Dr. Austin gave words of thanks to the staff and Executive Board of the South Carolina Baptist Convention for their sacrificial work and he also expressed thanks to the messengers of the South Carolina Baptist Convention for their continual support.

The theme of the South Carolina Baptist Convention is to *Experience Kingdom Life* and we do this by taking the whole gospel to the whole world that all might be whole. We are better together in many ways, but one way in particular is through our sacrificial giving to the Cooperative Program. It allows and enables us to fulfill God's commandment to go out and make disciples of all the nations. Dr. Austin thanked the messengers for their faithful giving and asked that they prayerfully consider taking the 1% Challenge at each of their churches.

**Small Church Pastor of the Year Award -** Dr. Austin recognized Monty Hale to present the Small Church Pastor of the Year award to Rev. Steve Lee.

**Vacation Bible School** – There were 2,000 plus leaders trained through the state and associational clinics this year. In 2012 it was reported that 1,411 churches participated in VBS. Dr. Austin encouraged

churches to continue in this great ministry and if a church is not participating in Vacation Bible School that they consider doing so.

**Bible Drill** – We had one hundred and seventy five children and thirty-five youth participate in Bible Drill this past year.

**Young Musicians Camp** – At this camp we are training the next generation of worship leaders. Several pictures were shown of what this week of camp would include.

**Church Weekday Education –** This ministry continues to prosper as we had over five hundred and thirty-four teachers and directors trained at the White Oak Conference Center.

**Churches Protecting Children** – The church should be the safest place for a child. Throughout the year we will be having seminars on this very topic with the next one taking place on January 21, 2014 at the Screven Baptist Association.

**Churches Involved in the Intentional Church Multiplication Process** – This is our first revitalization effort and we are in our fourth year and many churches are seeing a turn around and reaching more people for Christ.

**Intentional Church Multiplication Process Testimony** – Rev. Chris Peagler, Pastor of Victory Baptist Church in Bonneau, gave testimony that two years ago his church went through the Intentional Church Multiplication Process. Rev. Peagler stressed that this is not a program but a process that will change your heart and your church to be more focused on the mission of Jesus Christ.

**Church Planting Efforts** – We are seeing many baptisms taking place in our church plants. More churches are being planted and we are seeing growth in this area.

**Church Planter Testimony** – Rev. Brandon Bowers, Pastor of Awaken Church in Charleston, thanked the Convention for their support of church planting in our state. The church has grown to two hundred members, with fifteen small groups and they are approaching their fiftieth baptism. Rev. Bowers gives credit to the faithfulness of God for this growth.

**SummerSalt** – SummerSalt attendance and salvation decisions continues to grow. It is imperative that in a dark culture that we provide places for our young people to come together. Through the ministry of SummerSalt many young people, pastors and youth pastors are able to come together for a fun time and will grow stronger in their relationship with Christ. The summer we are excited to provide some expanded beach activities for recreation.

**Spring Youth Thing –** Clayton King will be coming to Carowinds on Friday, April 18, 2014.

**1-77 Partnership Effort** – We are partnering to assist church plants in the Cleveland, Ohio area. We will be encouraging youth groups and mission teams to consider taking mission trips to Cleveland to assist in this very important work.

**I-77 Partnership Testimony** – Kevin Litchfield, Director of Missions for the Cleveland Hope Baptist Association, reported that because of our partnership over two hundred and fifty volunteers and eleven summer missionaries have come to serve in Cleveland. He encouraged the messengers, as we link arms together, that they come and have further conversations regarding mission opportunities in Cleveland.

**I-77 Partnership Testimony** – Rev. Greg Batchelor, Pastor of Cheraw First Baptist, recently returned from a mission trip in Cleveland. Rev. Batchelor reported that he went on this trip as a vision tour and when returning to his church he presented a strategy to his church and the excitement for this partnership was very encouraging. They have since then partnered with four churches in Cleveland.

**Cleveland Vision Tours –** The upcoming vision tours are: March 12-14, 2014 and September 15-17, 2014.

Baptist Collegiate Ministry - The amount of summer missionaries continues to growth. We are seeing more and more college students go to serve the Lord, not only in the summer months, but also throughout the year on mission trips. This past December we had one hundred and seventy South Carolina Baptist college students went to New York and served after Hurricane Sandy. It was an incredible cooperative effort. A video message was shown from Dr. Terry Robertson, Executive Director-Treasurer for the New York State Convention. He thanked South Carolina Baptists for their partnership and for the incredible work provided through our Baptist Collegiate students. We also saw a historic rise in on campus conversions this past year and are thankful to God for this.

**Baptist Collegiate Center in Clemson –** Without any cost to the Convention God provided us with a brand new collegiate center at Clemson University.

**Volunteers at White Oak Conference Center –** Dr. Austin encouraged the messengers to use their conference center at White Oak. We are continuing to provide new opportunities at White Oak.

**Equestrian Camp** – Volunteers came from North Carolina and helping build four barns. We will be beginning a children's equestrian camp this coming April 14-16, 2014.

Band of Brothers – Dr. Austin encouraged church members to support their Pastor and to be an encouragement to him. We, as South Carolina Baptist, are among the highest in forced terminations of pastors. To be proactive in providing a ministry to our pastors we have formed the Band of Brothers. A video was shown of a group that has formed from this ministry and heard how important it is for these pastors to have each other as a support group. In 2014 we will have three meetings and they are January 20-22; April 22-24; and September 15-17. We are also excited of the suite at White Oak Conference Center that has been renovated and is available for pastors to come and rest and have time alone with God.

My Hope America – We are continuing to be encouraging by the many reports we are receiving from across the state in regards to the showing of the My Hope America video. Many conversions have been reported and doors have been opened to share the gospel. A student from First Baptist Church

Columbia took the initiative to rent a local theatre and show the My Hope video. Over twenty professions of faith were made through this effort.

**Evangelism Conference** – The evangelism conference will take place on February 18-20, 2014 at Rock Springs Baptist Church with the theme being, Legacy.

**Disaster Relief** – We have had several teams to go out this year. Teams have gone to New York to help with the Sandy rebuild doing mud outs. We have also had teams go to Black Forest, Colorado to help with ash outs. This effort helps us win the right to be heard and opens doors to share the gospel.

**Multihousing Ministry** – We are seeing growth in this area and are seeing the mobile home communities, apartment communities and condo communities seek out and request churches to come in and assist them. We have more request than we have churches participating.

**Greenwood Spiritual Awakening Challenge** – We have seen several outbreaks of revival across our state this past year with one being in the Greenwood area. Forty-two churches in Greenwood recently gathered together for a time of prayer and spiritual awakening.

**Great Falls Spiritual Awakening** – We saw sixteen churches in the Great Falls area come together to minister to their community. There were several salvation decisions as a result of this outreach.

**SEND North America, Atlanta Testimony** – We have a long term relationship with Atlanta and have sent over seven hundred volunteers in 2013 to help assist ministries and church planters in that area. Matt Dye, church planter, came and gave testimony to the work being done in Atlanta and thanked South Carolina Baptists for their partnership.

**SEND North America, Atlanta Vision Tours –** There are several vision tours scheduled for 2014. Those are as follows: January 23, March 20, June 19, August 21, November 20.

**Canada Partnership Testimony** – Derek Jones, NAMB missionary in Atlantic Canada, gave testimony to the growth of church plants in Canada and he thanked South Carolina Baptists for being a large part of that work.

**Preaching for a Change** – Dr. David Allen will be coming back in March to lead an Expository Preaching Conference and a Deacon, Pastor, & Spouse Conference. The Expository Preaching conference is scheduled for March 10-13, 2014 and the Deacon, Pastor, & Spouse conference is scheduled for March 14-15, 2014.

**South Asia Partnership Testimony**— Rev. Terry Fowler, Pastor of West Side Baptist, and his wife recently took a mission trip to South Asia and gave testimony of the work God is doing there. There are several trips planned for 2014 and they are as follows: January 20-31, March 3-15, March 31-April 12. Trips are also scheduled for the months of April, July, September, October, and December. We have a responsibility to take the gospel around the world.

Dr. Austin closed his presentation by stating that we are better together and by cooperating together as South Carolina Baptists we can reach more and more people for Christ.

#### 14. Executive Board Report with Budget Presentation & Cooperative Program

Ralph Carter, President, recognized Tom Tucker, Chairman of the South Carolina Baptist Convention Executive Report. Tom is bringing several recommendations for the messenger's consideration. During the October meeting of the Executive Board a motion was presented and approved to be referred to the messenger's for action. The motion is, "The Executive Board of the South Carolina Baptist Convention moves the freeze adopted during the 2009 annual meeting to 'Stop the use of consultants by the Executive Board until after 2010, and then only if the Cooperative Program giving has been rebounded' be lifted." Tom spoke to the motion saying in 2009 a messenger presented a motion to the messengers during the annual meeting that a "freeze" be put into place on outside consultants. This motion passed and since it was the messengers who placed the freeze on the use of outside consultants, we believe the messengers are the ones who should lift the ban. Your Executive Board monitors very closely every expenditure and use of Cooperative Program dollars. It is only to the benefit of the convention that an outside consultant is ever considered. This ban in some ways keeps some saving from taking place. Ralph Carter, President, returned to the pulpit and opened the floor for discussion. There was no one to speak to the motion. A vote was taken and the motion was approved.

Tom Tucker, Chairman of the Executive Board, stated that our convention bylaws call for new associations to be recognized upon the recommendation of the Executive Board. Tom reported to the messengers that the Three Rivers Baptist Association has been formed which is a merger of the Green and North Greenville Associations.

Steve Cartin, Chairman of the Executive Board Budget, Finance, and Audit committee, presented the budget and recommendations of the Executive Board for consideration of the messengers. Steve made a motion that the messengers adopt the budget and recommendations as presented on pages R46-R49 in the book of reports. A vote was taken and approved.

Tom Tucker, Chairman of the Executive Board, reported how blessed he feels to be a part of the South Carolina Baptist Convention. His desire is to help the ministries of the convention be successful and it came to his attention that someone had said he was going to make a motion that we close Camp McCall. Tom assured the messenger's that this statement was untrue and that his desire is to see each and every ministry of the convention continue to grow.

Ralph Carter, President, recognized Gary Anderson for the Cooperative Program report. A video was shown and Gary reported that we are able to do what God has called us to do because we cooperate through the Cooperative Program. The process is still very important. Gary's report was concluded by the showing of a cooperative program video.

#### 21. Introduction of New Business

The motion was seconded.

#### 22. Seeking the Kingdom Task Force Report

Last year at our annual meeting, Jon David, Pastor and messenger from Summit Church in North Charleston, made the following motion. "I move that SCBC President Brad Atkins appoint the Seeking the Kingdom Task Force to recommend to the messengers at our meeting in 2013 how the SCBC should consider moving forward in the work that was begun last year regarding the GCR report and to then recommend a ministry vision that will guide the future work of the state convention and its churches as we transition from Experiencing Kingdom Life model, slated to end in December 2013, with the principles and concepts of the Cooperative Program and the GCR report."

Sonny presented what is the final report of the Seeking the Kingdom task force and it is as follows:

The Gospel of Matthew is bracketed by the mission of Christ's church. This was first announced when Jesus called the first disciples. He said, "Follow me and I will make you fish for people." Knowing for centrality of this mission, our task force also wanted to discover our vision and mission within the framework of our Lord's vision for His church. As we deliberated and prayed His mission became the unifying theme that compelled us toward the results we are presenting today. So, why are we here and what is our mission. Through prayer and great times of discussion, sometimes debate, always with a desire to honor Christ, we humbly recommend that the vision/purpose statement of the South Carolina Baptist Convention be "The South Carolina Baptist Convention will assist churches in making disciples who will urgently take the whole gospel to the whole world that all will be whole."

If making disciples is not the mission of the local church, and if assisting churches is not the role of the SCBC, we've all somehow missed the essential message Jesus communicated to His disciples in the length and breadth of His early ministry.

Our generous and sacrificial gifts to the Cooperative Program also permits us to fund support of this mission through the outstanding staff God has gathered at the SCBC building here in Columbia.

Once again, our Task Force prayed, discussed, and often debated the role of the SCBC staff in this mission. Of course, Executive Director, Dr. Austin, and AED's, David Parks, Wayne Terry and Roger Orman, along with input from the entire convention staff, were consulted as this element of our assignment was considered.

We further recommend that the mission of the South Carolina Baptist Convention staff reflect this same commitment to the mission of His church. This mission will be: The mission of the South Carolina Baptist Convention staff is to serve as kingdom partners with churches, associations, and institutions of the South Carolina Baptist Convention and the Southern Baptist Convention in fulfillment of their role to "...Go into all the world and preach the gospel to the whole creation (Mark 16:15, HCSB). The partnering with each focuses on one purpose - - - God's Kingdom." While there are many worthy endeavors, the mission of the Convention staff is to intentionally focus on serving as Kingdom partners.

Our entire task force also concluded that specific initiatives should further define this mission. When Jesus sent His disciples on mission he gave them clear instructions to keep them on point as they went into the complex first century world.

Our task force therefore recommends ten initiatives to guide our state convention staff into the future. These initiatives are as follows:

- 1. Assist all South Carolina Baptist Convention churches in developing and implementing an intentional relational discipleship process. (2 Timothy 2:2)
- 2. Involve eight percent of South Carolina Baptist Convention churches in a church health process each year. (Revelation 2:4-5)
- 3. Cultivate a church planting movement that assists South Carolina Baptist Convention churches to plant reproducing churches that equal at least two percent annually of the total South Carolina Baptist Convention church count.

(Acts 13:1-5)

- 4. Work towards a climate of prayer, repentance, and reconciliation among our churches and their members. (Mark 9:29)
- 5. Change the culture of pastor/church relationships where the South Carolina Baptist Convention becomes last in forced terminations and suicides instead of first. (Hebrews 13:17; 1 Peter 5:2)
- 6. Create a church leadership development pipeline for our young people and others that will encourage them to respond to God's call for missions, church planting, and church revitalization. (Mark 3:13-15)
- 7. Partner with churches to mobilize 700 full time Southern Baptist Convention missionaries by the year 2024. (Matthew 9:37)
- 8. Encourage great commission generosity by increasing Cooperative Program and other mission offerings by one tenth of one percent per year. (Luke 6:38)
- 9. Work to enhance alignment of ministries provided by the Southern Baptist Convention, South Carolina Baptist Convention, and its ministry partners. (John 17)
- 10. Pray and realize that without true revival none of the above will ever occur. (2 Chronicles 7:14)

As a footnote, these ten initiatives were given to Dr. Austin, the Associate Executive Directors, and the convention staff without numerical values of quantitative assessments. They met on September 10, 2013 in a day of prayer and discussion of the initiatives, assigning the percentages and numerical goals to be achieved in their purpose statement. We are all grateful for the prayerful thought and sense of unifying purpose that defined their process.

Throughout the year, when we were meeting, and when we were communicating, the truth of Christ's mission and the assignment he gave to His disciples were the focus of our work. As mentioned previously, Jesus affirmed the mission of the church throughout His teaching ministry. Mark wrote, "Then He went up the mountain and summoned those He wanted, and they came to Him. He also appointed 12 -- - He also named them apostles - - - to be with Him, to send them out to preach, and to have authority to drive out demons." (Mark 2:13-15, HCSB)

To accomplish this mission, the Seeking the Kingdom Task Force, with the full agreement of the convention staff, recommends that the convention staff be organized into three operating divisions. *Church Supporting, Church Strengthening, and Church Sending.* Seven core principles will guide this structure. They are as follows:

- Pray Continuously (2 Timothy 1:3)
- Lead with humility (2 Timothy 1:3; 2:4)
- Model integrity (2 Timothy 1:3; 2:15, 22)
- Minister to multiply (2 Timothy 2:2)
- Preach and teach authoritatively (2 Timothy 1:8; 3:16)
- Evaluate biblically (2 Timothy 4:17)
- Relate as family (1 Timothy 1:2; 2 Timothy 1:2)

Jesus clarified their mission again in the final words Matthew recorded, what we call the Great Commission. Jesus said, "All authority has been given to Me in heaven and on earth. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything I have commanded you. And remember, I am with you always, to the end of the age." (Matthew 12:18-20).

The great assignment, the co-mission, and the promise that attends it, must be the unifying purpose of our work.

Therefore, we move that the theme of the South Carolina Baptist Convention, beginning January 1, 2014, and continuing until the Lord gives us something else be *Great Commission Living*.

With this recommendation is our prayer that this theme be more than well crafted words, more than a tag line on a t-shirt or coffee mug, but that we can incorporate this theme into every element of our lives, and that we LIVE IT.

Sonny Holmes, Chairman of the Seeking the Kingdom Task Force, made a motion for the approval of this report.

Steven Owensby, Pastor and Messenger from Enoree First Baptist Church, raised a concern over the wording in the core principles of "preach and teach authoritatively." Sonny Holmes spoke to Pastor Owensby's question and explained to him what the committee meant by using the word authoritatively and that the meaning was that it wasn't that the person preaching Word had the authority but that the Word alone speaks authoritatively. Pastor Owensby was satisfied with the answer given.

The motion was approved as presented.

WHEREAS, The Founding Fathers of our country affirmed in their writings and speeches that the freedom of all citizens to express themselves publically concerning their religious beliefs is a "mutual duty" and that "the civil rights of none shall be abridged on account of religious belief or worship"; and

WHEREAS, Presidents of our country have issued numerous proclamations calling us to public expressions of prayer, fasting, repentance, and/or seasons of focusing our attention on God for the welfare of our nation; and

WHEREAS, The Word of God instructs us in many passages (Matt. 5:13-16, Acts 4:18-21, 2 Timothy 4:2-5, Acts 1:8, and many more) to give a verbal, public testimony to the Truth, to witness to others publically with the intent of seeing them come to a saving knowledge of Christ, and to publically defend the Truth against all detractors; and

WHEREAS, Many in our current culture exhibit growing opposition and enmity toward our right to publicly proclaim the Truth as found in the Gospel of Jesus Christ; and

WHEREAS, The United States government has demonstrated hostility and military discipline towards chaplains and other members of the military who publicly affirm a biblical worldview; and

WHEREAS, Recent judicial decisions have been handed down against Christian business owners with the claim that violating one's conflicting social beliefs "is the price of citizenship"; and

WHEREAS, The federal government, through the Affordable Health Care Act, is requiring certain hospitals, schools, and businesses to violate their conscience by forcing them to provide abortion and contraception insurance coverage to their employees; and

Steven Owensby, Pastor of Enoree Baptist Church, made a motion to make an amendment to the resolution. He would like to add an additional "resolved" between the first and second. The motion was seconded and Pastor Owensby spoke to his motion.

The Resolution committee supports the addition of this amendment. The motion to accept the amendment to the Resolution on Religious Freedom was made. The vote was taken, and the motion was adopted.

The motion to accept the motion as amended to the Resolution on Religious Freedom was made. The vote was taken, and the motion was adopted. The Resolution now reads as follows:

WHEREAS, The first amendment to the United States Constitution says, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof, or abridging the freedom, or of the press, or the right of people peaceably to assemble, and to petition the Government for a redress of grievances"; and

WHEREAS, The Founding Fathers of our country affirmed in their writings and speeches that the freedom of all citizens to express themselves publically concerning their religious beliefs is a "mutual duty" and that "the civil rights of none shall be abridged on account of religious belief or worship"; and

WHEREAS, Presidents of our country have issued numerous proclamations calling us to public expressions of prayer, fasting, repentance, and/or seasons of focusing our attention on God for the welfare of our nation: and

WHEREAS, The Word of God instructs us in many passages (Matt. 5:13-16, Acts 4:18-21, 2 Timothy 4:2-5, Acts 1:8, and many more) to give a verbal, public testimony to the Truth, to witness to others publically with the intent of seeing them come to a saving knowledge of Christ, and to publically defend the Truth against all detractors; and

WHEREAS, Many in our current culture exhibit growing opposition and enmity toward our right to publicly proclaim the Truth as found in the Gospel of Jesus Christ; and

WHEREAS, The United States government has demonstrated hostility and military discipline towards chaplains and other members of the military who publicly affirm a biblical worldview; and

WHEREAS, Recent judicial decisions have been handed down against Christian business owners with the claim that violating one's conflicting social beliefs "is the price of citizenship"; and

WHEREAS, The federal government, through the Affordable Health Care Act, is requiring certain hospitals, schools, and businesses to violate their conscience by forcing them to provide abortion and contraception insurance coverage to their employees; and

WHEREAS, The federal government, in many of its recent writings concerning religious freedom, has referred to our freedom as a "freedom of worship" (which is private and within the walls of the Church) rather than a "freedom of religion" (which includes all private and public proclamations of religious belief); and

WHEREAS, The American Civil Liberties Union, the American Atheists Association, the Freedom From Religion Foundation, and many other anti-religion organizations have targeted South Carolina in an attempt to erase all public expressions of faith; and

WHEREAS, Many other examples of government encroachment on the cherished rights of all citizens to express their religious beliefs in public could be sited; therefore, be it;

RESOLVED, That we, the messengers of the South Carolina Baptist Convention meeting in Columbia, South Carolina, on November 12, 2013, encourage our elected representatives in South Carolina to explore and introduce legislation that will protect South Carolina citizens against all efforts to curtail their freedom of religious expression; and be it further

RESOLVED, That we encourage our South Carolina pastors to continue to preach the whole counsel of God's Word as 2 Timothy 4:1-5 charges them to do during this difficult season as in any other season; and be it finally

RESOLVED, That Christians be aware and alert to the fact that our religious freedoms are under attack and be encouraged to stand strong in the public arena upholding our God-given, Constitutionally-protected right that all citizens may express deeply held religious beliefs in all arenas both private and public (Matthew 5:10-12 and Ephesians 6:12-13).

Chuck Morton, committee member, presented the resolution on **Boy Scouts of America Membership Policy.** 

WHEREAS, Revised laws and policies now include ungodly lifestyle preferences and immoral sexual behavior; and

WHEREAS, The courts interpret these changes, forcing groups to adopt membership and leadership policies that violate deeply-held moral and religious beliefs; and

WHEREAS, The Boy Scouts of America (BSA) was targeted because it refused to allow homosexuals as Scout leaders and its commitment to maintain references to God within its oath and literature; and

WHEREAS, This attack is part of a larger assault on organizations refusing to accommodate demands of anti-religious groups and some charitable corporations; and

WHEREAS, The National Council of the Boy Scouts voted on May 23, 2013, to approve new membership guidelines that state "no youth may be denied membership in the Boy Scouts of America on the basis of sexual orientation or preference alone"; and

WHEREAS, Those embracing a biblical worldview are grateful that the BSA leadership policy remains unchanged despite the fact that executive leadership and certain members of the BSA board clearly signaled their desire to change membership and leadership policies; and

WHEREAS, This decision of the BSA is viewed by many as the first step in a process to fundamentally change the BSA, putting Scouting at odds with a consistent biblical worldview on matters of human sexuality; and

WHEREAS, This decision has the potential to complicate basic understandings of male friendships, needlessly politicize human sexuality, and heighten sexual tensions within the Boy Scouts as it has within the American armed forces; and

WHEREAS, The Baptist Faith and Message (Section XV, *The Christian and the Social Order*) states that "Christians should oppose . . . all forms of sexual immorality, including . . . homosexuality . . ." and Southern Baptists (SBC) consistently have expressed our opposition to normalizing homosexual behavior in American culture through resolutions over the past thirty years; and

WHEREAS, Many Southern Baptist churches sponsor Boy Scout troops and many Southern Baptists are involved in Scouting; therefore, be it

RESOLVED, That we, the messengers of the South Carolina Baptist Convention meeting in Columbia, South Carolina, on November 12, 2013, express our disappointment in the decision to change the BSA membership policy; and be it further

RESOLVED, That we are grateful for the thousands of individuals within the Scouting family and the culture-at-large who oppose the BSA executive leadership and certain board members' intent to change membership and leadership policies regarding homosexuality; and be it further

RESOLVED, That we express well-founded concern that current BSA executive leadership, along with certain board members, may use this policy change as the first step toward future approval of homosexual Scout leaders; and be it further

RESOLVED, That we encourage churches and families remaining affiliated with the BSA to share the life-changing Gospel of Jesus Christ with all members and leaders while working to reverse the current membership policy, and to advocate against any future change in leadership and membership policy that normalizes sexual conduct opposed to the biblical standard; and be it further

RESOLVED, That we affirm the right of all families and churches to assess prayerfully their continued relationship with the BSA, expressing our support for churches and families that consciously can no longer be part of the Scouting family; and be it further

RESOLVED, That we encourage churches that sever ties with the Boy Scouts of America not to abandon their ministry to these children and youth, but to consider employing biblically-based programs instead; and be it finally

RESOLVED, That we declare our love in Christ for all people, young and old, regardless of their perceived

sexual orientation, praying that God will bring all who hear the gospel message into a saving knowledge of our Lord Jesus Christ.

The motion to accept the motion to the Resolution on Boy Scouts of America Membership Policy was made. The vote was taken, and the motion was adopted.

Greg Batchelor, committee chairman, presented the Resolution on **Call to Prayer Concerning the Preservation of Biblical Marriage.** 

WHEREAS, There has been an all-out push from the entertainment industry, the media, corporations, academia, political figures, and some religious organizations for the cultural acceptance of universal same-sex marriage across the country; and

WHEREAS, These efforts continually pressure the state of South Carolina to comply with efforts to overturn the ban of same-sex marriage in our state; and

WHEREAS, Public universities in South Carolina have endorsed required reading curriculum that embraces the acceptance of gay rights and have hired staff to promote homosexual lifestyles on campus; and

WHEREAS, There are local governments in South Carolina that have changed employee policies to accommodate homosexual employees and gone as far as to allocate public resources to pay for gay pride events; and

WHEREAS, Legislation has been introduced in the South Carolina State House to add sexual preference and gender identity as a protected class in hiring and firing; and

WHEREAS, We, as South Carolina Baptists, should take any opportunity to address the evils of this cultural issue (Leviticus 18:22 and Romans 1:27) revealing biblical truths in a loving, yet prophetic manner (Matthew 9:10-13, John 3:16-17, and Ephesians 4:15); and

WHEREAS, There are 35 states that ban same-sex marriage by constitutional amendment, state law, or a combination of both; and

WHEREAS, South Carolina passed law in 1996 and the voters of South Carolina adopted a constitutional amendment in 2006 by a 78% margin declaring marriage between one man and one woman; and

WHEREAS, On June 26, 2013, the Supreme Court of the United States issued two rulings drastically advancing gay marriage rights across the country; and

WHEREAS, One of those rulings overturned a portion of the Defense of Marriage Act while the other failed to rule on the constitutionality of state bans on same-sex unions; and

WHEREAS, This has prompted activists, legislators, attorneys, and judges across the country to craft measures in an effort to put the issue of state bans back before the Supreme Court; and

WHEREAS, A lesbian couple married in The District of Columbia and residing in South Carolina filed suit in the United States District Court on August 28, 2013, challenging South Carolina's ban on same-sex marriage; and

WHEREAS, Dependent on how this case works its way through the judicial system, it could ultimately overthrow traditional marriage in South Carolina; and

WHEREAS, That without seeking God's hand in this cultural battle (2 Chronicles 7:14-15), one of our most sacred institutions could be on the brink of dissolving; therefore, be it

RESOLVED, That we, the messengers of the South Carolina Baptist Convention meeting in Columbia on November 12, 2013, urge all people of faith to urgently do as 1 Timothy 2:1-2 says and lift up our elected and appointed leaders and judges in prayer as same-sex marriage is being deliberated in our state and several others.

The amendment was seconded. The vote was taken and the motion was approved.

## 35. Bylaws Committee Report & Business Session

Ralph Carter read a statement, as asked by the Bylaws Committee to do. The statement is as follows: At the 2012 Annual Meeting Ken Reid, Pastor of College Street Baptist Church, presented a motion that related to the Bylaws and was therefore referred to the Bylaws Committee of the South Carolina Baptist Convention. Ralph asked that Ken Reid make his way to microphone number two as he reads the motion.

The motion was:

Bylaws Part 1 Article III: Church Membership of Officers, Boards, Appointees, Committees.

Paragraph A would be as it currently is with no change. Paragraphs B, C, D, E are additions.

All officers of the Convention, all appointees, and all persons elected to membership on the Executive Board, to the boards of trustees of the institutions, and to committees shall be members of Baptist churches in friendly cooperation with this Convention and sympathetic with its purposes and work and have during the fiscal year preceding been bona fide contributors to the Convention's work.

Paragraph B – No individual church shall have more than two (2) representatives serving concurrently on any combination of the following convention boards, appointees or committees: Executive Board, Nominations Committee, Trustees of Institutions and Universities and standing committees of the convention.

Paragraph C – All SCBC churches shall be limited to no more than one (1) representative serving concurrently on the Executive Board, the Committee on Committees or the Nominations Committee.

Paragraph D – All SCBC churches shall be limited to no more than two (2) representatives serving concurrently on any other SCBC institution or standing committee (not listed in Paragraph C above) whether elected or appointed.

Paragraph E – Exceptions to these rules would include yearly elected convention officers and one or two year standing committees whether elected or appointed.

Upon adoption by the Convention any members currently serving that exceed these limitations would be allowed to serve out their present terms with our sincere appreciation.

The motion received a second when presented and is now before us for discussion. Ken Reid spoke to the motion.

Ralph Carter recognized Stephen Ruff, chairman of the Bylaws Committee. Stephen thanked Ken for his cooperative spirit in working on this motion. The committee's full response to Ken's motion can be found on pages R99-101 in the Book of Reports. It is the committee's recommendation that the proposed amendment not be approved. Jason Fletcher, Pastor and messenger from Hermitage Baptist Church, spoke against the proposed amendment. The vote was taken and the amendment was not approved.

Bill Rigsby, committee member, brought the first recommendation of the Bylaws Committee. The Executive Board has requested that the Bylaws committee to prepare an amendment that would require churches to make a monetary contribution to the Cooperative Program each year in order to seek messengers at the Annual Meeting. By way of this first reading and on behalf of the Executive Board the Bylaws Committee recommends that the amendment found on page R107 of the Book of Reports be entered for consideration and vote during the 2014 Annual meeting.

Keith Wall, committee member, brought the second recommendation of the Bylaws Committee. The Conventions bylaws currently require that certain amendments to the articles of incorporation and the bylaws as well as nominations for the standing committees and the executive board to be published in the Baptist Courier within certain time frames in advance of the Annual Meeting at which a vote is to be taken. It was brought to the attention of the Bylaws Committee that the publication schedule of the Baptist Courier has evolved over time and has made these publication requirements difficult to satisfy. To address this difficulty and by way of this first reading the Bylaws Committee recommends that an amendment to the bylaws be entered for consideration and vote during the 2014 Annual Meeting that will expand the permitted methods of publication in the Baptist Courier to include certain electronic publications. The text for the amendment can be found on pages R116, R119, R121, and R124 of the Book of Reports.

Hudson Williams, committee member, brought the third recommendation of the Bylaws Committee. The Bylaws Committee was approached by the past presidents of the convention to review the possibility of extending the president's term from one year to two years in order to allow more time for the president to become familiar with the responsibilities and procedures of the office. It was said that by the time the president learns the ropes his term as president is almost over. It was also pointed out that one of the president's main responsibilities is to plan the annual meeting but because many key note speakers require more than a year advance notice the president has traditionally planned the annual meeting following his year of service and presides over the meeting planned by the previous president. The Bylaws Committee gathered feedback from several past presidents regarding a two year term and the response was mixed. While most recognized the benefits the additional time would provide many were concerned that qualified pastors would be discouraged from serving because a two year term would be too burdensome. After listening to these concerns the Bylaws Committee has drafted an amendment that we feel addresses the short comings of the current one year term without bringing the additional draw backs of a two year term. Under the proposed amendment the president will continue to serve a one year term but will be elected by the messengers one year prior to taking office. During that one year period he will hold the new office of president-elect and will be given the opportunity, but will not have the obligation, to attend all officer meetings and events as an observer with no voting power of authority. Additionally, the president elect will be able to work with the appropriate people to plan the annual meeting over which he will preside the following year as president. At each year's annual meeting the president elect will automatically become president and the new president elect will be elected. In the first year this amendment becomes effective, or if at any time the president elect office is vacated prior to him becoming president, the messengers will elect both a president and president elect at that annual meeting. By way of this first reading the Bylaws

Committee recommends that the amendment to the bylaws creating the office of president elect be entered for consideration and vote during the 2014 Annual Meeting. The text of the amendment can found on pages R108 and R118 of the Book of Reports.

The motion made by Wayne Dickard in the morning session will now be dealt with. The motion is as follows: "that we amend the previously adopted GCR Taskforce report to eliminate the 50/50 provision and ask the Executive Board to develop a modified percentage giving plan." Ralph Carter removed himself from this discussion since he was the GCR Taskforce chairman and asked Keith Shorter, 1<sup>st</sup> Vice President, to moderate the discussion. Wayne Dickard spoke in favor of his motion. Ryan Goodroe, Parliamentarian, came to explain why this motion needs a two-thirds vote. Mr. Goodroe explained what previous notice entails. Mr. Goodroe read straight from Robert's Rules of Order of the most current edition on page four, "under certain circumstances whatever the vote required there may be an additional requirement of previous notice which means the notice of the proposal be brought up at least briefly describing its substance must be announced at the preceding meeting or must be included in the call of the meeting at which it is to be considered. The call of a meeting is the written notice to the time and place which is sent to all members of the organization a reasonable time in advance." Since there was no written notice sent to all members of the organization, which would the delegates of this convention, we rule that the previous notice has not been satisfied and thus this will require a twothirds vote. Wayne Dickard appealed the ruling of the chair. Upon hearing the appeal a vote was taken and the appeal was denied. Rocky Purvis, Pastor and messengers of Northside Baptist Church, spoke against the motion. The vote for the motion was taken and the motion was denied.

1. The Executive Board shall constitute the board of directors of South Carolina Baptist Convention. The work of the Convention, except as otherwise specified, shall be committed to the Executive Board of South Carolina Baptist Convention. The Executive Board shall not have authority to control the other boards of corporations sponsored by the Convention, but shall maintain general care and responsibility for the work of these boards in the following manner:

study annually their reports, interpret and apply the rules of the Bylaws of the Convention and the Business and Financial Plan of the Executive Board, make recommendations directly to these boards, and also make whatever recommendations to the Convention concerning them it may deem advisable.

- 2. While the messengers and the members of the Executive Board shall mutually respect the rights which the Articles of Incorporation and the Bylaws vest in the Convention in session and in the Executive Board, the Convention's directives to the Executive Board, not contrary to the Articles of Incorporation and Bylaws of the Convention and not invasive upon the rights of boards of trustees of the sponsored institutions, shall be carried out by the Executive Board.
- 3. All employment decisions and actions of the corporation and all decisions concerning the investment, management, and utilization of the Executive Board contingent reserve, shall be made by the Executive Board or by persons pursuant to the authority vested in them by the Executive Board.
- 4. a. It shall also be the responsibility and prerogative of the Executive Board to determine when a member of the Executive Board or a trustee of an institution should be removed from office prior to the expiration of the member's or trustee's term.
- b. If the Executive Board finds that a member or trustee has been absent for three consecutive meetings of the board, the member or trustee shall be deemed to have resigned, and the position shall be declared vacant.
- c. If the Executive Board determines by a vote of at least two-thirds (2/3) of the members of the Executive Board in office that one or more of the recited causes for removal of a member of the Executive Board or of a trustee of an institution exist, the member's or trustee's position shall be declared vacant.
- d. Upon the occurrence of either of the two above events, the Executive Board shall advise the member or trustee and, in the case of a trustee the secretary of the board on which the trustee serves, of the Executive Board's action. This notice shall occur not less than sixty (60) days prior to the annual session of the Convention. Unless a written appeal is filed in the office of the Executive Director-Treasurer within ten (10) days of the effective date of the notice, the position held by the member or trustee shall be deemed vacant and the Nominations Committee so advised. If a timely appeal occurs, the matter shall be reconsidered. The member or trustee shall be afforded a hearing before the Executive Board if such a request is contained in the appeal.
- e. If the Executive Board determines by an affirmative vote of two-thirds (2/3) of the members of the Executive Board in office that the absences should not be excused or reaffirms its conclusion that the cause for removal does exist, the Executive Board shall recommend to the Convention removal of the member or trustee and shall so advise the Nominations Committee. The Executive Board's decision on appeal shall be communicated to the member or trustee and the secretary of the affected board.
- f. A member or trustee who is removed from office prior to the expiration of the term to which he or she has been elected shall not be eligible for election to any board whose members are chosen by the Convention for a period of time represented by the unexpired term to which the member or trustee had been elected.
- g. Notice under this section may be oral unless specifically required to be in writing. Notice may be communicated in person, by telephone, telegraph, facsimile transmission, or other form of wire or wireless communication; or by mail or private carrier. Oral notice is effective when communicated. Written notice is effective at the earliest of the following: (1)

when received; (2) if mailed, (a) five [5] days after its deposit in the United States Mail, if mailed correctly addressed to the last known address and with first class postage affixed; (b) on the date shown on the return receipt, if sent by registered or certified mail, return receipt requested, and the receipt is signed by or on behalf of the addressee.

#### B. Membership

- 1. The membership of the Executive Board shall include one member from the area of each association where the membership of the churches, according to the latest South Carolina Baptist Convention Annual, numbers up to 15,000, and one member for each additional 10,000 members or fraction thereof. Membership of the Executive Board shall also include, *ex officio*, Convention officers; the state president of Woman's Missionary Union, and the state president of Baptist Collegiate Ministry (who must be a member of a Baptist church in cooperation with South Carolina Baptist Convention). No member of the Executive Board, except *ex officio* members, shall serve simultaneously on a board of trustees of an institution.
- 2. The Executive Director-Treasurer of the Executive Board, who also serves as Treasurer of the Convention, shall serve as an *ex officio*, non-voting, member of the Executive Board and aid by furnishing information, printed materials, and needed guidance for the work of the Executive Board.
- 3. The elected membership of the Executive Board shall be divided into two groupings: one group comprised of church employees, and one group comprised of others. No more than sixty (60) percent of the members of the Board shall be drawn from either grouping. The Board will include, within the two groupings, persons with business expertise, women, and transcultural groups for the purpose of providing a capable and inclusive membership. Only one person from an affiliated church may serve as an elected member of the Board at a given time. At the time of the member's election, the member shall have been a member for at least one year of a church in the area of the association from which the person is elected.
- 4. The term of office of elected members of the Executive Board shall be five (5) years. Terms commence January 1 following election by the Convention. Members of the Board shall not succeed themselves, except in the case of a member who has first been elected to fill less than one-half (1/2) of an unexpired term. The terms of approximately one-fifth (1/5) of the membership of the Board shall expire annually. One year shall elapse before a member may be returned to the Executive Board or be elected to any other board of the Convention.
- 5. No member of the Board, except *ex officio* members, shall have any official connection with any of the institutions of the Convention, nor shall the member be an employee of the Convention, an institution of the Convention, or an association.
- 6. Any member of the Board from the area of an association who moves church membership to a church in the area of another association in the state, shall remain on the Board until the Convention fills that vacancy. Any member of the Board who becomes a member of a church in another state shall thereby terminate membership on the Board. Any vacancy occurring on the Board shall be filled for the remainder of the term by the Convention's nominating and election process. The Board may temporarily fill the vacancy pending the Convention's election.
- 7. The Convention may remove an elected member of the Executive Board prior to the expiration of the term for which the member has been elected, upon the recommendation of the Executive Board, by vote of two-thirds (2/3) of the messengers voting. Removal may occur only upon the Convention's finding that removal of the member is in the best interest of the

Convention and one or more of the following causes for removal are deemed in the judgment of the Convention to exist: breach of trust, neglect of duty, physical or mental incapacity of the member; conduct by the member which is deemed by the Convention to be immoral, fraudulent or dishonest; the member's engaging in a conflict of interest transaction.

#### C. Organization Documents, Officers, and Committees

The Executive Board shall govern itself by the election of such officers and committees, and by the adoption of Executive Board Standing Rules and such other rules, and procedures the Executive Board deems desirable. The Executive Board shall adopt a Business and Financial Plan.

#### D. Convention Employees

- 1. Executive Director-Treasurer
- a. The Executive Director-Treasurer shall be nominated by the Board and elected by the Convention for an indefinite term. When a vacancy occurs, nominations from the floor shall be allowed.
- b. The Executive Director-Treasurer shall be the chief administrative officer supervising and coordinating the work of all the employees of the Convention through the administrative staff. The Executive Director-Treasurer shall, as Treasurer of the Convention, authenticate records of the corporation.
  - 2. Other Employees

The Executive Board shall employ, or authorize the Executive Director-Treasurer to employ, an administrative staff and other employees.

## ARTICLE VII Institutions

#### A. Purposes

The Convention shall sponsor institutions for the accomplishment of the purposes of the Convention and shall elect the members of the boards of trustees (directors) to which the governance of these institutions shall be committed in accordance with their charters.

#### B. Identification of Sponsored Institutions

The following are the institutions sponsored pursuant to the Convention's Bylaws. Anderson University, *Baptist Courier*, Baptist Foundation of South Carolina, Charleston Southern University, Connie Maxwell Children's Home, North Greenville University, South Carolina Baptist Ministries for the Aging Inc.

#### C. Changes Regarding Sponsored Institutions

- 1. A motion made to the Convention to dissolve or substantially alter the relationship between the Convention and a sponsored institution, or to add a sponsored institution, may be made by the Executive Board. Any such motion not originating in the Executive Board shall be referred to the Executive Board for study and a recommendation to the following Convention. If the motion is in the nature of or contains an amendment to the Bylaws, the motion shall be considered in keeping with the amendment provisions of these Bylaws.
- 2. A request by the board of trustees of an institution to dissolve or substantially alter the relationship between the Convention and that institution shall be conveyed in writing to the

Executive Board. The Executive Board shall submit that request to the Convention and shall advise the Convention of the Executive Board's recommendation for a response by the Convention to the request.

#### D. Terms of Trustees' Service

- 1. Trustees shall be elected to a term of five (5) years, except trustees being elected to complete an unexpired term. One-fifth (1/5) of the trustees shall retire from each board each year. Board members shall not be eligible to succeed themselves or be elected to any other board until one year has elapsed, except in the case of a board member who has first been elected to fill less than one-half (1/2) of an unexpired term. Terms commence January 1 following election by the convention.
- 2. No person shall serve on more than one board of trustees at the same time. A person who is an employee of or who has an official connection with an institution of South Carolina Baptist Convention or the Executive Board, except officers of the Convention, may not serve as a member of a board of trustees of an institution sponsored by the Convention.
- 3. At least four-fifths (4/5) of the trustees of each institution must be South Carolina residents who are members of a South Carolina church in friendly cooperation with the Convention and the trustee affirms the Baptist Faith and Message 2000 as provided in bylaws Part 2 Article III (C)(4)(D)(ii). Up to one-fifth (1/5) of the trustees of each institution may be nonresidents of South Carolina provided they are members of churches in friendly cooperation with the Southern Baptist Convention and the trustee affirms the Baptist Faith and Message 2000 as provided in bylaws Part 2 Article III (C)(4)(D)(ii). The date for determining whether a trustee is an in-state or out-of- state trustee shall be the date of his or her election by the Convention. However, if an in-state trustee ceases to be a South Carolina resident during his or her term of office, and thereby causes more than one-fifth (1/5) of the trustees of the affected institution to be out-of-state trustees, then the Convention may, by a two-thirds (2/3) vote, terminate the trustee's membership on the institution's board.

#### E. Trustee Attendance

The Secretary of each institution shall report to the Executive Director-Treasurer those trustees who are absent for three consecutive meetings of the board.

#### F. Articles of Incorporation

All proposed Articles of Incorporation, or changes or amendments to Articles of Incorporation of institutions sponsored by the Convention under these Bylaws, and of any subsidiary corporation created by a sponsored institution, shall be submitted by the institution to the Convention or to the Executive Board, according to the criteria set forth below in G 6, for approval before they become effective.

#### G. Contents of Articles of Incorporation

The Articles of Incorporation of an institution sponsored by the Convention under these Bylaws shall contain the following provisions:

- 1. The board of directors (trustees), consisting of \_\_\_\_\_ persons, a number sanctioned by South Carolina Baptist Convention, shall be appointed by South Carolina Baptist Convention in session.
  - 2. Trustees shall be appointed for terms of five (5) years. Trustees' terms shall be

staggered.

- 3. South Carolina Baptist Convention may remove trustees prior to the expiration of the term of the trustees' election upon the recommendation of the Convention's Executive Board, by vote of two-thirds (2/3) of the messengers voting. Removal may occur only upon the Convention's finding that removal of the trustee is in the best interest of the corporation and one or more of the following causes for removal are deemed in the judgment of the Convention to exist: breach of trust, neglect of duty, physical or mental incapacity of the trustee; conduct by the trustee which is deemed by the Convention to be immoral, fraudulent or dishonest; the trustee's engaging in a conflict of interest transaction.
- 4. Vacancies in the board of trustees may be filled temporarily by the Board pending the filling of the vacancy for the unexpired term by South Carolina Baptist Convention.
  - 5. The trustees may adopt bylaws not inconsistent with the Articles of Incorporation.
- 6. Any proposed amendment to the Articles of Incorporation must be approved in writing by the Executive Board of South Carolina Baptist Convention or by South Carolina Baptist Convention. Any amendment to the Articles of Incorporation that would change the relationship of the institution with South Carolina Baptist Convention must be approved by South Carolina Baptist Convention.
  - 7. Any merger shall require the consent of South Carolina Baptist Convention.
- 8. Before the corporation may sell, lease, exchange or otherwise dispose of all or substantially all of its property other than in the usual and regular course of its activities, the permission of South Carolina Baptist Convention must be secured.
- 9. Dissolution of the corporation may occur only with the permission of South Carolina Baptist Convention, and upon dissolution the assets of the corporation shall pass to South Carolina Baptist Convention if at that time the Convention is a tax exempt corporation within the meaning of 501(c)(3) of the Internal Revenue Code or corresponding section of any future federal tax code. If the Convention is not a tax exempt corporation, then the assets of the corporation shall be distributed to one or more tax exempt organizations selected by the Convention.
- 10. The corporation is (either) a religious nonprofit corporation (or a public benefit nonprofit corporation).
- 11. (The Articles shall contain language appropriate for a corporation exempt from federal taxation under 501(c)(3) or a successor section of the Internal Revenue Code.)

# ARTICLE VIII Gifts and Legacies

All designated gifts for South Carolina Baptist Convention and Southern Baptist Convention causes shall be applied to the objects specified by the donor. When any contribution or bequest is made without designation, the same shall be applied to the Cooperative Program. The Baptist Foundation of South Carolina is the institution designated for the management of trust funds.

# ARTICLE IX Supreme Authority

The Holy Bible shall be the supreme and final authority for all of the activities of the Convention and for all decisions that are made by or on behalf of the Convention.

#### **ARTICLE X**

#### **Statement of Faith**

While the Holy Bible shall be the supreme and final authority, the Baptist Faith and Message 2000 shall be the convention's statement of faith.

#### ARTICLE XI

#### **Parliamentary Authority**

The rules contained in the latest edition of *Robert's Rules of Order*, *Newly Revised* shall govern the Convention in all cases to which they are applicable and in which they are not inconsistent with the Articles of Incorporation or these Bylaws and/or any special rules of order the Convention may adopt.

## ARTICLE XII Amendments

#### A. Referral

After first reading to the Convention, amendments offered to Part 1 of the Bylaws shall automatically be referred to the Bylaws Committee for study and report at the next annual or special meeting of the Convention. Study by the committee shall not prevent consideration of the proposed amendment by the Convention.

#### B. Voting

- 1. Amendments may be made to these Bylaws, Part 1, by a vote of two-thirds (2/3) of the messengers present and voting at any meeting of the Convention, provided that:
  - a. no amendment may be considered after the morning meeting of the second day of the Convention, and
  - b. the amendment shall have been presented at the previous annual or special meeting of the Convention before action is taken on it.
  - 2. #### EXECUTIVE DIRECTOR-TREASURER OFFICE

Jim Austin

A dramatic shift is occurring in American life that carries significant implications for the Church of Jesus Christ. While these implications seem to have caught the church off guard, such is not the case with the God of the Heavens and the Earth. The American church, in particular, has been hit hard by the onslaught of secularism. This influence impacts every institution of society. Bible-believing Christians are frequently regarded as close minded, intolerant, and ignorant. This accelerating culture shift driven by a secular agenda will force the church to make adjustments in methods and practice, but never in theology.

Over several decades Southern Baptists successfully experienced a move of God in returning our denomination to the authority of God's Word, the inerrancy of the Scriptures, and the exclusive understanding that salvation is found in Christ alone. We rejoice for the miraculous work of God in bringing about such a dramatic and historical shift. Our orthodoxy remains firm, but requires constant vigilance to be maintained. Where we still need to initiate correction, and I believe we still have much work to do, lies in the area of orthopraxy, doing right. As an airplane requires two wings to fly, the church must have both its correct wing of orthodoxy, as well as its correct wing of orthopraxy. This is not an either/or issue, but a both/and issue.

Negatively impacting Orthopraxy is the reality that many of our churches stay in perpetual conflict. Typically, the pastor becomes the brunt of such dysfunction and becomes unfairly treated, and in some cases even terminated. Such behavior indicates not only a toxic environment within the church, but also leaves a sullied witness outside of the church. Orthopraxy becomes marginalized as time and resources are consumed by conflict resolution instead of doing what is right in the lost community.

A concerted effort to address the issue of orthopraxy has been initiated in our Convention ministries and is highlighted in this Book of Reports. This effort begins with church health, which in turn leads to an impact on society. The following pages will acquaint you with a multitude of vibrant ministries being carried out by your faithful staff. God is doing a great work in South Carolina Baptist life, but the work can be even greater if we learn to get along with each other and fulfill the prayer that Jesus prayed in John 17. "I do not pray for these alone, but also for those who will believe in Me through their word; that they all may be one, as You, Father, *are* in Me, and I in You;..." (John 17:20-21, NKJV) Thank you for the privilege I and the staff have to serve South Carolina Baptists as we, together, Experience Kingdom Life.

<sup>(1)</sup> NOTE: Gifts other than Cooperative Program will be distributed according to the written intent and direction of the donor.

<sup>(2)</sup> NOTE: GCR Goal is to increase SC's contribution to IMB as it would be if we were splitting the Cooperative Program (CP) with the Southern Baptist Convention (SBC) on a 50/50 basis.

#### **2014 South Carolina Baptist Convention Budget Recommendations**

**Recommendation 1:** That the Convention commend to the churches the Cooperative Program as the wisest, most effective and efficient plan of giving. The South Carolina Baptist Convention recommends that we continue to honor and affirm the Cooperative Program as the most effective means of mobilizing our churches and extending our outreach and that designated giving to special causes is to be given as a supplement to the Cooperative Program and not as a substitute for Cooperative Program giving.

**Recommendation 2**: That the 2014 budget be \$28,600,000 which includes gifts through the Cooperative Program of \$28,500,000 and Cooperative Gifts of \$100,000, and the Cooperative Gifts be distributed according to the written intent and direction of the donor.

**Recommendation 3**: That any budget gifts exceeding the budget requirements be allocated according to Recommendation Number 2 of the Great Commission Resurgence report:

"2. Church Revitalization, Missions Mobilization/Evangelism, and Church Planting be made the primary focus of the SCBC. We recommend that the Executive Director, with the approval of the Executive Board, revise the work of the Baptist state convention however necessary in order to reflect our strong commitment to these areas. We recommend that as increased CP funds are made available, and after our commitment to the IMB has been met, that all additional funds over the next five years be made available to this priority as needed."

Resources of the Southern Baptist Convention be funded jointly from the South Carolina Baptist Convention section of the budget and with credits on deposit for this purpose with GuideStone. The Church Staff Retirement Plan provides retirement contributions to the individual accounts of South Carolina Baptist ministers and provides protection benefits in the area of life and disability. For a church to be eligible for its ministers to participate in the Church Staff Retirement Plan the church must have given in the previous year of the Convention's accounting records \$1,100 for each eligible and participating staff member to the SCBC Budget or \$1,100 for each eligible and participating staff member designated to the Church Staff Retirement Plan. (For example a church with two staff members would have to contribute \$1,100 x 2 = \$2,200). A church experiencing financial difficulties and unable to

meet the contribution requirements may request an exception to the policy under a hardship status through the Church Retirement, Insurance & Administration Office.

**Recommendation 5**: That special offerings for the benevolent institutions be continued, where it is consistent with the financial policy of the local churches, as follows: 1) first Sunday in each month for Connie Maxwell Children's Home; 2) annually on Mother's Day for the South Carolina Baptist Ministries for the Aging.

**Recommendation 6**: That the Executive Director-Treasurer report on a timely basis, cumulative gifts received from the churches and the allocation of the gifts as follows: 1) Total gifts to the South Carolina Baptist Convention Budget Gifts (which includes gifts through the Cooperative Program and Cooperative Gifts) at the end of each quarter; 2) Designations for Southern Baptist Convention and South Carolina Baptist Convention ministries after the conclusion of the calendar year; 3) Weeks of Prayer offering gifts for home and state missions after the conclusion of the calendar year; 4) Lottie Moon offering gifts for international missions at the conclusion of the fiscal year for the offering. All gifts will be processed in accordance with the instructions of the contributor without any deduction for expenses.

**Recommendation 7**: That the Executive Director-Treasurer forward all Southern Baptist Convention funds on a monthly basis to the Executive Committee of the SBC in Nashville, Tennessee.

#### OFFICE OF PUBLIC POLICY

Mark Hendrick, Director

The Office of Public Policy presents itself as a resource to our churches so that we all may become *salt of the earth* and *light of the world*. We strive to present a biblical, Christian worldview while providing information, resources, and training for South Carolina Baptists to become active and engaged in the public square. Since "government is God's servant to you for good" (Romans 13:4 HCSB), we do all we can to ensure a government that allows us to impact our world for Christ.

- Maintained a constant presence at the State House providing information from a Biblical perspective by attending legislative sessions, meeting privately with lawmakers, voicing concerns in committee meetings, sending letters, making phone calls, and sending emails advocating for Baptist beliefs in state level policy making
- Took positions on efforts this past legislative session on 109 bills to tighten state laws on gambling, abortion, drug and alcohol regulation, homosexual acceptance, limiting the freedoms of religious expression, etc. (We continue to meet these assaults with a Christian influence because the quickest way to change a culture is to first change the laws.)
- Provided resources to churches around the state: research on social and moral issues; sermon notes and scriptural references; prayer guides for elected officials; bulletin inserts; guides on how to form Christian Life Committees in the church; guides on what pastors and churches can and cannot do regarding political activity; avenues to communicate with elected officials; and church governance documents
- Expanded the outreach of our ministry by having a presence at statewide conferences, attended or scheduled 26 associational pastors' meetings, WMU meetings, prayer breakfasts, delivering messages to church congregations when invited, and one-on-one meetings with ministry partners and churches to keep them abreast of important matters and to find out how our office can be of service to them (We want our churches to know of the valuable ministry that we offer and are constantly trying to keep our constituency up-to-date while also reaching out to new audiences.)
- Created a relationship with partners at the Southern Baptist Convention's Ethics and Religious Liberty Commission, as well as federal lawmakers and staffs to voice South Carolina Baptist beliefs on national issues
- Educated churches on cultural issues at the local level and equipped them with tools to impact these local governments in a Christ-like manner
- Distributed voter registration and education material to churches in an effort to relay the importance of voting to those of faith just as Exodus 18:21 and Deuteronomy 1:13 tells us
- Ministered to those in the public arena by organizing and promoting Bible study groups for legislators and staff; private prayer time and meetings with elected officials; and an appreciation fellowship luncheon with SCBC leaders from different parts of the state
- Continued to build upon our new website <a href="www.informedforaction.org">www.informedforaction.org</a>, highlighting legislative issues, resources, guides to Special Emphasis Sundays, guidelines for pastor and church involvement in political issues, and links that pastors and churches can use as educational tools for a number of social and moral issues

- Provided staff leadership to the Resolutions Committee to draft, review, and recommend resolutions to the Convention messengers at the annual meeting
- Provided staff leadership to the Christian Life and Public Affairs Committee for special projects, awards, and initiatives.

#### CHURCH STRENGTHENING AND SUPPORT TEAM OFFICE

David Parks, Associate Executive Director

The primary responsibility of the Church Strengthening and Support Team is Church Health/Revitalization. The CSST establishes strategies and goals supportive of the SCBC GCR initiatives of Church Health & Revitalization, Evangelism, Mission Mobilization, and Church Planting. Ultimately, our aim is to assist churches in becoming healthier and stronger so that they might more completely fulfill the Great Commission.

- Led in the planning, development, coordination and implementation of "IMPACT 2012." This was the EKL Premiere Learning Event aimed at equipping people in relational disciple making skills. This event, held at Riverland Hills Church in Columbia on October 25, 2012, involved all the teams and staff of the SCBC in a concerted effort. We also partnered with Real Life Ministries of Post Falls, Idaho for this event which drew more than 900 attendees.
- Members of the CSST team represented SCBC at LifeWay State Conventions Summit.
- The SCBC received a clean and unqualified audit for 2012. The entire Support arm of the CSST aided in this endeavor.
- Continue to shepherd the Budget development process working with all groups and offices in the building, as well as our institutional partners. The team assistant continued to support the AED, CFO and HR director, as well as provided a key coordinating role in the budget development process before accepting a new role within the organization in July (See below).
- Coordinated the search and selection process for replacement of our Human Resource Director. The position was changed to HR Manager by the Administrative Committee and due to economic constraints we sought to fill the position from within the organization. Ms. Lee Douglas accepted the new position and began serving in that capacity on July 1, 2013.
- The 2013 Premiere Learning Event, "Church Revitalization with Johnny Hunt" took place on May 23<sup>rd</sup> at White Oak with approximately 260 in attendance. The event was sponsored by NAMB and featured NAMB personalities as well as Johnny Hunt from FBC Woodstock, GA.
- AED will be serving as our state coordinator for "Ministry Grid" a leadership development and training platform developed by LifeWay Church Resources as a result of the State Conventions Summit. Ministry Grid launches later this year and will make developing leaders simple and more effective than we have previously experienced.
- Planning for IMPACT 2014, the Premiere Learning Event is underway.
- Partnered with Charleston Southern University for the SYNC '13 Conference held on the campus of the university April 18<sup>th</sup>. More than 200 attended.
- The emphasis on multiplication and strengthening of leaders through coaching, coaching networks, and various leader development activities continues. By the end of the year more than 300 pastors and other leaders will be involved in intentional coaching relationships.
- Consulted with pastors and church staff from approximately 75 churches on various topics.
- Developed and led numerous conferences and breakouts at various state and association events all throughout the year.

# **Church Health and Cooperative Program Group**

Gary Anderson, Director

God has prospered and blessed South Carolina Baptists. He continues to call us to cooperate to provide missionary support and underwrite ministries that will take the Gospel to all people. Our challenge is to bring our hearts into conformity with God's purpose and priority to share His passion for reaching our world. The Cooperative Program provides one significant investment opportunity for congregations to participate together to reach the world for Christ. History continues to prove we can do more together than we can separately.

- Currently, we are utilizing three distinct Church Health processes designed for different situations. These processes, CHAMPS, ICMP and Transformational Church, were featured and explained in a late 2012 edition of Focus Magazine. Approximately 130 churches engaged in one of these processes during the last year. In September a number of new ICMP clusters launched involving approximately 65 churches. Roughly 35 other churches are involved in the next phase of ICMP called JET (Journey of Evangelistic Transformation). During 2013/2014 we will host 12 Clusters 8 daytime, 3 evening, and one Hispanic.
- During the 2012/2013 Cluster year, 60 churches completed ICMP and 24 completed JET.
- An evaluation grid has been developed to more accurately measure the results of ICMP in an effort to further strengthen the process.
- We have held 11 Cooperative Program Think tanks with Associations and mailed out CP material to all SCBC churches.
- The 1% Challenge, a Cooperative Program emphasis encouraging individuals to give 1% more to their local church and local churches to give 1% more of their undesignated receipts to CP, is ongoing. Has your church committed to give 1% more to CP this year?
- Held Stewardship Revitalization Conference in March 2013.
- Biblical stewardship is promoted as a key for discipleship development. The coming stewardship emphasis is "Impact" based on the Old Testament character, Joseph.
- SCBC is partnering with IMB to emphasize the necessity of continued Cooperative Program support to reach the nations.
- A manual that will help standardize and multiply our church health initiative through ICMP is nearing completion.
- Utilizing video for ICMP instruction and Cooperative Program awareness is in development for use in 2014.

# Worship & Music Group

Mark Powers, Director

The Worship & Music Office leads our partners to embrace vital contextual worship (Churches discovering God's direction to embrace the specific music/worship styles which best enable Christ-centered worship for their cultural context) which flows into music-arts mission action in their communities and beyond.

- During January 2013, the Worship & Music Office offered Honors Children's Chorus, YouthSingers, and Baptist AllState Choir, Orchestra, and Praise Team. For the first time these equipping opportunities for future worship leaders all occurred on the same weekend at White Oak conference center. Participating churches affirmed this arrangement saving them chaperone time and expense. It was a great weekend!
- The Creative Ministries Festival was presented on March 15-16 at White Oak. This equipping conference for drama, puppets, clowning and creative movement concluded with a free Family Fun Day block party in Winnsboro in partnership with Stephen Greene church. # **Youth Ministry Group**

Steve Rohrlack, Director

The Youth Ministry Group assists churches in fulfilling their mission to reach the student generation for Christ by resourcing four specific areas. The first of these would be the youth ministers. For many called into Christ's service, youth ministry is the entry-level position. The Youth Ministry Group is not just the "face" of the Convention for youth leaders. It is the first point of Convention contact for many that will become the next generation of church pastors. The second group would be the volunteer leaders. Volunteer led ministries have different resource needs in the same way a pastor seeking Bible study helps would be resourced differently from a Sunday School teacher. The YMG offers a tiered approach to training ensuring that the veteran student pastor and brand new youth volunteer receive help tailored to their needs. Youth Minister Search Committee instruction is a third request that is very often received by the YMG. This help includes instruction for the committee; a plan of preparation for

the church along with an honest evaluation for those churches recovering from a difficulty in their past. We assist churches in providing a healthy beginning for a new youth minister. Finally, there are large events offering the quality and impact individual churches would not be able to duplicate.

We also equip churches to reach college students and assist the Executive Board in administering scholarships for college and seminary students preparing for ministry as a vocation.

- Baptist Collegiate Ministry (BCM) groups and Bible studies were active on 28 college and university campuses across South Carolina during the 2012-13 school year. Full-time, part-time and volunteer BCM directors reported that 11,315 students were impacted by BCM outreach and ministry and 3,078 students were actively involved in BCM ministries on a weekly basis. BCMs were instrumental in seeing 376 students profess faith in Christ 151 on non-SCBC campuses and 225 on SCBC campuses, involving 1,319 students in small group Bible studies on campus and equipping 1,104 students in witness training. Over 2,500 students were involved in local, national or global mission projects.

As a ministry **White Oak Conference Center** exists as a place for people to experience Christ. White Oak provides a setting and opportunity for guests to conference and retreat in the beauty of God's creation.

- The suite formally known as the VIP suite has been completely renovated and is now being referred to as the Refresh suite. This renovation was done in cooperation with the Pastoral Ministries Office for the purpose of providing a place for pastors and church staff to rest and reflect in a comfortable setting. This opportunity can be taken advantage of through the WOCC Refresh Program or the Pastoral Ministry Office sabbatical opportunity. Since opening in February, 34 total guests have taken advantage of either the Refresh or Sabbatical Programs through August.

The positive result of this collaboration has opened the door for White Oak to directly share the gospel to the Fairfield County Community through this ministry opportunity.
- A request by White Oak for a task force appointed by the Executive Board Chairman to study and propose a long-term vision and short-term strategic plan for White Oak has been granted. The goal would be to provide a clear ministry focus, facility development/maintenance prioritization, and CP reduction strategy.

Two who served as Journeyman completed their two years of service during this year. Three who served as USC-2ers completed their terms during this year.

# **Report of Anderson University**

Evans P. Whitaker, President

#### **Introduction**

This year, I begin my report with an expression of deep gratitude on behalf of my wife, Diane, and myself. Last year, we celebrated our tenth anniversary in service to God and humanity at Anderson University. After ten years, the best word to describe our reflection over our experience is *blessed*. God has been good to Anderson University and He has been good to Diane and Evans by putting us in this remarkable place of service. But we have also been blessed by South Carolina Baptists, and we joyfully express our gratitude to each and every one of you for your abiding personal support and the larger strategic partnership of our Convention.

Anderson University is an educational extension of the ministry of our Convention and we are grateful to South Carolina Baptists for the great opportunity to serve our denomination as it seeks to live out the Great Commission and the Great Commandments.

#### The Future

We look to the future with great anticipation that God will keep His hand upon our University. Surely our founders never envisioned our university to be as much an ivory tower as a place of educational, spiritual, social, and physical transformation in the journey of students' preparation for humble, productive service to God and humanity. We will do well to remember that in authentically Christian universities we are about something far different from the aims of public and other secular universities. In those universities, many of which we admire for their academic rigor, they educate the intellect, they develop leadership and social skills, and they address other worthy human development aims. **Christian universities do all that too. But we do one thing they do not, and it just so happens to be the most important thing: we bear witness to Jesus Christ as the author of all knowledge, truth, and redemption.** Even though there may be Christian ministries like Fellowship of Christian Athletes and Baptist Campus Ministries on secular college campuses, the institutions themselves take aim at only part of the student's being. We educate the whole person and, in the process, we seed the culture with individuals who are salt and light to a dark world.

I encourage South Carolina Baptists to also remember that the Anderson campus is a mission field! Versions of the Great Commission appear in all the Gospel books as well as the book of Acts. In each, Jesus commands us to take the Gospel to the whole world. In Luke's (24:44-49) account, He specifies to begin in Jerusalem (home). Even though Luke is singular in that distinction, we believe the Bible to be true and so we must then also believe that Luke's version of the Great Commission is in the Bible for a reason and it is there by God's perfect design. Indeed, since there will always be those near us who need Christ, we must never fail to see that

there is work to be done at home – in our families, in our churches, in our associations, and in our state and nation. That is why our South Carolina Baptist universities are important to the cause of Christ, and why they are also important to us as Christians and as a denominational body – one that is in the midst of great transition.

Our Baptist universities comprise a large and important component of our denominational *seedbed* of ministry, missions, and evangelism. In campus worship last year, Pastor Rick Warren of Saddleback Church told a packed Henderson Auditorium that he had been speaking on campuses in other cities and other states, and he wanted the Anderson campus to know that "the Spirit is here." And it is! In over 30 years of experience in higher education, I have never seen a campus so alive with the spirit of Christ and so filled with a sense of urgency to serve Him and bear witness to His grace and truth.

At Anderson, we still get excited when a young person confesses Jesus Christ as Savior and Lord, and we get excited when they grow in their walk with the Lord. You will not hear many university presidents say that, but I say it sincerely. As I write this report, it is my joy to point out that this very day — September 4, 2013 — in our weekly 10 a.m. campus worship service, 20 students accepted Christ as Savior and Lord. Twenty souls in one day on a university campus! Some of them will no doubt go on to preach, teach, encourage, and admonish others in the faith. I have always said that on our campus, the main thing we do is teach, but the most important thing we do is bear witness to Jesus Christ. We offer an education that will last a person his or her lifetime, but we bear witness to a Savior who makes possible the only thing that lasts forever.

For more than a century, we South Carolina Baptists have multiplied our impact on the Great Commission through our universities. We started them in the last century and we must stand firmly beside them as well as underneath them if we want them to continue to be what they are today – beacons of hope on their individual campus hills radiating the truth and grace of Jesus to a world that groans to know Him. *Your* university in Anderson has never been stronger or more equipped to work with South Carolina Baptists to get the Great Commission done. So what do we ask of you – only your continued prayers, your involvement, your counsel, and your support in every form.

As we move into a new era of geopolitical shifting and adaptation to a secular worldview that renders our culture evermore hostile to the Christian faith, we are *still* called to boldly take the Gospel to the whole world - *including Jerusalem* - in the never-ending cycle in which we are to share the Good News one day and get up tomorrow to do it all over again. If we underemphasize Jerusalem or even worse, ignore it altogether, we forfeit a great mission field at our doorstep and we abdicate our responsibility as stewards to nurture and nourish our denominational seedbed of ministry, missions, and evangelism. Our seminaries are important components of that seedbed for our future pastors and other church staff and ultimately our denomination, but today, greater numbers of future Baptist leaders are opting out of the three-year seminary experience altogether, and that concerns us greatly. As a result, the truth is that

our universities have never been more important to the preparation of Baptist leaders - ministers and laypersons. Anderson, Charleston Southern, and North Greenville universities are all part of our *Jerusalem landscape*. The *whole* world is the goal Christ himself gave us, and our passion must be for *all* of it.

#### Accolades

For the 5th consecutive year, <u>U. S. News & World Report</u> ranked Anderson among the "Up & Coming" universities in the nation. This year, less than fifty forward-moving institutions made the exclusive list that U.S. News says "everyone should be watching" as models of innovation and advancement. On top of that, Anderson is ranked among the 23 best institutions of its type in the South.

Anderson again faired extremely well in other national rankings. Here are just a few accolades:

- 1. Named to the 2013 America's Best Christian Colleges.
- 2. Named to the 2013 list of America's 100 Best College Buys.
- 3. Princeton Review ranked Anderson among the Southeast's top colleges and universities.

All these affirmations confirm that Anderson is on track in its goal of becoming one of the leading Christian universities in America.

#### Record Enrollment

This year, our enrollment will mark its 8th consecutive year of growth and will reach an all-time high of approximately 3,000 students, which means that Anderson has grown by over 80 percent since 2002. This year, a total of 625 new students joined our student body making the class of new students one of the three largest ever.

#### Recent Developments and Institutional Priorities

*G. Ross Anderson Student Center*. We have raised approximately \$10 million in gifts and pledges toward the construction of our new \$15 million student center and dining commons. Our hope is to break ground on the facility in the fall of 2014

The South Carolina School of the Arts. Last spring, Anderson's College of Visual and Performing Arts launched out on its signature identity as *The South Carolina School of the Arts*. The School boasts an enrollment of students majoring in the various programs in the disciplines of music, musical theatre, and visual art. In recent years, the School has received national recognition which, together with the vision to be one of the South's premier arts schools, prompted the change.

# **Charleston Southern University**

#### **Quick Facts**

- The new Whitfield Center for Christian Leadership Building opened in August 2013 and was dedicated on September 11. The 26,500 square foot facility is the home to CSU's Center for Christian Leadership and three distinct institutes of Christian learning: Biblical Worldview, Faith Integration and Marketplace.
- Charleston Southern University has been named to *The President's Higher Education Community Service Honor Roll*. This marks five consecutive years that CSU has received the honor.
- CSU hosted Lifeway's Mission-Fuge (M-Fuge) camps during the summer of 2013. More than 3,500 teenagers from around the nation participated. These young Christians collected thousands of dollars in offerings for missions and provided assistance to needy and elderly people in the community.
- Global Awakening kicked off the 2013-14 academic year with three days and nights of worship. This event focused the student body on waking up and taking a hold on their personal faith in Jesus Christ. The theme was based off of Ephesians 5 and set the temperature for the campus spiritually. More than 500 students attended the first evening of this event featuring of praise, worship, and proclamation with 41 decisions for Christ.
- CSU will be celebrating its 50th anniversary in 2014. The University's \$40 million Transform Campaign celebrates this special milestone and will provide resources for construction of the Christian Leadership Building, Nursing expansion, athletics, scholarship and academic enhancement.
- Charleston Southern University students volunteered in 74,467 hours of community service. 827 students served through 22 academic programs including community partnerships.
- The LORD moved mightily in the beginning of the fall semester academic year 2013–14. Campus Ministries experienced many highs as we sought to follow the leadership of the Holy Spirit so that Jesus Christ would be glorified. Over 1600 students were exposed to a

clear gospel presentation, 58 salvations and 15 baptisms.

- CSU and the SC Baptist Convention hosted the 3rd annual SYNC Conference for pastors, worship pastors, lay-leaders and CSU students for the third year. The theme for the conference is Gospel-centered, Missional Leading. Some of the main speakers for the two day event were Reggie McNeal (future strategist), Alvin Reid (evangelism professor, SEBTS), Doug Paul (Missional Communities, 3DM), Pete Wilson (Church planting) and Phil Wickham (worship leader). SYNC '14 will be held next spring in Charleston Southern's new Christian Leadership Building.
- Charleston Southern University is partnering with eight community ministries for the 2013-14 school year including: Water Missions, A21 (Human Trafficking), All Girls Allowed, Habitat for Humanity, Be a Mentor with Stall High School, The Hope House, Eagle Harbor Boys Ranch, and Summerville Miracle League.

Fifty-one students served in 10 states (South Carolina, North Carolina, Florida, Virginia, West Virginia, Washington D.C., WI, Wyoming, Washington, Alaska) and 14 students served internationally in six countries (Mexico, United Kingdom, West Africa, Ethiopia, Lebanon, Moldova)
- Campus Ministries' annual partnership with Operation Christmas Child included a
  packing party after our corporate worship gathering, Elevate. CSU packed 1,049 boxes
  and delivered them to the Charlotte Headquarters. We received tremendous
  encouragement from OCC due to the size of the donation and have raised our goal for
  next year.
- Weekly ministries and Bible studies on campus include Baptist Collegiate Ministries, Elevate, Campus Crusade for Christ, the Fellowship of Christian Athletes, Campus Outreach, Catalyst, Solomon's Porch, Disciple Now Weekend, Prison Fellowship, Praise Band, New Vision, and One Accord Gospel Choir. The purpose of campus ministries is to: reach college students with the gospel (Romans 1:16); raise college students in the scripture (2 Timothy 3:16-17); and release college students to change the world (Matthew 28:18-20).
- Campus Ministries also had a couple strategic initiatives to advance the Kingdom of God. During October, the Campus Ministries department led an intentional 20-day call for an evangelistic effort, The Power of One, on the CSU campus through outreach training, group meetings, outreach events, and worship gatherings. The Power of One focused on the vision of *One story (JESUS) in One Moment could change One life forever*. We were blessed to see 12 students come to know Jesus Christ and over 40 students to make a rededication to their personal walk with Jesus.
- Elevate is a weekly student led worship gathering on Thursday evenings that seeks to encourage students to draw closer to God and to each other. All of the ministries on

campus (CRU, Campus Outreach, Impact, Gospel Choir, Athletes) join together to be encouraged taught and challenged. On average we had 200 students in attendance weekly. The program had its highest attendance – 450 -- in November during the Power of One. In addition, Elevate had 50 students participate in Converge Collegiate Weekend (sponsored by SC Baptist Convention Collegiate Department) in Myrtle Beach, SC. The weekend emphasis is to inspire and challenge students to think and live Missional minded for Jesus Christ.

Campus Ministries offered a Spring Break Mission Trip to Orlando, Florida to work with
the Orlando Union Rescue Mission and FBC Orlando. The mission was in need of hands
to scrub and clean, organize thrift store donations, and play with the children during the
after-school daycare. Sixteen CSU students and three campus ministries staff members
served in poverty and homeless areas.

## **North Greenville University**

Jimmy Epting, President

#### No Debt

The most impressive thing about our facilities at North Greenville University is how much they didn't cost. We have built over \$50 million worth of buildings over the past 20 years and we did not borrow any funds to pay for them. When you cannot explain it, you know that it is God! In addition, because we have our own construction team and many individuals and companies have donated their time, materials, and supplies, the costs are significantly less than expected. For example, the Carpenters for Christ from Alabama (over 175 men and boys) came to our campus this past June and helped us build two 72 bed residence halls which saved us over \$300,000 per residence hall.

In 2010 – 2011 we boldly stepped forward with a five year, \$25 million Gift God Campaign to cover our scholarship and facility needs. In less than three years we reached our goal and the Board of Trustees established a "Hallelujah" goal of \$42.7 million. At the time of this report we have gone past \$30 million and the amount increases every day. I believe God never calls His people to do something they can do on their own. Otherwise, they would not need Him.

Because of our fundraising success and unique construction process we will continue the transforming of our campus through new, fantastic facilities without any debt. Our plans are to begin the following immediately: Science Building, Arena/Worship Center, General Store with Papa John's Pizza (downtown Tigerville), Tennis Courts and Complex, Softball Turf Field, All-Purpose Turf Field, Track, Athletic Weight Lifting Building, and Drive-Thru Coffee Shack. As previously mentioned, we have already started two residence halls.

In Colossians 3:23 it says, "Whatever you do work at it with all your heart, as working for the Lord, not for men." Our faculty and staff have been called to North Greenville University to be true to this verse. Remember, God does not call the equipped, rather He equips the called. We like to say that God is at work at other places, but He lives at North Greenville University.

The new academic year began on June 1, 2013, and three hundred and twenty-two people have received Christ on the North Greenville University campus since this date. Since 1993 NGU in partnership with the churches of the Three Rivers Baptist Association has hosted a crusade to begin our new semester which encourages students to make decisions for Jesus Christ.

This semester has brought the most exciting news in the enrollment history of North Greenville University. We set a new enrollment record for the 20th consecutive year. We have 2470 students, our full-time equivalent is 2320. This is thirty more students than last year and includes 220 graduate students. We have a total of thirty-five international students along with fifty-one missionary kids representing over twenty different countries enrolled this year. Among the new students are eighty-two Honor Program scholars, a record number for the University, even with higher entrance requirements. Since 1996 the program has grown from nineteen students to 267 students. The University also welcomed 129 Palmetto Fellows Scholarship recipients who

represent the very best academic students from across South Carolina. In addition, 183 students are expected to graduate this December.

For twenty-two consecutive years we are operating with a positive cash flow and have no interest bearing indebtedness. We remain one of the most affordable private, accredited, Christ-centered four-year universities in the Southeast while keeping Jesus Christ at the head and center of all our thinking and conduct. On January 17, the Board of Trustees approved a \$48,062,500 budget with only a 6% increase in tuition, room and board. The cost for the 2013-2014 school year is as follows: tuition per semester - \$7,386, and the room and board per semester - \$4,327.

Our Baptist Student Union is averaging over 400 students at Thursday night meetings! We have 192 students serving on Ministry Teams. After training in September, teams are available to assist churches by leading Disciple Now events, lock-ins, retreats, and worship.

Global Missions hosted our annual Missions Conference in mid-September. Students were challenged to take the Gospel to the ends of the earth. The sun never set this past summer where NGU students weren't sharing Christ to our lost world. During this academic year, students will travel the globe during winter and spring break on projects planned and directed by Global Mission.

In addition to community and weekend Impact Teams, Joyful Sound, the BSU music ensemble, began their 36th year of ministry in August. This ministry consists of three vocal teams of ten students each and a five-piece band. Annually these teams minister in more than 150 ministry situations. Act II, the BSU drama troupe, continues their unique ministry of presenting the gospel through dramatic presentations. The NGU Campus Band, consisting of two vocalists who both play acoustic guitars, two electric guitarists, a bassist, a drummer, and a keyboard player lead worship both on and off campus.

Twice weekly chapel services provide worship opportunities for the university family. During the first three chapel services of the semester, twenty-nine students received Christ. Students meet for chapel every Monday and Wednesday of the academic year at 10:00 a.m. Fall chapel speakers include NGU President Dr. Jimmy Epting, Clayton King of Crossroads Worldwide Ministries, Bill Cox with his Art to Heart ministry, Dr. Greg Mathis, pastor of Mud Creek Baptist Church in Hendersonville, Former NFL standout Pastor Derwin Gray of Transformation Church in Charlotte, NC, Lee Clamp, Director of Evangelism of the SCBC, Tony Nolan of TNT Ministries in Woodstock, GA, Lt. Clebe McClary, Pauley's Island, SC, and Dr. Samuel Thomas, Hopegivers International.

The Craft Hemphill Center for Apologetics and Christian Worldview presented the Truth for a New Generation National Apologetics Conference on September 27-28 at Northside Baptist Church in Charlotte, NC. Conference speakers included Josh McDowell, Dr. Erwin Lutzer, Eric Metaxas, Lee Strobel, Gary Habermas, Tony Perkins, Mike Licona, and many others. Two highlights of the conference was the 1400 year old copy the Torah owned by Josh McDowell displayed publicly for the first time and the National Briefing on Religious Freedom, hosted by Lauren Green of Fox News. Panelist for the briefing included Dr. Timothy George, Eric Metaxas, John Stonestreet, Jennifer Marshall and Eric Teetsel. People from all over the United

States attended this national event and were exposed to some of the best Christian teaching in the country. At North Greenville University Christ is making the difference through national events that define and defend the Christian Worldview.

We will continue to trust God and give Him the credit and glory for all of the above. For you see, trusting God means looking beyond what we can see to what God sees.

#### Connie Maxwell Children's Home

Ben Davis, President

On May 22nd of this year, Connie Maxwell Children's Home celebrated its 121st anniversary. During these many years, over 16,000 boys and girls have been residents of the homes which South Carolina Baptists have provided through this special ministry. There still are approximately 200 children annually who find love and residential care at Connie Maxwell with almost an equal number who receive counseling and referral services without living on our campuses. We offer the children who come here love, nutritional food, proper clothing and shelter, medical and educational assistance, and knowledge of a Savior who wants to help them even more than an earthly parent can.

The boys and girls on our Greenwood campus attend church at the Connie Maxwell Baptist Church, and at our satellite locations in Mauldin, Chesterfield, Florence, and Orangeburg, children attend local churches in the area. We believe all of our children should have the opportunity to attend church each week, and we see that this happens. Many of them are attending church regularly for the very first time.

The children on our various campuses live in beautiful homes with a total of 8 kids and loving house parents. They attend local schools and if they graduate from our program, Connie Maxwell helps those who have the desire and ability to go on to college or tech school to be able to do so. Funds are sought and used to assist our graduates with their higher education goals, and most of them could not go on to school without this assistance.

A new program that we began last year has definitely been an important addition to our ministry to children and families. It is called Family Care because it allows a single mother to raise her biological child or children in one of our homes on the Greenwood campus when challenges happen that cause them to need help. The family is able to stay together without the children being taken away and placed in the state system. The mother is counseled in parent training, budgeting, interviewing, and then helped to find a job, so the family can soon move out and begin a positive life together on their own. We do not want this to be another entitlement handout but a helping-hand that allows a family in distress to become self-sustaining within a short period of time. It has been very successful this past year, and we often have more inquiries than we can take into care.

Connie Maxwell also is working directly with grandparents who need assistance when they find it necessary to become the "parents" who must raise their grandchildren. Most of these loving grandparents want to help in this way but because of age, health, or finances just can't do so. We are partnering with them to take care of the children during school time at our residential facilities. The grandparents then can have their children in their own homes during holidays and

summers as they want and are able to do. This assistance allows the grandparents to be involved in their grandchildren's lives without the necessity of taking care of them all the time.

New over-reaching federal and state guidelines have caused a sometimes misguided approach by government agencies concerning how children should be cared for. We believe that kinship care, adoptions and foster families are all good methods for some children. We also know that children's homes such as ours also are a wonderful option for others. When looking at what is in the best interest of each individual child, it is found that some have been hurt so much by a family they need the love and friendship of "brothers and sisters" who have had similar traumas and challenges. That is why they flourish and thrive in this setting and should have this option when needed.

Because of new policies that try to regulate everything from church attendance to how many staff members a children's home must have, Connie Maxwell has returned to primarily a private-placed ministry. Children come from referrals of pastors, church members, families and others who know us rather than from state placement. This means, however, that all the money to take care of these children must also come from these same private resources. Your prayers and assistance in this are needed.

Connie Maxwell truly is a benevolent ministry because there is no money-stream that follows children who come to live with us. We have no charge and receive no or very little money when a privately-placed child comes into our care. Children can't pay us and dysfunctional or hurting families can't and don't pay. That is why SC Baptists established this ministry as a benevolent way to take care of these children. Individual churches and supporters "scholarship" their stay with us as we all partner together in taking care of them.

Connie Maxwell Children's Home was ordained and blessed by God over 121-years ago and Baptists in this state have invested in the lives of boys and girls ever since. That investment is needed today as never before, and we encourage you to be involved through referral, financial, and volunteer assistance. All of this help, though, is not going to do us much good without God's guidance and leadership, so your prayers are the most important thing for us.

The Connie Maxwell ministry is as necessary today as it ever has been, but it will take a joint effort on behalf of the Convention, concerned churches, and those who care about children to see that this work continues and prospers. It was out of faith, the benevolent work of a caring denomination, and a God who loves boys and girls that Connie Maxwell Children's Home was established many years ago. God has never failed us during challenging times in the past, and He has used caring, loving people to make sure that boys and girls can find a home and a family here at Connie Maxwell. Thank you for your investment in the lives of boys and girls, and in the future of our country.

## **Baptist Courier**

Rudy Gray, President

Located in the historic district of Greenville on land once owned by the founding fathers of The Southern Baptist Convention, The Courier has been around for 144 years. Throughout those years the look and content of the publication has been modified but the purpose of inspiring and informing South Carolina Baptist continues.

This year has been a year of change. We are now publishing a monthly a full color feature/news magazine in both print and digital versions. Our website has undergone a complete make-over and we are adding more and more capabilities to our ministry of Christian journalism.

Don Kirkland retired last year after serving The Courier for 38 years, 16 years as editor and president. Rudy Gray began serving as editor in January of this year after serving as a pastor for 37 years. We would encourage you to invite him to your church preach God's Word and share news about The Courier.

We began developing a book publishing ministry in July and anticipate having six to eight books in print by the end of 2013. Friends of the Courier was launched this year and our first banquet will be held in November.

Our challenge has been to increase our funding since our Cooperative Program allocation is being cut. We are working diligently to support the Great Commission initiatives and obey The Great Commandment. In order to increase revenue, we must increase advertising and subscription costs. Additionally, we have taken cost saving measures and are anticipating growing income from our publishing ministry and our Friends of the Courier donors. It our prayer that South Carolina Baptists will continue to support us as we seek to supply relevant and helpful content that glorifies Christ Jesus and informs and inspires South Carolina Baptists.

# South Carolina Baptist Ministries for the Aging, Inc.

Tom Turner, President

As a Ministry Partner, the Ministry for the Aging has the privilege of serving those who spent their lives serving others. In 1 Corinthians 4:1-2, the apostle Paul tells believers that we "ought to regard ourselves as servants of Christ…it is required that those who have been given a trust must prove faithful". Through the generous support of South Carolina Baptists, Martha Franks and Bethea Baptist Retirement Communities have the distinct privilege to minister to retired pastors, missionaries, and others in a Christ-centered retirement setting.

While SCBMA's priority is to provide high quality care and services to senior adults, we strive to be witnesses of Jesus Christ where missions work is the core of our activities.

As with so many ministries, SCBMA is attempting to respond to cultural and economic factors that require us to change how we provide for senior adults.

In the past year, our ministry has experienced many blessings through the following accomplishments:

- Monthly financial assistance awarded to a new Mother's Day Offering recipient.
- New Assisted Living services opened at Bethea.
- Renovation of a portion of Bethea's Healthcare Center to provide a distinct rehabilitation setting.
- Billy Graham HOPE Ministry established at Martha Franks. Residents and staff serve a call center following Billy Graham televised crusades. Since May 2013, there have been 182 total calls with *53 salvations* and 21 rededications.
- Board approval of a Senior Resource and Call Center Ministry to open at the Baptist Convention Building.

In the upcoming year, the ministry's operational focus will include:

- Introduction of the Baptist Senior Resource and Call Center to assist seniors and family members connect to needed aging resources.
- Partner with SC Baptist Churches, Associations and civic agencies to provide services and promote awareness of the Baptist Senior Resource Ministry.
- Renovation to a portion of Martha Frank's Healthcare's setting to provide enhanced senior rehabilitation services.
- Planning and execution of our strategic Plan.
- Continued development of "Ministry Friends" to help support our strategic plan.

Embarking on these future plans assures our mission of giving concrete evidence of concern for and commitment to an aging population.

As always, we are thankful for the support of faithful SC Baptists. By your support, you are investing in the lives of many senior adults thus affirming the biblical mandate of James 1:27 to care for the elderly. Please pray for God's blessing upon this ministry and the future generations we will serve.

### **Baptist Foundation of South Carolina**

Barry Edwards, President

The Baptist Foundation of South Carolina is a partner in ministry to all South Carolina institutions, associations, and churches. The Foundation promotes Christian stewardship in life and death by providing education and services to promote wise estate and financial planning principles so that resources can be given to support the ministry causes that each individual chooses. We promote endowment gifts to provide for ministry both today *and* tomorrow so that those who come after us will have the opportunity to know Christ. Leaving a legacy of giving can be accomplished in several ways:

- **Bequests in wills.** A specific dollar amount or a percentage, such as a tithe, designated for a church or other ministry can make a huge impact.
- Charitable living trusts and gift annuities. These instruments pay life income to individuals and eventually provide for Baptist causes.
- Donor Advised Funds. These funds provide opportunities for making gifts today and choosing how to disperse those gifts later.
- **Contributions.** Gifts of any amount can be made in memory or honor of a loved one to an existing endowment.

The Foundation also provides services to promote the growth and financial health of churches and ministries. We offer low cost and competitive investment services for South Carolina Baptist churches, associations, and ministries. We also provide campaign stewardship services to assist churches to raise funds for capital and other needs.

God continues to bless this ministry and has used this ministry throughout its history to provide much needed resources for Baptist causes throughout our state and world. Since the first endowment of \$16 was received in 1950, the Foundation h as distributed almost \$59 million to primarily Southern Baptist ministries. Distributions to ministries continue to increase each year as God provides resources through the Christian foresight and generosity of South Carolina Baptists who desire to leave a legacy of giving to provide resources for the Lord's work after their lifetimes.

#### 2012-2013 Highlights

Through prudent investment management practices and sound policies, the Foundation continues to provide financial resources for primarily South Carolina Baptist ministries. During the past fiscal year, the Foundation:

- Distributed \$2,866,174, our largest single year distribution to ministries ever, to primarily South Carolina Baptist charitable beneficiaries.
- Distributed an additional \$1,276,048 to individual living trust beneficiaries from trust and annuity accounts, most of which will eventually become endowments.
- Enhanced our relationship with PhilanthroCorp, a Christian estate planning firm, to provide estate planning specialists who work directly with individuals to assist in development and finalization of legacy plans for their families and the Lord's work.

- Since this relationship was established in July 2012, over **\$6.5 million** of anticipated future gifts to Baptist ministries has been identified through donor bequests.
- Awarded 15 grants totaling \$41,300 for Kingdom growth projects across our state.
- Awarded \$20,850 in student scholarships, the majority of which were awarded to students preparing for full-time Christian service.
- Completed three successful campaign stewardship programs.
- Maintained our operating budget with less Cooperative Program funding. Since our inception, the Foundation has returned over \$6.55 to primarily Baptist causes for every \$1 allocated to our ministry through the Cooperative Program.
- Conducted "lunch and learn" sessions across the state to educate pastors about estate stewardship services to benefit their churches.
- Redesigned the Foundation's website to provide resources to assist individuals and churches in the areas of legacy giving, investment services, endowments, and campaign stewardship.
- Received a clean annual audit with no reportable conditions as well as maintained membership and good standing with the Evangelical Council for Financial Accountability (ECFA).

Today, the Foundation manages over \$115 million in assets, the majority of which are for Baptist causes *other than* the Foundation.

#### **Future Plans**

In the coming year, the Foundation will be increasing our visibility through media and personal contact. Several initiatives are already underway and include:

- Enhancing our Ambassador Program to provide additional resources for sharing the Foundation's ministry through our statewide network of volunteers.
- Further enhancing our website with additional forms, brochures, videos and other online tools.
- Increasing estate planning seminars and presentations in our SC Baptist churches.
- Continuing to seek new ways to enhance our scholarship and grant funding programs.
- Monitoring expenses and exploring creative revenue sources to maintain good financial standing as Cooperative Program dollars are reduced.
- Maintaining a "clean" audit opinion as well as membership in good standing with the Evangelical Council for Financial Accountability (ECFA).

The Foundation's ministry is far-reaching. We touch churches in all South Carolina counties as well as missionaries serving around the globe. Our vision is " to see all (the giver and the receiver) experience Christian generosity." Our goal is to educate and equip believers to leave legacies of giving so that resources will be available to share the love of Christ today and in future generations!

# South Carolina Baptist Convention Bylaws Committee Report Regarding Proposed Bylaws Amendment from the 2012 Annual Meeting in Greenville, SC

The Bylaws Committee has reviewed the proposed amendment to *Bylaws Part 1, Article III – Church Membership of Officers, Boards, Appointees, Committees* that was offered by messenger Ken Reid at the 2012 South Carolina Baptist Convention Annual Meeting in Greenville, SC. Mr. Reid explained in a report provided to the committee that the proposed amendment is intended to "spread and share the responsibility of the work across the state and allow others to be nominated as Convention board and committee members, and as institutional trustees." The proposed amendment intends to meet this objective by limiting the number of representatives that can come from individual churches (i.e. no more than two representatives from an individual church can serve on the Executive Board, Nominations Committee, Trustees of Institutions, and standing committees, and no more than one representative from an individual church can serve concurrently on the Executive Board, Committee on Committees and the Nominations Committee). Based on the information provided by Mr. Reid, a large majority of churches in the state (88.4%) are not represented on the C onvention's various boards or committees. Likewise, of the churches supplying representatives to the various boards and committees, roughly 38% have two or more members serving as such.

The committee agrees with Mr. Reid that the Convention would be greatly benefitted by a more diverse representation in its leadership positions and that the current lack of diversity in church representation is an issue that needs to be addressed. However, a fter prayerful consideration, discussion by committee members covering two called meetings, and reaching out to Mr. Reid for further clarification and input, it is the position of the Bylaws Committee that the objectives of the proposed amendment can be achieved by other means that are not overly restrictive and that do not place a greater burden on the current nominations process, as we believe the proposed amendment would do. Therefore, it is the Bylaws Committee's recommendation that the proposed amendment not be approved.

Rationale for the committee's decision is as follows:

1. At the 2012 SCBC Annual Meeting in Greenville, a change was approved by the messengers to *Bylaws Part II, Article II, Committee on Committees*. The change called for the Convention president to name the Committee on Committee members from (15) different associations. Because the Committee on Committees names the Nominations Committee, there is an opportunity for new faces and voices to be involved in the process. The hope is that a more diverse Committee on Committees will appoint a more diverse Nominations Committee, which will lead to more diverse nominations to leadership positions generally. While the motivation for this amendment is largely the same as Mr. Reid's motivation for his proposed amendment, it favors a more organic change over legislated limitations, and thereby maintains much-needed flexibility in an already difficult nominations process. As with any amendment of this sort, it will take several cycles of nominations to determine if it has achieved the desired results, and it should be evaluated at the appropriate time and changed if necessary.

- 2. Currently, the Nominations Committee solicits names for vacant positions from multiple sources. The Convention web site, quarterly magazine, and the Baptist Courier are used to encourage South Carolina Baptists to provide names by directing them to the printed nominations form. On the average, only 12-15 forms are returned to the Convention office per nominations cycle. The Nominations Committee also relies on word of mouth to help fill these positions. Limiting churches to the strict number of representatives as proposed would make the task of filling these positions even more difficult.
- 3. The committee noted that because the limitations provided in the proposed amendment apply to all churches without accounting for membership size, the amendment disproportionally affects churches with larger memberships that have a larger pool of qualified and willing candidates from which to choose. With the spirit of the amendment being "fairness", it is possible that the amendment would cause our larger churches to feel under-represented.
- 4. The Bylaws already contain a provision limiting churches to (1) representative to the Executive Board: Bylaws Part I, Article VI, (B) (3) reads, "Only one person from an affiliated church may serve as an elected member of the Board at a given time."
- 5. As a result of the mention of "trustees" in Paragraph B on the proposed amendment, the committee believes this proposed amendment is in conflict with the spirit of last year's change to *Bylaws Part II, Article III Standing Committees (C) Nominations (4)(d) Special Procedures for Institutional Trustee Nominations*, which was one of the amendments necessary to implement the Great Commission Resurgence Task Force Report. Ministry partners now have a greater role in the selection of trustees for their institutions. Subcommittees of the Nominations Committee work directly alongside each ministry partner as they select their potential trustees. We believe the restrictions contained in the proposed amendment would unduly infringe upon the original purpose of the newly adopted institutional trustee nomination process.
- 6. The South Carolina Baptist Convention makes known to all churches, to the best of its ability through the avenues that are available (print, web, etc.) the need for names for potential vacancies across the Convention's committees and boards. The SCBC does not have the right to require churches to participate in service at the Convention level after knowing the need for such help, particularly when there are willing and capable candidates that are otherwise available.

As stated above, the Bylaws Committee, while not recommending the adoption of this proposed amendment, agrees that the current lack of diversity in leadership positions is an issue that needs to be addressed. As such, we offer the following suggestions on how to increase the number of people who would be available to serve.

- 1. There needs to be a stronger effort on behalf of Associational Directors of Mission across our Convention in spreading the word to their churches of opportunities to fill the vacancies and the procedure for nominating qualified and capable men and women to fill these vacancies.
- 2. Pastors of the local churches are encouraged to look across their congregation and submit names they believe would serve at the state convention level.

- 3. Although the Bylaws Committee does not consider the amendment beneficial to the entire work of the nominations process, the Committee on Committees, which selects the Nominations Committee, should remain mindful of the need to avoid individual churches from being disproportionately over or under represented.
- 4. At the annual Directors of Missions meeting, the nominations process and need for candidates should be reiterated.
- 5. A letter to each SCBC church should be mailed annually from the Convention informing them of positions that the Nominating Committee will be working to recommend to the Messengers and the procedure for nominating men and women to fill those vacancies.

Respectfully submitted,

Steven Ruff Chairman, SCBC Bylaws Committee

Members of the Board shall not succeed themselves, except in the case of a member who has first been elected to fill less than one-half (1/2) of an unexpired term. The terms of approximately one-fifth (1/5) of the membership of the Board shall expire annually. One year shall elapse before a member may be returned to the Executive Board or be elected to any other board of the Convention.

Any member of the Board who becomes a member of a church in another state shall thereby terminate membership on the Board. Any vacancy occurring on the Board shall be filled for the remainder of the term by the Convention's nominating and election process. The Board may temporarily fill the vacancy pending the Convention's election.
- 7. #### **Christian Life and Public Affairs Committee**

The Christian Life and Public Affairs Committee (CLPAC) addresses moral, social, and cultural trends/events in today's society. Committee members work closely with the Office of Public Policy to educate and inform the public on current issues and pending legislation that affects our families and churches. One of the resources that the committee uses to do this is the website <a href="https://www.informedforaction.org">www.informedforaction.org</a>. The committee meets at least four times throughout the year to stay abreast of current issues develop action plans.

According to Convention bylaws, the Christian Life and Public Affairs Committee is composed of ten members. Two member's terms expire each year and one committee member had to resign this year leaving three vacancies to fill.

The committee hosts an annual Bar-B-Que luncheon on the State House grounds for our Senators, House members and Constitutional Officers. This is a great opportunity for the committee and other SCBC leadership to show Christian love and appreciation to the men and women who sacrifice their time to represent us in Columbia.

An annual highlight is the announcement of the three committee awards. The *E.A. McDowell* award recognizes an individual who exemplifies Christian action in the public arena—politics, government, or community action. Additionally, the committee recognizes one church in our convention that shows similar commitment in the area of social and moral concerns by conferring the *Impact Your World* award. This is the second year that the committee will recognize an elected official that has gone above and beyond in representing Christian interests through their role in the public square. This award is called the *Public Servant Award*.

The Christian Life and Public Affairs Committee supports and encourages the following likeminded organizations:

- Palmetto Family Council
- Truth Ministry
- SC Citizens for Life
- Local Pregnancy Care Centers

Members of the committee are grateful for the opportunity to serve South Carolina Baptists and look forward to continue making a positive impact in the future.

# History Committee Report Mayson Easterling, Chairman

South Carolina Baptists have a rich and important history that must be preserved for future generations. The purpose of the SCBC History Committee is to collect, organize, and preserve the data and artifacts that tell the story of "Who South Carolina Baptists Are" and "How South Carolina Baptists Have Served God." A tremendous amount of work has been done in the past, and the committee seeks to continue the work of preservation.

The Committee focused this year on acquiring copies of association minutes and records. These are the key to local church history because they preserve the basic annual statistical report of each church which is passed on to the Convention. If a church has lost its records, sometimes this is all that's left to piece a history together. Soon, the Convention's History Room will possess microfilm copies of all association minutes known to exist up to 1900. These records are invaluable when churches request assistance with their history.

The South Carolina Baptist Historical Collection is housed at Furman University in Greenville. They continue to be the basic repository for church and association records. This year they donated duplicate copies of association minutes from twenty-two associations to the Convention archives. We are very grateful for this generous gift.

The Committee also is working to have all older audio and video materials of the Convention transferred to digital format and will continue to make this a priority in a fast changing media world. Julie Warren, committee member, is providing valuable assistance in this process. Organization and cataloguing of Convention related material continues in the Archive Room.

The Committee continues to seek local Baptist church histories for the History Room at SCBC to be used as a resource by visitors to the room. Churches who have not written histories are encouraged to preserve and to write their history. Preserving the past is essential to understand the future.

Research assistance is available to churches writing their histories or planning anniversaries. Churches are encouraged to have their records microfilmed and/or digitized for preservation. Church fires are all too common and destroy more than the building. Help preserve your church's story by planning ahead. Welsh Neck Baptist in Society Hill is 275 years old this year and has set a great example by digitizing their records as part of their anniversary celebration.

The committee expresses appreciation to Roger Orman, Associate Executive Director of the Communications and Mission Development Team, Jane Young Poster, Historical Services (part-time) and Kathy Jones, assistant (part-time) for their on-going work in historical preservation.

# Ministers Serving in South Carolina

Includes Ordained, Licensed & Deceased Ministers

#### **Ministerial Staff Directories**

Most church staff directories appearing on the following pages have been compiled from mailing lists rather than from the Annual Church Profile. Unlike the statistical tables, which have historical value, these directories are primarily mailing lists. Inasmuch as the mailing files are updated almost daily, we believe that these directories provide the most accurate and current information available as of March 31, 2014.

# Statistical Summary and Tables

#### **Statistics Summary and Tables**

#### Notes:

These statistical and financial tables contain a report from each church and mission in friendly cooperation with South Carolina Baptist Convention. The Convention's constitution does not make a distinction between churches and missions. In the case of missions, whose information also may be reported by the sponsoring church, there is the possibility of duplicate reporting of some statistics.

Except for the first four financial columns (marked with an \*), all data is taken from the Annual Church Profile (ACP) as processed by the Technology, Building and Data Services Group. This information reflects the church year as reported by the churches. The first four financial columns are from the Convention's audited records and reflect the calendar year. There is no duplication of information in these columns. The Budget Gifts amount includes regular Cooperative Program giving (support for the South Carolina Baptist Convention and the Southern Baptist Convention) plus cooperative gifts (support for South Carolina Baptist Convention causes only or Southern Baptist Convention causes only).

The pastor's name listed for each church is that in the SCBC computer system as of March 31<sup>st</sup>, 2014. This pastor may not have been the pastor during the reporting period.

Each church is listed in the association in which it was a member during the 2012-2013 church year. Churches that transferred from one association to another during 2013 are typically listed with the association to which they belonged at the beginning of 2013. Following the list of associations is a list of churches that were not affiliated with an association recognized by SCBC. Every effort has been made to footnote changes in association membership that have occurred since the last printing of Convention Annual.

Any church affiliated with the SCBC that did not submit an Annual Church Profile is listed as blank, and no statistical information is given.

To: Members of Churches Affiliated with South Carolina Baptist Convention

From: James W. Austin

Date: March 2014

The attached exhibits are submitted for your convenience. These exhibits have been taken from the annual audited financial statements for the South Carolina Baptist Convention, its institutions, and Woman's Missionary Union, Auxiliary to the South Carolina Baptist Convention.
