## **Special Guests November 9, 2021**

Dr. Tony Evans is one of the country's most respected leaders in evangelical circles. He is a pastor, best-selling author and frequent speaker at Bible conferences and seminars throughout the nation.

Dr. Evans has served as the senior pastor of Oak Cliff Bible Fellowship for 40 years, witnessing its growth from ten people in 1976 to now over 10,000 congregants with 100 plus ministries.

Through his local church and national ministry, Dr. Evans has set in motion a Kingdom Agenda philosophy of ministry that teaches God's comprehensive rule over every area of life as demonstrated through the individual, family, church and society.

The Forehands are sought after speakers for conferences and events all across the country. Their Flagship Conference LET'S GET REAL® has powerfully impacted marriages in the local church. Dale and Jena have been regular keynote speakers for national ministries like Lifeway and Professional Athletes Outreach. Their story and ministry have been featured on the cover of Lifeway's Home Life Magazine, CBN's "700 Club", "Life Today" with James and Betty Robinson, and Focus on the Family's "Your Family Live."
