

SOUTH CAROLINA BAPTIST CONVENTION

TUESDAY AFTERNOON

Nov. 15, 2022

202nd
Annual Meeting

SESSION THREE | REFOCUS

We heard from the Sexual Abuse Task Force this morning. “We wanted to be proactive,” D.J. Horton, Chairman and representative from Church at The Mill said. “Our Savior loved the vulnerable and this is a subject about protecting the vulnerable.”

One of the recommendations from the Task Force was to create a position within the SCBaptist Convention to be selected by the EDT. This person would be trained in trauma informed care to provide ongoing support to SC pastors and churches and would train, equip, and be a point of contact in the case of suspected or witnessed abuse, or abuse accusations.

Another recommendation included creating a broader definition of sexual abuse. The Task Force additionally challenged pastors, churches, associations, and the SCBaptist Convention toward the further resourcing, handling, and prevention of sexual abuse.

It was made clear that the priority is caring for the survivor, not protecting or prioritizing the church, the institution, or the abuser, noting that this is what Jesus himself modeled. The Task Force Response was submitted to the messengers, brought to a vote, and passed.

For 100 years, South Carolina Baptists have sent missionaries to our

college campuses. In 1922, the first student groups began to form. Over the course of those 100 years, tens of thousands have come to faith. Be sure to stop by the Fellowship Hall to celebrate the work the Lord has done through Baptist Collegiate Ministries.

Robby Gallaty has served as Long Hollow’s Pastor since 2015. He wasn’t

always a pastor, though. For three years, he battled a drug addiction that ravaged his life. Robby was radically saved on November 12, 2002. Eight months later, David Platt, a seminary student at the time, asked Robby to meet weekly for accountability, prayer, and study and would later encourage Robby to pursue theological education. Robby is also the founder of Replicate Ministries.
