500 in worship or more, no less than three (3) persons from churches with 200 – 499 in worship, no less than (3) from churches with less than 200 in worship, and no less than three (3) from churches that are new works (church plants), which have been in existence one (1) to five (5) years. Worship attendance based on the latest published Annual Church Profile Report. The President is strongly encouraged to seek people who accurately reflect the ethnic diversity of the South Carolina Baptist Convention.** This recommendation is made in response to the motion made last year that we just voted on to create a broader representation on the Executive board and committees of this Convention. Having a broader representation on this Committee on Committees will help us to have a broader representation on our boards and committees.
- c. Changes in Bylaws are to accommodate the GCR Report that was approved by the messengers here last night. These recommendations are the procedures necessary to implement the GCR process. They are found on pg 4 lines 37-39 (and this provides for out of state trustees), pg 9 lines 14-27 (this deals with the representation of the trustees), pg 13 lines 31-34 (this deals with the trustee nominations) pg 16 lines 10-46 (this is the procedures for institutional trustee nominations.)”

The changes would read as follows:

* Article III, lines 37-43: **Church Membership of Officers, Boards, Appointees, Committees Except as provided in Bylaws Part 1, Article 7 (D)(3) for out of state trustees of institutions,** ~~a~~All officer of the Convention, all appointees, and all persons elected to membership on the Executive Board, to the boards of trustees of the institutions, and to committees shall be members of Baptist churches in friendly cooperation with this Convention and sympathetic with its purposes and work and have during the fiscal year preceding been bona fide contributors to the Convention’s work.

*Article VII, Section D, Lines 14-27: ~~Any trustee of an institution who becomes a member of a church in another state shall thereby terminate membership on that board.~~ **At least four-fifths (4/5) of the trustees of each institution must be South Carolina residents who are members of a South Carolina church in friendly**

cooperation with the Convention and the trustee affirms the Baptist Faith and Message 2000 as provided in bylaws Part 2 Article 3(C)(4)(D)(ii). Up to one-fifth (1/5) of the trustees of each institution may be nonresidents of South Carolina provided they are members of churches in friendly cooperation with the Southern Baptist Convention and the trustee affirms the Baptist Faith and Message 2000 as provided in bylaws Part 2 Article 3(C)(4)(D)(ii). The date for determining whether a trustee is an in-state or out-of state trustee shall be the date of his or her election by the Convention. However, if an in-state trustee ceases to be a South Carolina resident during his or her term of office, and thereby causes more than one-fifth (1/5) of the trustees of the affected institution to be out-of-state trustees, then the Convention may, by a two-thirds (2/3) vote, terminate the trustee's membership on the institution's board.

*Bylaws Part 2, Article 1, Section H, Lines 31-34: Whenever nominations are made by committees, other individuals may be nominated from the floor, **with the exception of nominations for institutional trusteeships, which shall be made solely by the Nominations Committee according to the procedures set forth in Article III (C)(4)(d) below .**

*Bylaws Part 2, Article II, Section A, lines 41-46 and pg 14 Lines 1-5: The President, in consultation with the Vice Presidents and Secretaries, shall appoint at each Convention fifteen (15) persons, **each from different associations**, to act as a Committee on Committees to function from the close of the annual session in which they are appointed through the next annual session. **The fifteen (15) persons shall be made up of no less than one (1) from churches with 500 in worship or more, no less than three (3) persons from churches with 200 – 499 in worship, no less than (3) from churches with less than 200 in worship, and no less than three (3) from churches that are new works (church plants), which have been in existence one (1) to five (5) years. Worship attendance based on the latest published Annual Church Profile Report. The President is strongly encouraged to seek people who accurately reflect the ethnic diversity of the South Carolina Baptist Convention.**

*Bylaws Part 2, Article III, Section C, Lines 24-32: It shall be the responsibility of this committee to nominate members of the Executive Board and boards of trustees of institutions of the Convention. The committee shall organize its work and seek suggestions from Baptist individuals, churches, and chief executive officers, and trustee chairpersons of institutions in such ways, including the use of the *Baptist Courier*, as to provide the various boards with membership which is best suited to represent the Convention in providing the type of leadership required and meeting the special needs of institutions. The committee shall endeavor to provide that representation from every segment of Baptist constituency is afforded participation in Convention life. **The committee should seek people who accurately reflect the ethnic diversity of the South Carolina Baptist Convention.**

~~*Bylaws Part 2, Article III, Section C, Lines 10-46: The Nominations Committee shall convey their recommendations for trustees to the chief executive officers and chairpersons of the institutions prior to the Nominations Committee's initial contact of the nominees. The Committee is not obligated to choose any candidate suggested by the chief executive officers and chairpersons.~~

Special Procedures for Institutional Trustee Nominations. The following procedures shall be followed in electing institutional trustees.

- (i) The Nominations Committee shall be subdivided into seven subcommittees—one for each institution. A committee member may serve on no more than two subcommittees.
- (ii) Each subcommittee shall, together with the CEO of its designated institution, select the nominees for the offices of trustee of the designated institution, which nominees shall have affirmed the Baptist Faith and Message 2000. The agreement of both the subcommittee and the CEO of the designated institution shall be required to advance a nomination to the full Nominations Committee no less two (2) weeks prior to the full nominations committee meeting. Only one nomination shall be advanced for each trusteeship.
- (iii) The full Nominations Committee shall separately consider each nomination advanced by the subcommittees. The committee shall vote whether to advance each nomination to the Convention or to reject the nomination. If a nomination is rejected, the process described in subpart (ii) above shall be repeated, and the rejected nominee shall not be eligible for renomination to the trusteeship then under consideration.
- (iv) The full Convention, in session, shall separately consider each nomination advanced by the Nominations Committee. The Convention shall vote whether to confirm each nomination or to reject the nomination. If a nomination is rejected, the process described in subparts (ii) and (iii) above shall be repeated, and the rejected nominee shall not be eligible for to the trusteeship then under consideration.
- (v) No person shall be eligible for nomination or appointment to an institutional trusteeship whose previous nomination to that office has been rejected by the Convention in session during its current or most recent annual meeting.
- (vi) If more than one nominee for the same trusteeship is rejected by the Convention in session and the Executive Board, by a two-thirds (2/3) vote, certifies that there is a critical need to fill the vacant trusteeship immediately, the Executive Board may, subject to subpart (v) above, appoint a nominee chosen by both the Nominations Committee and the CEO of the affected institution.

49. Business Session

Sonny Holmes explained that earlier in the meeting, the assembly received 3 items that had been deferred to this time period.

- a. The first item to be considered is a motion made by Hans Wunch: "I move that the Executive Board study the effectiveness of the 60/40 split of church staff and lay people in the

Nominating committee, then report their findings back to us and report them at our next Annual Meeting.”

-Huns Wunch (Pastor of Calvary Baptist Church, Ware Shoals) spoke for the motion.

-no one spoke against it.

**A vote took place... the motion was approved.

- b. Bobby Eubanks moved earlier that Jim Austin and the Executive Board do a cost analysis of the operations of the Baptist building and take proper action to reduce the \$600,000 operating expenses, in lieu of the current staff reductions and program changes.

-Robert Rivers, Pastor of Salem Baptist Church, Summerville, spoke for the motion

-No one spoke against the motion

**A vote took place....the motion is approved

Sonny Holmes paused to announce the appointment of the 2012 Committee on Committees.

-The Chair learned after the Committee on Committee report that due to a resignation on the Nominations committee, an additional name needed to be considered. The order of Business committee assigned this time for receiving the name of Gary Southern to serve an unexpired term for the North Greenville Association on the Nominating committee.

-Are there other nominations to be considered to serve this unexpired term?

-There are no other nominations.

**A vote took place...the motion is approved.

50. Executive Board and Cooperative Program Report

Sonny invited Chairman of the Executive Board, Keith Davis, and Chairman of the Budget, Finance, & Audit Committee, Mendel Stewart, to approach the podium.

-Keith Davis affirmed the privilege of being on the Executive Board.

-Mendel Stewart made a recommendation to adopt the 2012 Great Commission Resurgence budget and the accompanied recommendations as printed on page 4 of the yellow handout.

-Sonny asked if anyone would speak to the recommendation.

-Brian Spearman (Marietta First Baptist Church) mentioned a concern dealing with the amount given to Camp McCall.

-Pam Carroll spoke to Brian’s question- “Camp McCall didn’t ask to receive any more funds.”

-Dwight Easler (Corinth Baptist Church) made a motion to amend the budget and to send the budget back to the B,F,&A committee for them to find the money to restore Camp McCall back to its 2011 level of funding.

-There was amendment on the floor and a second.

-Rocky Purvis spoke in opposition to this amendment.

-Robert Rivers (Salem Baptist Church) spoke in opposition to this amendment.

**A vote took place....the amendment was denied

-Sonny asked if there was any more discussion on the original budget.

-Ryan Goodroe (First Baptist Hartsville) asked if the committee could explain the \$100,000 difference going to the Executive committee and why it was decided to be put into church retirement accounts.

-Mendel Stewart spoke to Ryan's question. "As a Convention, we have not had to use our credits with Guidestone. The Budget committee decided that we needed to use more Cooperative fund money because that's really a rainy day account."

-Leonard Carter (Alliance Baptist church) asked for clarification on why departments were asked to reduce or maintain their budgets and some line items have actually increased budgets. Also, clarification on why only a few areas have significant reductions.

-Pam Carroll spoke to Leonard's question. An increase in Health Insurance cost has driven up the overall budget of each ministry area. A new position was added in the Childhood area and we filled a vacant position in the Executive office. In regards to reductions- positions have been divided and put into two separate teams so the budget monies were distributed differently. We also had an employee retire so the savings on their salary caused a reduction in the budget for their area.

-Bryant Sims (First Mount Moriah church in Greenwood) asked for clarification on the Institution cuts that are occurring.

-Pam Carroll spoke to Bryant's question. The GCR report locks institutions in at a 10 percent cut off of the 2011 budget and their dollars will remain the same regardless of CP giving being up or down over the five year period; they have a guaranteed amount for the next 5 years.

Sonny asked if there was any other discussion on the motion to approve the budget as presented.

**a vote was taken....the motion to approve the budget was adopted.

4 may deem advisable.

5 2. While the messengers and the members of the Executive Board shall mutually respect
6 the rights which the Articles of Incorporation and the Bylaws vest in the Convention in session

24 d. Upon the occurrence of either of the two above events, the Executive Board shall
25 advise the member or trustee and, in the case of a trustee the secretary of the board on which the

38 trustee and the secretary of the affected board.

39 f. A member or trustee who is removed from office prior to the expiration of the term
40 to which he or she has been elected shall not be eligible for election to any board whose

42 to which the member or trustee had been elected.

43 g. Notice under this section may be oral unless specifically required to be in writing.
44 Notice may be communicated in person, by telephone, telegraph, facsimile transmission, or
45 other form of wire or wireless communication; or by mail or private carrier. Oral notice is

2 the Convention to exist: breach of trust, neglect of duty, physical or mental incapacity of the
3 member; conduct by the member which is deemed by the Convention to be immoral, fraudulent
4 or dishonest; the member's engaging in a conflict of interest transaction.

5 6 C. Organization Documents, Officers, and Committees

7 The Executive Board shall govern itself by the election of such officers and committees, and by

EXECUTIVE DIRECTOR/TREASURER

James W. Austin

Since our past board meeting last April, South Carolina Baptists have experienced some very significant spiritual highlights as a result of ministries sponsored by your South Carolina Baptist Convention. God continues working in and through His people to accomplish His purposes in our state and throughout the world. Regardless of the many challenges we face, from economic to political and all points in between, God still redeems lost men, women, boys and girls and brings glory to himself in multiple ways. Some of the specific areas of celebration are as follows:

- The Intentional Church Multiplication Process initiative addressing church mobilization continues to expand with churches in five associations now involved. This effort already shows great promise in assisting church leadership.
- Ninety-three collegians from our state universities participated in summer ministry projects. This is up significantly from the number that participated in 2010. Your Baptist campus ministries summer missionaries served in areas as close as Charleston and as far as Swaziland, Africa.
- One hundred eight conversions were recorded on your state university campuses through your Baptist campus ministries this year. This number ranks South Carolina as second among state conventions in professions of faith through Baptist campus ministries.
- We had 21 church plants this year, giving a strong indication that we will have another strong year in church planting in our state.
- Ethnicity of SC Baptists continues to expand with six people groups participating in the Multi-ethnic Evangelism Conference.
- One hundred twenty-two volunteers served in Nova Scotia, Canada (comprising of 13 teams from eight churches).
- Twenty-six churches participated in the Urban Atlanta Church Planting Partnership, seeking to reach Atlanta's population inside of loop 285 for Christ.
- Twenty-four new ministries began in multi-housing communities in South Carolina this year. There are currently 87 ongoing multi-housing ministries taking place in our state.
- A new attendance record was set yet again at Summersalt youth camp with a total attendance over a four-week period of 2,317. There were 99 professions of faith and hundreds of other commitments. Total commitments this year exceeded 900 between Summersalt and Big Youth Thing.
- Your White Oak Conference Center continues to grow in service to South Carolina Baptists. Attendance continues to increase while Cooperative Program subsidy decreases.

We rejoice at the mighty work our Lord continues to do through the churches of the South Carolina Baptist Convention. Our partnership is strong and God is working. We have much for which we can rejoice! As we stay focused on bringing glory to our great God by obediently living for Him and faithfully serving Him, we will grow in experiencing Kingdom life.

(1) Cooperative Gifts includes gifts from South Carolina churches restricted to all Southern Baptist Convention causes or all South Carolina Baptist Convention causes. These gifts are allocated on a pro-rata basis according to Cooperative Program section of the budget.

2012 Executive Board Ministries Budget Recommendations

Recommendation 1: That the Convention commend to the churches the Cooperative Program as the wisest, most effective and efficient plan of giving to support our emphasis of Experience Kingdom Life. The South Carolina Baptist Convention recommends that we continue to honor and affirm the Cooperative Program as the most effective means of mobilizing our churches and extending our outreach and that designated giving to special causes is to be given as a supplement to the Cooperative Program and not as a substitute for Cooperative Program giving.

Recommendation 2: That the 2012 SCBC Experience Kingdom Life budget be \$28,600,000 which includes gifts through the Cooperative Program of \$28,500,000 and Cooperative Gifts of \$100,000, and the gifts be allocated as in the Budget Summary.

Recommendation 3: That any budget gifts exceeding the budget requirements be allocated according to the normal Cooperative Program formula.

Recommendation 4: That the Church Staff Retirement Plan administered by GuideStone Financial Resources of the Southern Baptist Convention be funded jointly from the South Carolina Baptist Convention section of the budget and with credits on deposit for this purpose with GuideStone. The Church Staff Retirement Plan provides retirement contributions to the individual accounts of South Carolina Baptist ministers and provides protection benefits in the area of life and disability. For a church to be eligible for its ministers to participate in the Church Staff Retirement Plan the church must have given in the previous year of the Convention's accounting records \$1,100 for each eligible and participating staff member to the SCBC Budget or \$1,100 for each eligible and participating staff member designated to the Church Staff Retirement Plan. (For example a church with two staff members would have to contribute $\$1,100 \times 2 = \$2,200$). A church experiencing financial difficulties and unable to meet the contribution requirements may request an exception to the policy under a hardship status through the Church Retirement, Insurance & Administration Office.

Recommendation 5: That special offerings for the benevolent institutions be continued, where it is consistent with the financial policy of the local churches, as follows: 1) first Sunday in each month for Connie Maxwell Children's Home; 2) annually on Mother's Day for the South Carolina Baptist Ministries for the Aging.

Recommendation 6: That the Executive Director-Treasurer report on a timely basis, cumulative gifts received from the churches and the allocation of the gifts as follows: 1) Total gifts to the South Carolina Baptist Convention Budget Gifts (which includes gifts through the Cooperative Program and Cooperative Gifts) at the end of each quarter; 2) Designations for Southern Baptist Convention and South Carolina Baptist Convention ministries after the conclusion of the calendar year; 3) Weeks of Prayer offering gifts for home and state missions after the conclusion of the calendar year; 4) Lottie Moon offering gifts for foreign missions at the conclusion of the fiscal year for the offering. All gifts will be processed in accordance with the instructions of the contributor without any deduction for expenses.

Recommendation 7: That the Executive Director-Treasurer forward all Southern Baptist Convention funds on a monthly basis to the Executive Committee of the SBC in Nashville, Tennessee.

[CVT] Church Health and Cooperative Program Group
Gary Anderson, Director

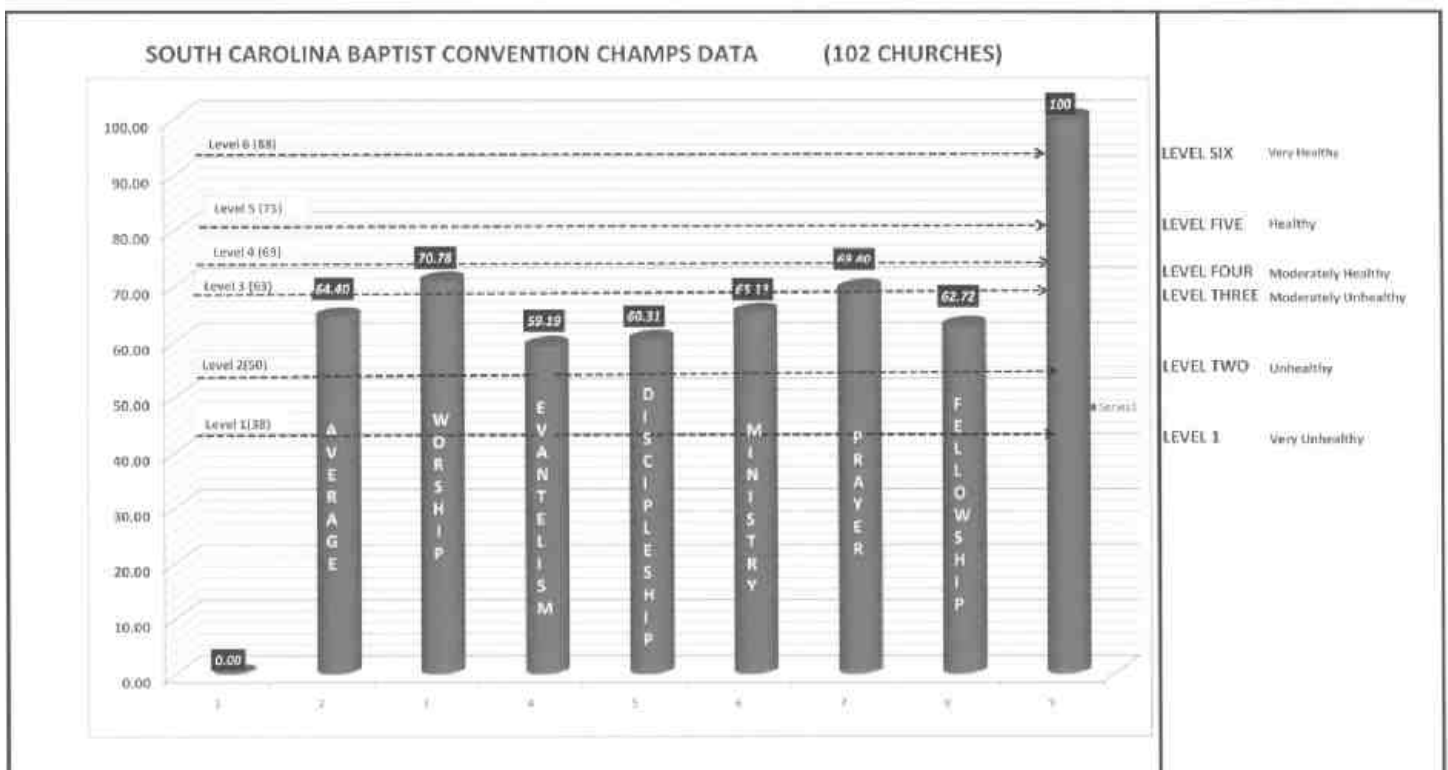

“It is expected of managers (stewards) that each one be found faithful” (1 Corinthians 4:2, HCSB). These words carry for me an expectation and a challenge. These days require faithfulness. Paul did not see it as an option then, nor is it an option now. I consider it a calling and a privilege to be involved in kingdom work. The call to stewardship should be a vital part of our cooperative revitalization efforts.

- Preached regarding Cooperative Program in 34 churches.
- Preached or made presentations in 23 churches regarding CHAMPS.
- Preached in 15 other churches.
- Assumed role of Director of Church Health and Cooperative Program Group in January of 2011.

- A new stewardship emphasis “Traction” to be released this fall.
- A four week Cooperative Program emphasis themed “Together We Are” will be released for Cooperative Program month.
- Utilizing CHAMPS as a valued use of CP dollars.
- CHAMPS (Church Health Assessment and Mobilization Planning Strategy) is designed to help any church in South Carolina become healthier.
- CHAMPS is a vital part of the Intentional Church Multiplication Process (ICMP) and we are strengthening the partnership between the two.
- As of the middle of August, 102 churches have completed the assessment. Below is a chart that is the accumulation of data collected from those churches. The assessment measures the strengths and weaknesses of a church in six areas: Worship, Evangelism, Discipleship, Ministry, Prayer, and Fellowship. These are the six functions or purposes of the church as found in Acts 2:42-47.
- Eighteen consultants were trained in a national training event in May. Another training for consultants is scheduled in October. A licensing agreement was signed with the Society of Church Consultants that allows the training to be much more cost effective. Don Matthews and I will serve as trainers for the Society.

We will continue to be highly relational with our churches and proceed in a way that will glorify God, edify the saints, and impact lostness.

[CVT] Youth Ministry Group

Steve Rohrlack, Director

The Youth Ministry Group assists churches in fulfilling their mission to reach the student generation for Christ by resourcing four specific areas. The first of these would be the youth ministers. For many called into Christ's service, youth ministry is the entry-level position. The Youth Ministry Group is not just the "face" of the Convention for youth leaders. It is the first point of Convention contact for many that will become the next generation of church pastors. The second group would be the volunteer leaders. Volunteer led ministries have different resource needs in the same way a pastor seeking Bible study helps would be resourced differently from a Sunday School teacher. The YMG offers a tiered approach to training ensuring that the veteran student pastor and brand new youth volunteer receive help tailored to their needs. Youth Minister Search Committee instruction is a third request that is very often received by the YMG. This help includes instruction for the committee; a plan of preparation for the church along with an honest evaluation for those churches recovering from a difficulty in their past. We assist churches in providing a healthy beginning for a new youth minister. Finally, there are large events offering the quality and impact that individual churches would not be able to duplicate. These events include SummerSalt (Summer Camp); Big Youth Thing (Student Evangelism); Southeast Conclave (Youth Minister/Leader Training); SC Youth Ministry Network Annual Meeting & Youth Minister's Day at Carowinds.

- Youth Minister's Day at Carowinds, May 6. Over 400 Youth ministers and their families attended.
- Director served as a faculty member for the Youth Ministry Institute of New Orleans Seminary in both the spring and fall semester.
- SummerSalt attendance exceeded 2,300 (a record attendance) with more than 400 total decisions. All attending were trained in the "Story Telling Method" of sharing the gospel.
- The "Big Youth Thing" continues to be an end of the summer favorite. This year's speaker was Clayton King with the band "Hawk Nelson" serving as the concert band. Attendance was just short of 3,000 with 324 decisions.
- As September & October are busy months of training, the Youth Ministry Group has multiple Associational & Church Sunday School Conferences scheduled.
- Additional points of local church contact are the multiple sessions scheduled with local churches, working with their Youth Minister Search Committees.
- Six networking lunches targeting SC youth ministers are scheduled for September & October.
- Director will serve as one of the presenters at the annual Youth Sunday School Leadership Conference.
- SC Youth Ministry Network's Annual Meeting is November 14.
- Director & associate director will be attending LifeWay & NAMB's Winter Meetings.
- Associate director continues to serve a leading state resource for student and contemporary worship.

Assisting churches and seeing our state, nation, and world evangelized is our priority. Efforts are being made to resource and equip men and women to be godly in their home, work place, community, church, and to be on mission for Christ in the world. It is our desire to help people connect the dots between Christ and the ultimate goal of a Christ-centered culture. REPORTS OF INSTITUTIONS

Report of Anderson University Evans P. Whitaker, President

Introduction

The fall 2011 semester marks the beginning of the University's second century of service to God and humanity. The world is a far different place than it was when AU was founded, and it requires that we adapt to meet the challenges of the new century. While we must adapt the way we operate, our mission is non-negotiable. Anderson is an intentionally Christian university in the Baptist tradition. That is our past, present, and future.

Accolades

For the 2nd consecutive year, **U. S. News & World Report** ranked Anderson the **NUMBER ONE "Up & Coming" university in the nation of its type**. This year, only 46 forward-moving institutions made the exclusive list that U.S. News says "everyone should be watching" as models of innovation and advancement. On top of that, Anderson is ranked among the 23 best institutions of its type in the South.

Anderson again fared extremely well in other national rankings. Here are just a few accolades:

1. Named to the 2011 *America's Best Christian Colleges*.
2. Named to the 2011 list of *America's 100 Best College Buys*.
3. *Princeton Review* ranked Anderson among the **Southeast's top colleges and universities**.

All these affirmations confirm that Anderson is on track in its goal of becoming one of the leading Christian universities in America.

Record Enrollment

This year, our enrollment grew over 8 percent to reach an all-time high of 2,727 students, which means that Anderson has grown by over 68 percent since 2002. This year, a total of 615 new students joined our student body making the class of new students the largest ever. Overall FTE enrollment increased 6.5 percent over fall of 2010. Graduate enrollment increased to 235, which represents a 20 percent increase over last year.

A Consistent Mission

Each fall, we open the academic year with "Opening Convocation." Our professors dress in colorful regalia and process into Henderson Auditorium to the beat of a baroque march. Students and guests stand respectfully as we process. An invocation is offered, a welcome is given, a hymn is sung, service awards are given to long-serving faculty and staff, and then comes the one time of the year that the president gives a formal convocation address. Invariably, I work on my message until the last hour as, without fail, God faithfully delivers to me the right thoughts each year. It's the best opportunity I have all year to bring our campus together around the themes that are important to us and the concepts that hold us together as a Christian academic community.

The message is typically one that focuses on a better understanding of what it means to be a Christian academic community. This fall, sensing that many of us are burdened with so many of the world's present troubles, especially the economy, wars, conflicts, low confidence in leaders, and the general state of international relations around the world, I chose a slightly different approach. As I drove down the road one day in late summer and tuned into a radio station playing a 1990 Billboard 100 hit song, the message came to me. The lyrics prompt deep reflection and leave the listener with an unresolved sentiment. These lyrics from my young adulthood would perfectly frame a message about education and faith.

I went to college in the early 80s. Like most young people, I listened to the pop and rock bands of the day. (Today's students laugh when I tell them I listened to groups they consider on the same heap of history with leisure suits.) Frankly, a lot of those songs weren't worth listening to – then or now. But occasionally, a songwriter wrote lyrics that provoked deep reflection about some things with which we humans struggle in life. They would raise important spiritual questions but ultimately leave those questions unanswered. That's what made them secular instead of sacred, and such was the case with the song that played over the speakers in Henderson for the students to hear just before I rose to speak.

The lyrics remind us that the world is far from a perfect place. They describe a world filled with hatred, and where heroes and legends fall with regularity. Confused and disillusioned, the songwriter proclaims that every night he says “a prayer in the hopes there's a Heaven.” He pleads for someone to show him “the way,” presumably the way to a better life, a better world. The lyrics do well to describe the cries of people over the ages who seek relief from confusing and discouraging times and express hope for a better future, but it offers no answers to the dilemma. In these confusing times in which we now live, this clearly secular song was ripe for a message that offers a Christian response to the spiritual dilemma it describes.

Here are some of the points I made:

1. The world is imperfect because human beings are imperfect. The world has many problems like hunger, disease, meanness, crime, illiteracy, etc. Making the world a better place is no small challenge. Nevertheless, we can all make a difference. The more we work at it, the better the world will be. When you graduate, you take what you learn here and apply it and you become a positive catalyst for change. God is in control and is ultimately “The Answer” to humanity's condition, but He counts on us to do our part in transforming human history through our God-given talents, our skills, and knowledge – using them all for good.
 - a. The world needs well-educated persons who can analyze and aggregate disparate information, make sense of it, and solve real problems. The rigorous general education received in the liberal arts at Anderson helps our students develop these abilities. They are able to use them in any career they choose or transition to later in life.
 - b. The world needs people of good character, integrity, wholesome values, and faith. We all have clay feet, but unlike so many arrogant figures of our day who refuse

to take responsibility for their actions, when we make mistakes, the Lord wants us to come before Him in transparency and humility, confess our sins, ask Him for forgiveness, learn from our past, and like David, seek after His heart. David was imperfect, but he sought after God's heart, always coming back to his bedrock faith and convictions. The greatest desire of his life was to please the Lord.

Our secular culture teaches us exactly the opposite. We live in a culture that is increasingly characterized by moral relativism. As a Christian university, we submit to our students that God is Creator of Heaven and Earth and all Reality. Their college experience at Anderson addresses growth of the heart as well as growth of the intellect. We emphasize to students to pick up their values from the teachings of Jesus Christ instead of a secular culture that has lost its way and knows not the things of good character, integrity, wholesome values, and faith.

2. The condition of our world is going to get worse, not better. Unless, that is, our students and others like them rise up and say "enough is enough!" By the way they live their lives; they send a message to the world. They communicate to the world that they have the solution so many people seek. They can be a good example of how we are to live and relate to one another. They can be a source of encouragement to others. They tell the people of the world how they can have hope. We encourage them to ask the Lord for a never-ending succession of opportunities to use them to help the people of the world discover faith – real faith.
 - a. We won't solve all the world's problems, but every one of us can make a difference. It begins with each individual. Each of us must *be* the transformation we envision. We must *be* the change we desire.
 - b. There's no better place for a group of future problem-solvers, role models, and hope-givers to equip themselves for that calling than Anderson University.
 - c. Now here's a thought: I wonder what our world would be like today, if more of America's and the world's leaders had attended Anderson University?
3. Finally, the songwriter describes his nightly routine of praying in the *hope* there is a Heaven, and in so doing he acknowledges to us his belief in God, but then in the same breath calls into question the existence of Heaven, life after death, and the very God to whom he just prayed. It wasn't a mistake, though. It was an intentional honest expression of one of the questions human beings seeking answers ask in life. And of all those questions, it's the *big* one.
 - a. The Bible tells us that Heaven is real, and regardless of all the things we have heard about it, the best thing about Heaven is that Jesus will be there. Heaven is all about Jesus, and Jesus is all about Heaven, *forever*.
 - b. Paul says the way you demonstrate your belief in Heaven is with a new life. Listen to what he says in Colossians 3:

"Since you have been raised with Christ, set your heart on things above, where Christ is seated at the right hand of God. Set your mind on things above, not on earthly things. For you died, and your life is now hidden

with Christ in God. When Christ, who is your life appears, you also will appear with him in Heaven.”

People who believe in Heaven let that belief find expression in a Godly life.

- c. Yes, the best thing about Heaven is that Jesus will be there. And everything we have only partly understood in this life will then be fully understood. At that time, illusion and confusion will be no more.
- d. Jesus is the greatest hope humanity has. Jesus and the eternal life he offers is the best deal we’re ever going to get. If you live your life like the scripture above, Jesus will use you as a mighty tool in his hands to show the world the hope, the faith, and “the way” the people are desperate to see.
- e. As AU Trojans, let us all live our lives as well-educated problem solvers; people of good character, integrity, wholesome values, and authentic faith. Let us set our minds on things above and live out the vision of a better world Paul gives us:

“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace,” he says. “And be thankful. Let the message of Christ dwell in you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, do it all in the name of the Lord Jesus, giving thanks to God the father through him.”

As a South Carolina Baptist university, Anderson’s job is to give our students an intellectual education that is second to none, so they can serve God and humanity through their lives. That is why so many of our graduates have distinguished themselves and their alma mater, and that is why Anderson University is so highly ranked by national magazines and organizations. But it is also our job to be transparent with our students and anyone else who will listen about the bedrock confession of our belief in God as Creator, Sustainer, and Lord of all life. It is our job to help students mature in their own faith, and, as David Dockery says, “to know who God is, who they are in relation to Him, and their place of great privilege and responsibility in God’s world.”

That is our mission. Always has been; always will be.

Today, we believe our founders would be ecstatic about the fact that for a century Anderson has remained true to its purpose – a Christian university, without apology. It’s a place where you can get an education to last a lifetime, and on top of that, gain the *only* thing that lasts *forever*. As we launch our second century of service, we ask South Carolina Baptists to support us. We need and deserve your support! Why – not because of anything we have done in and of ourselves, but because the work God enables us to do on this campus is *Kingdom work* as much as anything else, and it is worthy of your financial investment, your endorsement, your recommendation, and your prayers.

An additional 333 decisions were made through off-campus organizational partnerships. Fifty-four students were baptized or rebaptized through Summit Baptist Church, CSU's campus church, pastured by Jon Davis.

■ Jon Davis, FCA Director and campus minister, led a Bible study for the Colleton County varsity football team on July 26. Thirty-one players, including the head coach's two sons, accepted Christ.

■ Weekly ministries and Bible studies on campus include Baptist Collegiate Ministries, Elevate, Campus Crusade for Christ, the Fellowship of Christian Athletes, Campus Outreach, Catalyst, Solomon's Porch, Disciple Now Weekend, Prison Fellowship, Praise Band, New Vision, and One Accord Gospel Choir. The purpose of campus ministries is to: reach college students with the gospel (Romans 1:16); raise college students in the scripture (2 Timothy 3:16-17); and release college students to change the world (Matthew 28:18-20).

■ Charleston Southern University partnered with 12 community ministries for the 2010-11 year including: Water Missions, Compassion International, In Every Story, Habitat for Humanity, Lowcountry Orphan Relief, Celebration Station, Convoy of Hope, The Hope House, Eagle Harbor Boys Ranch, Miracle League, Land of a Thousand Hills Coffee, and the International Mission Board of the Southern Baptist Convention.

■ More than 300 CSU students volunteered, worshipped and provided financial support for the annual *Convoy of Hope*. Thousands more were fed, clothed and offered medical and dental services.

■ Charleston Southern students led two Fall Break mission trips to work with the HOPE House, a faith-based ministry that provides a place of seclusion, restoration, and healing for domestic minor sex trafficking victims and to Summit Church in New Jersey to serve with a SBC church re-start.

■ More than 400 Charleston Southern students attended the *Souper Bowl of Caring* in February. Students donated 238 canned goods for Celebration Station, a local food pantry. The event was co-sponsored by Summit Church.

■ CSU sponsored three mission trips over Spring Break 2011 to Orlando, Florida, New York, New York, and Hazlet, New Jersey. More than 30 Charleston Southern students served, ministered and shared the gospel with communities across the country.

■ The first chapter of All Girls Allowed, in conjunction with AmeriCorps Campus Compact, was established in spring 2011. All Girls Allowed is the organization and ministry of Chai Ling, CSU's 2011 commencement speaker, which educates and ministers to those oppressed by China's one-child policy.

■ The University hosted SYNC '11, a two-day conference for Pastors and Youth Ministers to strengthen team ministry and church staff relations.

■ CSU hosted Lifeway's Mission-Fuge (M-Fuge) camps for the eleventh year. This year, 4,000 teenagers from around the nation participated. These young Christians collected thousands of dollars in offerings for missions and provided assistance to needy and elderly people in the community.

■ The Charleston Southern University School of Education, in collaboration with the Department of English, was awarded funding from the U. S. Department of Education's Fulbright-Hays Group Projects Abroad (GPA) program for a five-week teaching and research trip to Ghana, West Africa.

■ Charleston Southern University has been named to *The President's Higher Education Community Service Honor Roll*. CSU is the only college in the Lowcountry to receive the honor.

■ The Derry Patterson Wingo School of Nursing will triple enrollment over the next three years. The School of Nursing currently has the highest consecutive four-year pass rate for all accredited BSN programs in South Carolina and graduates have earned an average 97% first-time pass rate on the National Certification Exam (N-CLEX).

■ The Master of Science in Nursing online program graduated the first class in December. The MSN program trains nurse educators, a vital commodity in addressing the current nursing shortage.

■ CSU will be celebrating its 50th anniversary in 2014. To mark this special milestone and to help the University prepare for its next 50 years, CSU is moving forward with a \$39 million comprehensive fundraising campaign. Key priorities of the campaign will be the Christian Leadership Building, expansion of the nursing program, the Athletic Center, scholarship support, endowment enlargement and other University initiatives.

**Report of
North Greenville University
James B. Epting, President**

At North Greenville University we continue to reach and change the world for Jesus Christ and our new Craft/Hemphill World Evangelism, Missions, and Christian Worldview Center as well as The Todd Prayer Chapel will be significant in getting us to the next level at sharing Him.

First, let's discuss The Todd Prayer Chapel. We all agree at North Greenville that one can obviously pray anywhere, but there is something very special about having a unique house of prayer in the center of a campus built on prayer. It is similar to Waffle House – open 24/7 and no locks, but there is spiritual nourishment in our Chapel.

As you know prayer is the key for all things and we make no decisions without spending time on our knees seeking God's face and His will. In 2 Chronicles 7:14 God says, "if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their lands."

The Craft/Hemphill Center provides the much needed facilities for our Global Missions, Christian Worldview, and Church Planting and Revitalization programs. In addition to classrooms and offices, the hub of the Center is the Mission Control Room. Hub means the central part or the heart. Certainly, without the hub there is little need for this facility because it represents the purpose of the Center.

For you see the Mission Control Area will allow our students to reach and change the world through technology. Every day a student will be able to have a video conference with any missionary located around the world or we can hold video conference sessions with many Christian Worldview leaders at one time or meet with Directors of Missions from many associations to discuss the revitalization of their association's churches each week without the need for them to travel to our location. The possibilities are endless and most importantly, we will be able to reach and change the unreached areas of our world at a quicker pace.

We are not about to change in our commitment to quality education in a biblically sound, Christ-centered environment and our passion for lost souls. Somewhere along the way at many of our schools and churches we began to slacken in our commitment to Jesus Christ. There is a problem of perseverance. We no longer have the fervor we once had. It begins with a subtle drift. Have you ever been on a float in the lake? The water can be perfectly calm; yet, you will drift from your original location and even worse, not realize it. Then, you begin to compromise your commitment and passion. If anything, we must change by becoming stronger at reaching one more for Jesus Christ.

Campus Ministries

One hundred ninety people have received Christ on the NGU campus since June 1, 2011. We thank God for this continuing work among our students. We pray that we will continue to see evangelistic fruit throughout the academic year.

Since 1993 NGU in partnership with the churches of the North Greenville Baptist Association has hosted a crusade to begin the academic year. Dr. Richard Blackaby, President of Blackaby Ministries International and the former President of the Canadian Southern Baptist Seminary, was the speaker for the annual North Greenville Area Crusade, August 14-17. Our students were well represented during the crusade.

Denominational Relations at NGU is greatly expanding our service to churches with the founding of the Church Planting and Revitalization Center this fall. The Founding Director is well-known Southern Baptist author and leader, Dr. Ken Hemphill. The first emphasis will focus on church revitalization as up to ten churches will be invited to walk through the process.

Our Baptist Student Union is averaging over 400 students at Thursday night meetings! We have ninety students serving on Weekend Impact Teams and sixty-seven on Community Impact Teams. After training in September, teams are available to assist churches by leading Disciple Now events, lock-ins, retreats, and worship.

Global Missions hosted our annual Missions Conference in mid September. Students were challenged to take the Gospel to the ends of the earth and 1,000 of them made that commitment! The sun never set this past summer where NGU students weren't sharing Christ to our lost world. During this academic year, students will travel the globe during winter and spring break on projects planned and directed by Global Missions.

Enrollment News

This semester has brought the most exciting news in the enrollment history of North Greenville University. We set a new enrollment record for the 18th consecutive year. We have 2438 students, and our full-time equivalent is 2187. This is 127 more students than last year and includes 238 graduate students. SAT scores are averaging 1115. Also, we have a record total of 1506 resident students. The Admissions and Financial Planning staff brought in a record 689 new students. We have a total of twenty-two international students along with fifty-five missionary kids representing ten different countries enrolled this year. Among the new students are sixty-nine Honors Program scholars, a record number for the University, even with higher entrance requirements. Since 1996 the program has grown from nineteen students to 224 students. The University also welcomed 101 Palmetto Fellows Scholarship recipients who represent the very best academic students from across South Carolina. In addition, 137 students are expected to graduate this December.

Finances

For twenty consecutive years we are operating with a positive cash flow. We are pleased to report that our total indebtedness (long and short term) is \$481,195.62 (reduced from approximately \$3,000,000 in May 1991). On January 20, the Board of Trustees approved a \$43,390,111 budget with only a 4.5% increase in tuition, room and board. We want to remain the most affordable private, accredited, Christ-centered four-year University in the Southeast while keeping Christ at the head and center of all our thinking and conduct. The cost for the 2011-2012 school year is as follows: tuition per semester - \$6,698, and the room and board per semester - \$3,925.

Conclusion

In Matthew 20:28 it says, “not to be served . . . but to serve.” Therefore, if we are going to reach and change the world, we must make service, not success, our first priority and success for Jesus Christ will follow! Our purpose remains to not have and hold, but to give and serve. The service we render to others is really the rent we pay for our room on earth.

There are many challenges ahead as we address an ever-changing landscape in higher education and the world. We have a great story to tell at North Greenville University and it is our intention that we will continue to grow and accomplish our mission of preparing Christ-centered leaders.

Most important of all we will trust God as we move forward. After all, trusting God means looking beyond what we can see to what God sees. Now, that is exciting!!

Report of
The Baptist Courier
Don Kirkland, Editor

The Baptist Courier, the newspaper for the churches of the South Carolina Baptist Convention since 1869, stands ready to move forward with our churches as together we seek God's direction for South Carolina Baptists in the 21st century.

Even as our own convention gathers to pray, deliberate and vote on our state's role in a Great Commission Resurgence that continues to strengthen across the Southern Baptist Convention, the Courier will be there to tell the story. And the story we will tell is the same one we have shared for more than 140 years, of how South Carolina Baptists are telling the story of God's redeeming love to people both at home and across the world. Good news is contagious, and by telling of how God's people are penetrating the darkness in our world, we pray that others — churches as well as individuals — will be inspired to step forward and do likewise.

The methods by which we tell that story continue to evolve. For most of our history — indeed, for most of the history of the Protestant Reformation — the printed word served society as the primary method of mass communication. And, despite the explosive growth of television, digital media and online offerings in the past 20 years, the majority of Baptist Courier readers (as evidenced through 56,000 subscriptions representing an estimated 140,000 South Carolina Baptists) still prefer to receive their news through the print medium. (The Baptist Courier is the fourth-largest among all state Baptist newspapers in the SBC; also, at home, we trail only the daily newspapers of Charleston, Columbia, and Greenville in number of subscribers.)

Nevertheless, we recognize that the future of denominational journalism will be an increasingly online-centric experience. To that end, we have strategically positioned ourselves to make the shift along with our readers as their reading preferences continue to evolve. In the past five years, readership of the online Baptist Courier — as measured in unique monthly visitors — has increased by more than 230 percent to nearly 15,500, and our audience from Twitter, Facebook, and e-mail news alerts likewise continues to grow. In all of publishing — not just in the realm of denominational newspapers — the growth in readership is online, and the Courier is committed to directing its resources toward serving that growing population of readers. In addition to our website (which will undergo a significant makeover in 2012), we have, in beta development, digital versions of The Baptist Courier that are optimized for smartphones (both Apple and Android operating systems) and the iPad, as well as for Nook and Kindle book reading devices. The digital news experience is accessible from almost anywhere and on many platforms, and we want to be available on as many of those platforms as possible.

While the expanding world of digital communication is exciting, we also recognize that the majority of our readers continue to subscribe to the print version. As long as a significant number of South Carolina Baptists prefer to receive their state paper in a newsprint version, we remain committed to providing them with that product. Many of our print readers are members of the generation that, through their active church engagement and financial underpinning, helped launch the explosive growth of our denomination in the years following World War II. We remain committed to serving those faithful readers as long as our financial resources will enable us to do so.

No matter how we might change in the coming months and years, our mission will remain the same. It will always be our goal to inform, inspire and involve South Carolina Baptists in the

work of our Lord. We are an ally of our churches and denomination in Great Commission work. Like you, we seek “to urgently take the whole gospel to the whole world that all may be whole.”

The Baptist Courier is developing into a more effective resource for the purposes of the Kingdom of God. The faith journey of South Carolina Baptists is far from over. In fact, in some ways, we’re just getting started.

Report of
Baptist Foundation of South Carolina
Barry B. Edwards, President and Chief Executive Officer

“And my God will supply all your needs according to His riches in glory in Christ Jesus.”
(Philippians 4:19 HCSB)

In these uncertain economic times, it’s comforting to know that God is in control of all of our needs. His provision for us is accomplished in many ways. One of the ways He has provided for Baptist causes in South Carolina is through the foresight of people who established endowments, primarily through their estate plans, that continue to provide income to meet needs year after year. The Baptist Foundation has been blessed over our 61 years of ministry to work with so many “channels of blessing” who have gone to be with the Lord, but who are still giving today.

How can the Lord use you to make an eternal difference? He might be calling you to leave a portion of your estate for Kingdom causes. Think about it. Countless lives may be won for Christ long after you’re enjoying Heaven because you had the foresight to leave a portion of your earthly goods in an endowment to provide for the Lord’s work.

Psalm 50 reminds us that the “world and *everything* in it” belongs to God. He provides for “the cattle on a thousand hills” and He is certainly more than capable of providing for His children. But, by allowing us to play a part in supplying needs, He blesses us through the giving process. How has God called you to be a blessing to future generations?

About Our Ministry

The ministry of the Foundation exists so that *all* can experience the blessing of Christian generosity. Through estate and endowment gifts, perpetual resources are provided to support Baptist ministries year after year. In fact, through the provision that many of our friends have made in their estate plans, the Baptist Foundation has been able to distribute approximately \$54 million to primarily SC Baptist ministries since our inception in 1950. Most of our annual distributions are from endowment gifts that will continue to support ministry until Jesus returns!

Leaving a legacy of giving can be accomplished through:

- ~ **Bequests in wills.** A specific dollar amount or a percentage, such as a tithe, designated for a church or other ministry can make a huge impact.
- ~ **Charitable living trusts and gift annuities.** These instruments pay life income to individuals and eventually provide for Baptist causes.
- ~ **Donor Advised Funds.** These funds provide opportunities for making gifts today and choosing how to disperse those gifts later.
- ~ **Contributions.** Gifts of any amount can be made in memory or honor of a loved one to an existing endowment.

The Foundation provides numerous resources to educate Baptists about estate and endowment giving to include brochures and booklets, web pages, and educational seminars provided by Foundation staff. Our estate planning seminars provide practical information to help participants understand the legal and charitable ramifications of making preparations for loved ones and ministry. Seminars can be conducted for groups within the church or for entire congregations.

The Foundation also provides low-cost, competitive investment services for South Carolina Baptist churches and ministries. Through prudent investment practices and quality investment

instruments, the Foundation is able to help these ministries earn income on their excess savings and building funds so that they can grow those dollars for future ministry purposes.

2010-2011 Highlights

Through prudent investment management practices and sound policies, the Foundation continues to provide financial resources for primarily South Carolina Baptist ministries, even in a shaky economy. During the past fiscal year, the Foundation:

- Distributed \$2,604,458 to primarily South Carolina Baptist charitable beneficiaries.
- Distributed an additional \$917,645 to individual living trust beneficiaries through charitable trusts and annuities, most of which will eventually become endowments.
- Awarded 19 grants totaling \$43,750 for Kingdom growth projects across our state.
- Awarded \$10,538 in scholarships to 55 students, with the majority of those funds going to students preparing for full-time Christian service.
- Began offering competitive, low-cost campaign stewardship program services to churches and ministries raising funds for ministry needs.
- Began a new Trustee Scholarship Fund that will provide scholarships to students at SC Baptist universities who plan to pursue full-time ministerial work.
- Redesigned our newsletter and website.
- Implemented the Ambassador Program, a network of almost 100 volunteers across the state who will serve as the Foundation's "eyes and ears."
- Maintained our operating budget while receiving a reduction in Cooperative Program funding for the year 2011. Since inception, we have returned over six dollars to primarily Baptist causes for every dollar allocated to our ministry from the Cooperative Program.
- Received a clean annual audit with no reportable conditions and maintained membership in good standing with the Evangelical Council for Financial Accountability (ECFA).

As of our fiscal year end of March 31, 2011, the total fair market value of assets held by the Foundation was **\$83,237,958** and continues to be around that amount today.

Future Plans

In the coming year, the Foundation will be increasing our visibility through media and personal contact. Several initiatives are already underway and include:

- Implementing a new logo during the 2011 annual meeting of the South Carolina Baptist Convention and beginning an advertising campaign in the *Baptist Courier*.
- Providing investment services presentations to our institutional partners.
- Increasing estate planning seminars and presentations in our SC Baptist churches.
- Adding a part-time field coordinator for the coastal region.
- Continuing to seek new ways to enhance our scholarship and grant funding programs.
- Monitoring expenses and exploring creative revenue sources to maintain good financial standing as Cooperative Program dollars are reduced.
- Maintaining a "clean" audit opinion as well as membership in good standing with the Evangelical Council for Financial Accountability (ECFA).

Giving to your church or other ministry through your estate plan is simple, painless, and NEEDED. Through estate giving, you have an opportunity to be a blessing to your family and provide for ministry so that future generations will come to know Jesus Christ. Will you make provision to bless others even after you're enjoying Heaven? If you wait until you're in Heaven, it will be too late. Don't miss the opportunity to be a channel of blessing!

**Report of
Connie Maxwell Children's Home
Ben Davis, President/CEO**

Almost every Sunday, I am honored and blessed to speak about Connie Maxwell and preach a message in one of our state Baptist churches. At these services, I update folks about our ministry, tell stories about our children, and offer a worship message. Sometimes I pose this question: "How do you measure the worth of a child." We at Connie Maxwell believe that children are "priceless" and there is no way to place a true value or worth on them. God's abundant love for children and the love He gives to us that we offer to them show how valuable and worthy boys and girls are in our sight and in His.

Many Baptists and churches support our ministry through special offerings, budgeted gifts, donated items, and volunteering to do missions projects with our children. They are investing in the lives of boys and girls, and I am most grateful. On their behalf, I offer our heartfelt appreciation. This involvement affirms to our children that they are worth your time, prayers, and resources.

In these challenging economic times, we are finding revenue sources to be diminishing right when children and families need help even more. We understand that when people are out of work, they can't give as much to help children in need. When church budgets are reduced for these same reasons, their gifts to us may go down. Cooperative Program giving is not as strong as it once was, and what does come in to the state is being reallocated so local ministries like ours don't receive as much as in the past. In addition, income returns from endowments and investments in the stock market have been lowered over the past few years. All of this is the "perfect storm" that affects your home and our Children's Home. Yet, children who cannot pay for the help they need and families that can't or won't fund this care must receive services from us through "scholarships" provided by others. There usually is no "money-stream" that follows the children who come to Connie Maxwell, and the enormous expense of taking care of hundreds of boys and girls each year continues to grow.

I ran across an article written in the mid-40's by our second executive here, Dr. AT Jamison. He said, "There is but a small income from endowment as yet. The source of support is the Baptist denomination in South Carolina. Churches and Sunday Schools are looked to for regular contributions. The financial responsibility is great."

This has not changed. We still depend on state Baptist people and their churches to provide for the children and to help meet this "great financial responsibility." God is blessing our ministry in many ways, and we are "weathering the storm" as best we can. Your assistance is important and necessary in order to continue providing the kind of care that SC Baptists expect and these children deserve.

Unfortunately, homes are breaking apart every day, and the children often become the victims of neglect, abuse, and even abandonment. At no fault of their own, they must receive out-of-home care, and we believe Connie Maxwell still is the right place to offer them safety, stability, and the chance to learn about salvation.

Adoptions and foster families are being encouraged by many today, and we agree that these options work well for some children. That is why we have begun a foster family recruitment and training program. Unfortunately, though, every child just is not adoptable and some children don't do well in a new foster family relationship. These children often thrive in a group home environment like Connie Maxwell, and we remain a top-notch tool in the toolbox of proper care for them.

SC Baptists support our ministry through Cooperative Program giving. From these funds, we believe we will receive approximately 11% of our \$8,084,000 operating budget next year. Many churches decide on their own that they want to assist our children at a higher level than this, and they take up special offerings or put Connie Maxwell in their budgets, and this amounts to roughly another 10%. The remaining 79% comes primarily from individual donors and from our investment income. We receive very little money from children's families or from the state. CP, church and individual gifts help to provide the scholarships that allow children to get assistance from Connie Maxwell. A summary of our expenses and resources for the coming year is included here:

- Connie Maxwell's operating expenses for 2011-12 are projected to be \$8,084,475
- We expect to receive about 11% of that from CP giving through the Convention
- Sunday School, VBS, and direct church offerings provide about 10%
- A possible 9% may come from state payments for children placed with us
- Less than ½% comes from family members of the children
- Most of the remainder comes from individual gifts and investment income

Our endowment funds often are mistakenly thought of as "savings" or an "emergency fund" for a rainy day. They are not. They are everyday operating funds since these investments provide the largest percentage of the revenue we use each year to care for children. If the endowment corpus is ever spent, Connie Maxwell will be in jeopardy of closing or greatly reducing the numbers of children served and the various locations around the state.

Other information about us:

- Over 1,600 people gave approximately 8,000 hours of volunteer service this past year
- Over 3,500 young people joined Connie Maxwell students at a Christian youth rally on our farm
- Over 15,000 people visited the Greenwood campus for our special 3-day Christmas event
- Around 200 senior adults from Baptist churches came to Greenwood this year for our "Seniors Day on the Farm"
- Our main headquarters and largest campus is in Greenwood, with satellite campuses in Mauldin, Florence, Orangeburg, Chesterfield, and a referral and counseling office in Summerville
- We will work with over 200 children a year and at any time can have up to 134 in residence at our locations
- Connie Maxwell has a foster family program where we recruit and train foster families for possible placement of some children in our care

Many of the boys and girls who are at one of our five locations come with little or no church backgrounds. Our ministry efforts allow us to let them know about our Christian faith and encourage them to seek a life with Christ. Most of the children are baptized as believers at the Connie Maxwell church in Greenwood or one of the local Baptist churches near our satellite campuses. This is why we believe that in addition to being a ministry, we also are a strong missions program to reach the lost.

South Carolina Baptists have been caring partners with us since 1892, providing homes and assistance to over 16,000 boys and girls in need. Jesus said, "Let the little children come unto me." You do that when you join with us to show our boys and girls how valuable and worthy they truly are. Thank you so much for serving with us on this mission field. Please keep the children and staff in your prayers.

**Report of
South Carolina Baptist Ministries for the Aging, Inc.
Tom Turner, President**

As a Ministry Partner, the Ministry for the Aging has the privilege of serving those who spent their lives serving others. In 1 Corinthians 4:1-2, the Apostle Paul tells believers that we “ought to regard ourselves as servants of Christ . . . it is required that those who have been given a trust must prove faithful.” Through the generous support of South Carolina Baptists, Martha Franks and Bethea Baptist Retirement Communities serve retired pastors, pastor’s wives, missionaries, and Christian laypeople – the men and women who faithfully paved the way as co-laborers to impact the world for Christ.

While SCBMA’s priority is providing high quality care and services to senior adults, we strive to be witnesses of Jesus Christ continuing to be a place where ministry and missions work is the core of our activities.

Even though the ministry has faced decreased funding and reimbursements, the ministry is 92 percent self-sufficient through responsible stewardship and fiscal controls. We give thanks for the eight percent of the ministry budget that SC Baptists faithfully invest in Martha Franks and Bethea through Cooperative Giving.

As it is with many ministries, 2011 has offered inevitable challenges for SCBMA due to the continuing economic situation. However, SCBMA continues to be blessed by residents we serve, the mission work we provide, and the financial support we receive.

The focus over the past year has been to strengthen the ministry's operation. With a thoughtful Board of Trustees and a dedicated staff, there have been several changes implemented to this end:

- Awarding two new Mother’s Day program recipients.
- Hiring a Director of Community Relations & Development, Weldon Fallaw, to strengthen ministry relationships and financial development.
- Obtaining 100 percent survey scoring results through South Carolina Department of Health and Environmental Control at Bethea Baptist Retirement Community.
- Upgrading aging facilities with beautification projects in both Bethea and Martha Franks’ Health Care residencies.
- Creating a Strategic Long Term Planning committee to direct the ministry’s future vision.

As we live out our mission to give concrete evidence of concern for and commitment to a senior adult population, providing superior products and services are essential. This ever-striving endeavor for operational excellence mandates continuous enhancement and monitoring of our procedures. The future plans are for continued stewardship and quality care results while operating our communities with the utmost efficiency.

Today, more than ever, our ministry is touching the lives of many seniors through rehabilitation services and outreach. Many of these individuals would have never possibly been able to see the genuine love of a Christian body of believers without this senior ministry.

We thank you for assistance and support received through prayers, encouragement, and financial administration through the Cooperative Program and the Mother's Day Offering. Thank you, SC Baptists for caring for all people of this state and helping us serve those who have served God’s kingdom.

REPORTS OF CONVENTION COMMITTEES

Report of Christian Life and Public Affairs Committee Skip Owens, Chairman

The Christian Life and Public Affairs Committee (CLPAC) addresses moral, social, and cultural trends/events in today's society. Committee members work closely with the Office of Public Policy to educate the public on current issues and pending legislation that affects our families and churches. The committee meets at least four times each year.

Hosting an annual Bar-B-Que luncheon for our Senators, House members and Constitutional Officers is a great opportunity to show Christian love and appreciation to the men and women who sacrifice their time to serve in Columbia. To encourage all members of the General Assembly to attend this function, we host this event on the State House grounds.

An annual highlight is the announcement of the annual *E.A. McDowell* Award recipient. This award recognizes an individual who exemplifies Christian action in the public arena—politics, government, or community action. Additionally, the committee recognizes one church in our convention that shows similar commitment in the area of social and moral concerns by conferring the *Impact Your World* award.

The Christian Life and Public Affairs Committee supports and encourages the following like-minded organizations:

- Palmetto Family Council
- Truth Ministry
- SC Citizens for Life
- Local Pregnancy Care Centers

Upon Joe Mack's early retirement (2010), the Christian Life and Public Affairs Committee began a search to find a replacement in the Office of Public Policy. We interviewed two great men of God and recommended Mark Hendrick. He was employed on a contract basis. Mark is a life-long member of Langston Baptist in Conway. Mark brings a vision to enhance pastors' work across the state by informing them of social and moral issues.

Members of the committee are grateful for the opportunity to serve South Carolina Baptists and look forward to continue making a positive impact in the future.

**Report of
History Committee
Josh Jennings, Chairman**

This year the committee has focused its attention and research on the beginnings of the South Carolina Baptist Convention. What motivated that initial group of nine men from three associations to join together in Columbia and form the South Carolina Baptist Convention? Our research has found a copy of the original letter “To the Different Baptist Associations in the State of South Carolina” which encouraged all the associations to join together for a “state association.” This document was written by Richard Furman, John M. Roberts and Joseph B. Cook on behalf of the Charleston Baptist Association. It is a call to a larger vision of God at work in the world through mission service and education. You may see a copy of the document at the Historical Services display in the Exhibit Hall. All the early Convention records include letters to the churches encouraging their cooperation in the new effort to carry out the Great Commission. This early document reflects a passion for reaching people for Jesus Christ that extends to this day. You will also find in your Convention bulletins short historical material related to the beginning of the Convention.

The Committee is interested in finding material related to the early Baptist academies located across the state in the early 20th century. The academies were located in rural and mountain areas and provided opportunities for education before the current state school system was established. The best known of these academies is now North Greenville University.

We continue to be grateful to the Special Collections Library at Furman University which contains the S. C. Baptist Historical Collection. This collection of church minutes and manuscripts related to our Baptist leaders is a marvelous resource. We appreciate the care and maintenance they give to this material. It is available for research by appointment.

This year the Convention archives received its first major gift from the family of Dr. E. C. Watson. It is a collection of his sermons and other papers. Dr. Watson served on Convention staff for twenty years and also served as a pastor, associational leader and on staff at the Home Mission Board (North American Mission Board). The sermons will be available for research by contacting Historical Services at SCBC.

The committee continues to seek local Baptist church histories for the History Room at SCBC to be used as a resource by visitors to the room. A new exhibit on historical South Carolina missionaries will be on display in 2012. Organization and cataloguing of material continues in the Archives Room as well as the transfer of valuable Convention video to DVDs.

Research assistance is available to churches writing histories or planning anniversaries. Churches are encouraged to have their records microfilmed for preservation. Church fires are all too common and destroy more than the building. Help preserve your church’s story by planning ahead. The committee continues to recognize churches which have sent in their histories during the year. Certificates for these churches will be given out at the Historical Services exhibit.

MINISTERIAL STAFF DIRECTORIES

Most church staff directories appearing on the following pages have been compiled from mailing files rather than from the Annual Church Profile. Unlike the statistical tables, which have historical value, these directories are primarily mailing lists. Inasmuch as the mailing files are updated almost daily, we believe that these directories provide the most accurate and current information available as of February 27, 2012.

Statistical Summary and Tables

Statistics Summary and Tables

Notes:

These statistical and financial tables contain a report from each church and mission in friendly cooperation with South Carolina Baptist Convention. The Convention's constitution does not make a distinction between churches and missions. In the case of missions, whose information also may be reported by the sponsoring church, there is the possibility of duplicate reporting of some statistics.

Except for the first four financial columns (marked with an *), all data is taken from the Annual Church Profile as processed by the Data Processing Office. This information reflects the church year as reported by the churches. The first four financial columns are from the Convention's audited records and reflect the calendar year. There is no duplication of information in these columns. The Budget Gifts amount includes regular Cooperative Program giving (support for the South Carolina Baptist Convention and the Southern Baptist Convention) plus cooperative gifts (support for South Carolina Baptist Convention causes only or Southern Baptist Convention causes only).

The pastor's name listed for each church is that in the SCBC computer system on February 17, 2011. This pastor may not have been the pastor during the reporting period.

Each church is listed in the association in which it was a member during the 2009-2010 church year. Churches that transferred from one association to another during 2010 are typically listed with the association to which they belonged at the beginning of 2010, the change becoming effective at the first of 2011. Following the list of associations is a list of churches that were not affiliated with an association recognized by SCBC. Every effort has been made to footnote changes in association membership that have occurred since the last printing of Convention Annual.

Any church affiliated with the SCBC that did not submit an Annual Church Profile is listed with the notation, "No Annual Church Profile Received," and no statistical information is given.
