

KidSalt 2023 Participants List

Email this form to melletteague@sdbaptist.org at least 2 weeks prior to arriving at camp. Yes, we know things may change within 14 days. However, it is much easier to make one or two changes instead of adding an entire group to our housing list. Thank you!

participants list checklist

// 2024 kidsalt participants form checklist //

Use this checklist to make sure your KidSalt Participants Form is good to go before emailing to melletteteague@scbaptist.org:

___ My list includes the first and last names, genders, grades, t-shirt sizes, and track choices for the children in my group.

___ My list includes the first and last names, genders, and t-shirt sizes for my chaperones. I identified my chaperones by putting a C by their name.

___ I ensured that the number of people on my list corresponds with the number of spots I registered for camp, as stated on my 2023 KidSalt invoice.

___ For handwritten lists, the writing is neat, organized, and legible.

___ I have emailed this form to melletteteague@scbaptist.org at least 2 weeks before the first day of camp and will bring a copy of my most up-to-date list with me to check-in.

___ If there are any changes to my form, I know to notify melletteteague@scbaptist.org as soon as possible by sending an updated list.
