

Training for Associational Revitalization Teams, Transitional Pastors, and Interim Pastors seeking to serve churches in decline or at-risk of closure.

Participants will be trained utilizing a 2 day workshop or an online course guided by a trained facilitator to:

- ◇ Help churches **explore** their options for a hopeful future.
- ◇ Assist churches to **examine** reality of their congregation and community.
- ◇ Present an objective **recommendation** based on the data and resources available.
- ◇ Encourage a church to **affirm** the recommendation as an autonomous body.
- ◇ Guide a church through **implementation** to renew hope not only for its members, but for their community.

Additional benefits from the Revitalization Practitioner Lab (RPL):

- 1) Utilizes case studies from different contexts
- 2) Allows teams to work together in groups
- 3) Unlocks many resources helpful to serving at-risk churches
- 4) Access to a network of other trained practitioners
