

Coats for the City Frequently Asked Questions

What kind of coats do we need?

- Men's, women's and children's coats
- New or gently used heavy coats that can withstand a New York City winter
- Lighter-weight coats used for layering
- No holes, tears or stains
- Zippers should work and all buttons should be present
- Consider applying for a grant through your local Walmart in order to purchase new or gently used coats, appropriate for an NYC winter. You can access information regarding Walmart community grants by clicking [here](#).

What do we do with the coats once we collect them?

Once you have collected coats, schedule a time to drop them off at the South Carolina Baptist Convention building. Please check back for more locations as we move further along in the year.
